

**ASTROLOGY.**

**THE WORLD ASTONISHED**

AT THE WONDERFUL REVELATIONS MADE BY THE GREAT ASTROLOGIST, **MADAME H. A. PERRIGO.** She reveals secrets not mortal ever knew. She restores to happiness those who, from love, loss of relations and friends, loss of money, &c., have become despondent. She brings together those long separated, gives information concerning absent friends or lovers, restores lost or stolen property, tells you the business you are best qualified to pursue and in what you will be most successful, causes speedy marriages and tells you the very day you will marry, gives you the name, likeness and characteristics of the person. She reads your very thoughts, and by her almost supernatural powers unveils the dark and hidden mysteries of the future. From the stars we see in the firmament—the malefic stars that over come or predominate in the configuration—from the aspects and positions of the planets and the fixed stars in the heavens at the time of birth, she deduces the future destiny of man. Fall not to consult the greatest Astrologist on earth. It costs you but a trifle, and you may never again have so favorable an opportunity. Consultation free, with likeness and all desired information, \$1. Parties living at a distance can consult the Madame by mail with equal safety and satisfaction to themselves, as if in person. A full and explicit chart, written out, with all inquiries answered and likeness enclosed, sent by mail on receipt of price above mentioned. The strictest secrecy will be maintained, and all correspondence returned or destroyed. References of the highest order furnished those desiring them. Write plainly the day of the month and year in which you were born, enclosing a small lock of hair. Address, **MADAME H. A. PERRIGO,** P. O. Drawer 293, Buffalo, N. Y., Feb. 20, '67-ly.

**REPARATOR CAPILLI.**

Throw away your false frizzes, your switches your wig—Destructive of comfort, and not worth a fig; Come aged, come youthful, come ugly, and fair, And rejoice in your own luxuriant hair.

**REPARATOR CAPILLI.**

For restoring hair upon bald heads from whatever cause it may have fallen out, and forcing a growth of hair upon the face, it has no equal. It will force the hair to grow upon the smoothest face, in from five to eight weeks; or hair upon bald heads in from two to three months. A few ignorant practitioners have asserted that there is nothing that will force or hasten the growth of the hair. Their assertions are false, as thousands of living witnesses (from their own experience) can bear witness. But many will say, how are we to distinguish the genuine from the spurious? It certainly is difficult, as the heads of the different preparations advertised for the hair and head are entirely worthless, and you may have already thrown away large amounts in their purchase. To such we would say, try the Reparator Capilli; it will cost you nothing unless it fully comes up to our representations. If your Druggist does not keep it, send us one dollar and we will forward it, post-paid, together with a receipt for the money, which will be returned you on application, providing entire satisfaction is not given. Address, **M. L. CLARK & Co., Chemists,** No. 3 West Fayette St., Syracuse, N. Y., Feb. 20, 1867-ly.

**EXCELSIOR, EXCELSIOR!**

**CHASTELLAR'S**

**Hair Exterminator!**

For Removing Superfluous Hair. To the ladies especially, this invaluable depilatory recommends itself as being an almost indispensable article to female beauty. It is easily applied, does not burn or injure the skin, but acts directly on the roots. It is warranted to remove superfluous hair from low foreheads, or from any part of the body, completely, totally and radically expiring the same, leaving the skin soft, smooth and natural. This is the only article used by the French, and is the only real effectual depilatory in existence. Price 75 cents per package, sent post-paid, to any address, on receipt of an order. **DOTY'S CLOTHES WASHER**

**AND Universal Clothes Wringer.**

The best and most popular Machine ever invented. All Washers warranted to give satisfaction. If not as represented, the washing will be taken back and the money refunded. In offering the Washer we present you the following alternatives: 1. Either to make a woman work all day at the hardest drudgery, dangerous to health and life, fifty-two days in a year—or buy a Machine for her, with which she can do the same work in two hours and be at leisure, *Consult Economy.* Sold by **J. B. M. TODD,** Patterson, Pa. Read what our neighbors have to say: **PENNSYLVANIA HORSE,** PATTERSON, Jan. 28, '67. J. B. M. Todd, Esq.—This is to certify that the Doty's Clothes Washer and Wringer I purchased from you, will do all that is recommended if the direction for washing is strictly observed, especially for heavy clothing, one person can wash as much in an hour with ease as they would do in six hours by hand or common rubber. It is a great saver of clothes and time. There is neither friction in washing or strain in wringing. Boys or Girls of 12 to 14 years old can do the washing. **F. M. MICKY,** Mr. J. B. M. Todd—Since I have purchased Doty's Clothes Washer and Wringer from you, wash-day is no more dreaded by my wife as my little girl 14 years of age can do my washing of 9 persons, in from two to three hours, which used to take my wife all day. I can cheerfully recommend every person to go to J. B. M. Todd's, and get a Washer and Wringer as I am confident that you can save the price of the Machine in less than one year in the saving of the of the wearing of clothes as they are washed without rubbing. Yours &c. **JOHN RALENTINE,** Jan. 29, 1867.

**The Long Looked For—Come a Last THE CELEBRATED Florence Sewing Machine.**

This machine is the most perfect instrument to execute any kind of sewing now done by machinery in the world. It is simple and perfect in its mechanical construction. The feed may be reversed at any point desired without stopping, which is a great advantage in fastening the end of seams. It makes FOUR DIFFERENT STITCHES, Lock, Knot, Double Lock, Double Knot, each stitch perfect and alike on both sides of the fabric. Operators can select any stitch they want and change from one stitch to another without stopping the machine. Its stitches cannot be excelled for firmness, elasticity, durability and beauty of finish. No difficulty experienced in sewing across thick seams. Sews light or heavy fabrics with equal facility. *will Beat Tuck, Quilt, Cord, Hem, Fill, Bind, Ger, and sew all kind of tickings required by families and manufacturer. The work will feed either to the right or left without stopping the machine.* most experienced find no difficulty in unhoisting it. *Teels glibly practical and unduly in it. It has no springs to get out of order, and will last a lifetime. It runs easily, and is almost noiseless. It is the most rapid sewer in the world; making five stitches to each revolution. It uses the same size thread on both sides of the fabric. It coils no dresses, all its machinery being on top of the table. Every machine is warranted to give entire satisfaction, and to do all that is claimed for it.* Mrs. CAROL E. SYRACUSE is the agent for this country. By calling at her residence on Main Street, Millintown, one of these machines can be seen in operation. September 12, 1866-ly.
