#### REPARATOR CAPILLI.

Throw away yourfalse frizzes, your switches your wig --Destructive of comfort, and not worth a fig: Come aged, come youthful, come ugl; and fair,

And rejoice in your own luxuriant hair, REPARATOR CAPILLI. For restoring hair upon buld heads (from

whatever cause it may have fallen out) and forcing a growth of hair upon the face, it has no equal. It will force the beard to grow up-on the smoothest face in from five to eight weeks; or hair upon bald heads in from two to three months. A few ignorant practitioners have asserted that there is nothing that will force or basten the grow h of the beard Their assertions are false, as thousands of living witnesses (from their own experience) can bear witness. But many will say, how are we to distinguish the genuine from the sparious? It certainly is difficult, as nine to of the different preparations advertised for the hair and board are entirely worthless, and you may have already thrown away large amounts in their purchase. To such we would say, try the Reparator Capilli; it will cost you nothing unless it fully comes up to our representations. If your Druggist does not keep it, send us one dollar and we will forward it, post-paid, together with a receipt for the money, which will be returned you on application, providing entire satisfac-tion is not given.
