

ASTROLOGY.
THE WORLD ASTONISHED

AT THE WONDERFUL ELUCIATIONS
OF THE GREAT ASTROLOGIST,
MADAME H. A. PERRIGO.
She reveals secrets no mortal ever knew—
She restores to happiness those who, from dole-
ful events, catastrophes, crosses in love, loss
of relations and friends, loss of money, ac-
cidents, become despondent—She brings to-
gether those long separated, gives information
concerning absent friends or lovers, restores
lost or stolen property, tells you the business
you are best qualified to pursue and in what
you will be most successful, causes speedy
marriages and tells you the very day you will
marry, gives you the name, likeness and char-
acteristics of the person—She reads your
thoughts, and by her almost supernatural
powers unveils the dark and hidden mys-
teries of the future. From the stars we see
in the firmament—the metallic stars that over-
comp or predominate in the configuration—
from the aspects and positions of the planets
and the fixed stars in the heavens at the time
of birth, she deduces the future destiny of
each. Fail not to consult the greatest Astro-
logist on earth. It costs you but a trifle, and
you may never again have so fine an oppor-
tunity. Consultation free, with likeness
and all desired information. \$1. Parties liv-
ing at a distance can consult the Madame by
mail with equal safety and satisfaction to
themselves, as in person. A full and ex-
plicit chart, written out, with all inquiries
answered and likeness enclosed, sent by mail
on receipt of price above mentioned. The
strictest secrecy will be maintained, and all
correspondence returned or destroyed. Ref-
erences of the highest order furnished those
desiring them. Write plainly the day of the
month and year in which you were born, en-
closing a small lock of hair.
Address, **MADAME H. A. PERRIGO,**

and life, many days in a year—Buy a
Machine for her, with which she can do
the same work in two hours and at a trifling
cost.
2. Either buy goods to be rubbed to frag-
ments on the wash-board, or buy a Machine
that will clean without injuring garments,
and so pay for itself three times a year—

J. E. M. TODD,
Patterson, Pa.
Read what our neighbors have to say:
PENNSYLVANIA HOUSE, 1
PATTONS, Jan. 28, '97, y.
J. E. M. TODD,—This is to certify
that the D. O. Doty's Clothes Washer and
Wringer purchased from you, will do all that is
claimed in the direction for washing is
strictly observed, especially for heavy cloth-
ing, one person can wash as much in an hour
with ease as they would do in six hours by
hand or common rubber. It is a great saver
of clothes and time. There is neither tri-
culation in washing or strain in wringing. Boys
or Girls of 12 to 14 years old can do the
washing.
F. M. McKEY
M. J. R. M. Todd,—My Sister has
purchased Doty's Clothes Washer and Wringer
from you, which-day is no more dreaded by
my wife as my little girl 14 years of age can
do the washing of 9 persons, in from two to
three hours, which used to take my wife all
day. I was cheerfully recommended every
person to go to J. E. M. Todd and get a Wash-
er and Wringer as I am confident that you
can save the price of the Machine in less
than one year in the saving of the time
of wearing of clothes as they are washed with-
out rubbing. Yours &c.

REPARATOR CAPILL.

Throw away your false frizzes, your switches
your wig—
Restorative of confidence, and worth a fig:
Conceals, cures, and restores, and fair,
And repairs in your own luxuriant hair.
REPARATOR CAPILL.
For restoring hair upon bald heads (from
whatever cause it may have fallen out) and
forcing a growth of hair upon the face, it has
no equal. It will force the beard to grow in
weeks; or hair upon bald heads in from two
to three months. A few ignorant practition-
ers have asserted that there is nothing that
will force or hasten the growth of the beard.
Their assertions are false, as thousands of liv-
ing witnesses (from their own experience) can
bear witness. But many will say, how are
we to distinguish the genuine from the spurious?
It is certainly difficult, as nine tenths
of the different preparations advertised for
the hair and head are entirely worthless, and
you may have already thrown away large
amounts in their purchase. To such we
would say, try the Reparator Capill: it
will cost you nothing unless it fully comes up
to our representations. If your Druggist
does not keep it, send us one dollar and we
will forward it, post-paid, together with a
receipt for the money, which will be returned
you on application, providing entire satisfac-
tion is not given. Address,

EXCESSIVE EXCLUSION!
CHASTELLAR'S
Hair Exterminator!
For Removing Superfluous Hair.

To the ladies especially, this invaluable de-
pilation recomposes itself as being an almost
irresponsible article to the female beauty. It is
easily applied, does not burn or irritate the
skin, but acts directly on the roots. It is
warranted to remove superfluous hair from
low foreheads, or from any part of the body,
temporarily, totally and radically expiring
the roots, leaving the skin soft, smooth and
natural. This is the only article used by the
French, and is the only real effectual depila-
tory in existence. Price 75 cents per pack-
age, sent post-paid, to any address, on receipt
of an order, by
