

ASTROLOGY.

THE WORLD ASTONISHED

AT THE WONDERFUL REVELATIONS MADE BY THE GREAT ASTROLOGIST, **MADAME H. A. PERRIGO.**

She reveals secrets no mortal ever knew. She restores to happiness those who, from dull events, catastrophes, crosses in love, loss of relations and friends, loss of money, &c., have become despondent. She brings together those long separated, gives information concerning absent friends or lovers, restores lost or stolen property, tells you the business you are best qualified to pursue and in what way you will be most successful, causes speedy marriages and tells you the very day you will marry, gives you the name, likeness and characteristics of the person. She reads your past, present and the dark and hidden mysteries of the future. From the stars we see in the firmament—the magic stars that are come or predestinate in the configuration—from the aspects and positions of the planets and the fixed stars in the heavens at the time of birth, she deduces the future destiny of man. Fall not to consult the greatest Astrologist on earth. It costs you but a trifle, and you may never again see so favorable an opportunity. Consultation fee, with likeness and all desired information, \$1. Further living a distance can consult the Madame by mail with equal safety and satisfaction to themselves, as if in person. A full and explicit chart, written out, with all inquiries answered and likeness enclosed, sent by mail on receipt of price above mentioned. The strictest secrecy will be maintained, and all correspondence returned or destroyed. References of the highest order furnished those desiring them. Write plainly the day of the month and year in which you were born, enclosing a small lock of hair.

Address, MADAME H. A. PERRIGO, P. O. Drawer 293, Buffalo, N. Y. Feb 20 '67-ly.

In offering the Washer we present you the following alternatives:

2. Either buy goods to be pulled to fragments on the wheels, or buy a Machine that will clean without injuring garments, and so pay for itself three times a year.—*Consult Economy.* Sold by

J. B. M. TODD, Patterson, Pa.

Read what our neighbors have to say: PENNSYLVANIA HOUSE, PATTERSON, Jan. 28, '67.

J. B. M. TODD, Esq.—This is to certify that the Doty's Clothes Washer and Wringer I purchased from you, will do all that is recommended if the direction for washing is strictly observed, especially for heavy clothing, and persons can wash as much in an hour with ease as they would do in six hours by hand or common rubber. It is a great savor of clothes and time. There is neither friction in washing or strain in wringing. Boys or Girls of 12 to 14 years old can do the washing.

F. M. SKEY. Mr. J. B. M. Todd—Since I have purchased Doty's Clothes Washer and Wringer from you, wash-day is no more dreaded by my wife as my little girl 14 years of age can do my washing of 9 persons, in from two to three hours, which used to take my wife all day. I can cheerfully recommend every person to go to J. B. M. Todd's, and get a Washer and Wringer as I am confident that you can save the price of the Machine in less than one year in the saving of the of the wearing of clothes as they are washed without rubbing. Yours &c. Jan. 29-ly. JOHN VALENTINE.

REPARATOR CAPILL.

Throw away your false frizzes, your switches your wig—Destructive of comfort, and not worth a fig; Come along, come youthful, come ugly and fair, And rejoice in your own luxuriant hair.

REPARATOR CAPILL.

For restoring hair upon bald heads (from whatever cause it may have fallen out) and forcing a growth of hair upon the face, it has no equal. It will force the beard to grow up on the smoothest face in from five to eight weeks; or hair upon bald heads in from two to three months. A few ignorant practitioners have asserted that there is nothing that will force or hasten the growth of the beard. Their assertions are false, as thousands of living witnesses (from their own experience) can bear witness. But many will say, how are we to distinguish the genuine from the spurious? It certainly is difficult, as nine-tenths of the different preparations advertised for the hair and beard are entirely worthless, and you may have already thrown away large amounts in their purchase. To such we would say, try the Reparator Capill; it will cost you nothing unless it fully comes up to our representations. If your Druggist does not keep it, send us one dollar and we will forward it, post-paid, together with a receipt for the money, which will be returned you on application, providing entire satisfaction is not given. EXCELSIOR, EXCELSIOR! CHASTELLAR'S Hair Exterminator!!

For Removing Superfluous Hair.

To the ladies especially, this invaluable depilatory recommends itself as being an almost indispensable article to female beauty, is easily applied, does not burn or injure the skin, but acts directly on the roots. It is warranted to remove superfluous hair from low foreheads, or from any part of the body, completely, totally and radically extirpating the same, leaving the skin soft, smooth and natural. This is the only article used by the French, and is the only real effectual depilatory in existence. Price 10 cents per package, sent post-paid, to any address, on receipt of an order, by
