For restoring hair upon bald heads from whatever cause it may have fallen out) and forcing a growth of hair upon the face, it has no equal. It will force the beard to grow up to three months. A few ignorant practitioners have asserted that there is nothing that will force or hasten the grow h of the beard. Their assertions are false, as thousands of liv ing witnesses (from their own experience) can bear witness. But many will say, how are we to distinguish the geouine from the spurious? It certainly is difficult, as nine-tenths of the different preparations advertised for the hair and beard are entirely worthless, and you may have already thrown away large amounts in their purchase. To such we would say, try the Reparator Capilli; it will cost you nothing unless it fully comes up to cur representations.
