which has been over two years in preparation, and which has been brought to perfection re-gardless of time, labor or expense, and is now confidently presented to the public as incom-parably the best Sewing Machine in existence. The Machine in question is simple, compact, durable and beautiful. It is quiet, light running, and capable of performing a range and variety of work never before attempted upon a single Machine,-using either Silk, Twist, Linen or Cotton Thread, and sewing with equal facility the very finest and coursest materials, and anything between the two extremes, in the most beautiful and substantial manner. Its attachments for hemming, braidlug, cording, taching, quilting, felling, trim-

binding, etc., are novel and practical, and have been invented and adjusted especi-ally for this Machine. Machines always kept on hand at my Tail-

oring Establishment, second story Sulouff, Frow & Parker's Store, Bridge street, Mifflintown, l'a., for the inspection of the public, and for sale at the most reasonable prices. Machine Cotton, Needles, Thread, Oil, &c., and everything pertaining to this Machine constantly kept on hand for sals. WILLIAM WISE, Agent.

EDITOR AND PUBLISHER

WHOLE NUMBER 1051

A MAN-WOLF.

2 M. Allister

Rev. Dr. Butler, the well-known Methodist missionary who established the miscight-fifty-nine-sixty ! The blanket sion of that church in India in 1856, reis thrown over the torn body, and he is cently returned to this country. He makes the following statement of a remarkable case :

In 1859 a British soldier, while bearing despatches from one magistrate to another in the kingdom of Oude, passed an unfrequented ravine, where he saw a pack of wolves, and with them a human being, evidently one of their company. Immediately turning back he reported the circumstances to the magistrate for whom he was traveling. The latter forthwith muswhether men or women should do the tered a number of Coolies and went to milking. "A Young Farmer's wife," of the place. The pack of wolves fled a New Hampshire, gives her views as folshort distance and sought refuge in a sort of cave or den. Beginning to dig, the
