PENNSYLVANIA HOUSE, PATTERSON, Jan. 28, '67. J. B. M. Tono, Esq. This is to certify that the Dety's Clothes Washer and Wringer I purchased from you, will do all that is recomended if the direction for washing is strictly observed, especially for heavy clothing, one person can wash as much in an hour with case as they would do in six hours by hand or common rubber. REPARATOR CAPILLI.

Throw away your false frizzes, your switches

your wig --Destructive of comfort, and not worth a fig. Comeaged, come youthful, come ugl; and fair, And rejoice in your own luxuriant hair. REPARATOR CAPILLI.

For restoring hair upon bald heads (from whatever cause it may have fallen out) and forcing a growth of hair upon the face, it has no count. It will force the beard to grow up the smoothest face in from five to eight weeks or hair woon buld heads in from two to three months. A few ignorant practitioners have asserted that there is nothing that will force or hasten the growth of the beard. Their assertions are false, as thousands of living witnesses (from their own experience) can bear witness. But many will say, how are we to distinguish the genuine from the spurious? It certainly is difficult, as nine-tenths of the different preparations advertised for the hair and heard are entirely worthless, and you may have already thrown away large amounts in their purchase. To such we would say, try the Reparator Capilli; it will cost you nothing unless it fully comes up to our representations. If your Druggiss does not keep it, send us one dollar and we will forward it, post-paid, together with a re-ceipt for the money, which will be returned you on application, providing entire satisfac-tion is not given.
