THE REPUBLICAN.

ITS HISTORY.

It is well known to the Republicans of this county that the *Juniata Republican* was started by Allison, Davis, Strouse, Stewart Lukens, and a few other disorganizers. They proposed first to teach us what *true Republicanism* was, and Beefy Allison was to be the preacher and expounder. They proposed secondly to "break Patterson down," purify the Republican party, and then take the leadership themselves. Thirdly, and lastly, they were willing, for the sake of the people, to accept the offices and thus give the people a chance to have pure, honest, sober, sensible, loyal, brave, clean and respectable men in their service.

The Rev. Beefy Allison expected us to forget that he had a few years ago been associated with another turn-coat and renegade in publishing the *Register*, and preaching Loco-focism until he was kicked out of that office by the indignant and betrayed Democracy. The programme was a good one and promised grand results. But as they never kept their word in anything, so in this case the sequel proves how they wandered from the text.

Strouse, the "Big Injin," was to go to Congress or Senate; he was indifferent which. Sore-Heels Davis was to go to the Legislature. Rev. Beefy was to be Whisky Inspector (for which he certainly is fit, as he has tasted it often enough.)—Stewart Lukens was to be authorized to carry Delaware township in his pocket as he boasted. Georgie Faskick, by general consent, was to be clown of the concern, and so on through the list of *puce* men who were to regenerate politics in Juniata county.

Well, they first pitched into Andy Johnson in general and Patterson in particular, and almost disgraced Congress with their praises. The delegate elections were held, and lo! not ONE of the virtuous creatures had a voice in convention of the people. They then turned around, cursed the party and people, and fell down and worshipped the golden calf of Andy Johnson.

Strouse did not get one delegate for Congress, while Patterson received a unanimous nomination in this county. Davis, after being scorned by the Republicans, was kicked out of the Loco-foco Conference where he asked for a nomination for Legislature. The Rev. Beefy got the whisky and the Assistant Assessorship.—Stewart Lukens did not quite have pocket enough to carry Delaware township, but got the Thompsonstown Post-Office. Faskick, having no opposition, became very naturally King's fool and clown and is likely to hold the office during life.

They tried to sell out the party, but were scorned and despised by every true man, and ever since have been faithful in the service of Andy Johnson, Jeff. Davis and the rebels. They opposed Geary and voted for Clymer. They opposed Wharton and Brown and tried all in their power to elect the two Loco-focos, Miller and Willis. They weekly denounced Congress and the Republican party and worked zealously for its overthrow. Their hope is in the defeat of Congress and our party. If the Loco-focos succeed they may retain office. If the Republicans succeed they will be kicked out without ceremony. We, however, think they will find the Loco-focos have as contemptible an opinion of them as the Republicans, and turn them out as soon as they get rid of Johnson and get a sound Loco-foco in.

We are led to this review of the history of the *Republican* and its owners and publishers to refresh the memory of the Republicans of the county, and because we consider it our duty to reply to an article in that paper last week regarding the candidates for Senate in our party. We consider any advice from such a source not only insolent and impertinent but unfortunate for the gentlemen who are cursed by the praises of that paper. In that article Prof. Wilson and Dr. Sterrett are recommended to the Republicans of this county for the office of Senator and so good, true and brave a man as Colonel Robison cowardly abused and pronounced unfit. We are sorry that two such good

men as Wilson and Sterrett should be injured by the support of such people, and we congratulate Col. Robison on his good luck in securing their curses.

The Republicans of this county do not ask Allison and Davis to tell them who they should select as their candidates. It is a strong argument against any man who would be thought acceptable to them.—Andy Johnson cheated us so badly we want men "beyond suspicion."

In this contest for Senator we will take no part, only we wish to protect Prof. Wilson and Dr. Sterrett from the injury these fellows are trying to do them. We know them both too well to even suspect they would turn Johnson on our hands if elected, or that such men as Allison and Davis would control them. We hope, for their sakes, that next week's *Republican* will denounce them, and thus remove any ground of suspicion. We are confident they are reliable men and do not wish support from so suspicious a quarter. If the Republicans of the county supposed for one moment that either were tainted with Johnsonism they would not give them any support. As for Col. Robison he needs no defense from us. The abuse and curses of the *Republican* are sufficient to satisfy the party that he is not the choice of Johnson & Co. He hated rebels and fought them nobly, but as Allison and Davis liked rebels they would not fight them in the field, and are now trying to help them by sustaining Andy Johnson. Let the people say whether he is competent to fill the office of Senator.—

He was one of our most gallant soldiers; a favorite in the army; is a good citizen; is a man of sound judgment and every way qualified for the position. True, he will not get drunk; is not a common blackguard; did not run with the 11th corps at Chancellorsville; did not tear off his shoulder straps to hide his rank; did not break his sword, throw it away and run like a coward, and then cry with sore heels. He did not leave the ranks and act as clerk for the regimental commissary—and when the fight commenced, hide behind the beef wagon and suck the whisky barrels. Had he done all these like some other people perhaps, in their estimation, he would be fit for Senator.

The excuse for this attempt to injure Prof. Wilson and Dr. Sterrett by praising them, and to aid Colonel Robison by abusing him, is that Col. Patterson bro't him out, and for the purpose of selling out the county. Colonel Robison was brought out by his friends. We received three communications in one week from soldiers in favor of Col. Robison. Col. Patterson had nothing whatever to do with it and knew nothing of it until we showed him the communications. No man can charge Col. Patterson with ever selling out the county. He has always been true to the party and county, and has always taken a pride in seeing the interests of the party and county advanced. The people will know this, and never have refused to give him a nomination when he asked it. No matter what misfortune befell him he always turns in and supports the ticket, and thus proves his devotion to his party. Whoever is the nominee of this county will receive his support cheerfully and will need it.

"THE CAT OUT OF THE BAG."
The *Republican* "lets the cat out of the bag" before it closed its article, by advising the friends of Wilson and Sterrett, if they get defeated, to bolt and defeat the ticket by electing Loco-focos.—No, sir, you did that yourselves until you were run out of the party, and you want to drag out some good men with you. In this you will fail. The last experiment in bolting was a sad one for the party in this county and will not be repeated by the same parties soon again.

Now the truth is the *Republican* wants to help to elect Ez. Parker Senator, and hopes to get up a fight in our party. You can't do it. No true Republican will be seen with you, and all scorn your advice. Your little miserable clique left the party last year for its good. You are out and we intend to keep you out. You have no voice in the affairs of our party, and it is insolence and impertinence in you to presume to talk to Republicans. You can't elect Ez. Parker to the Senate until after he "marches that army of his on Washington and dethrones the tyrant Lincoln," as he said in one of his speeches during the war.

The Republicans of this county will select their own candidates and will elect them without the aid of any dirty, scurvy Johnson men. We will have harmony in our party, as we have got rid of all the fools and blackguards with which we unfortunately were cursed. We thank Johnson for taking them off our hands. The Loco-focos say you shall not take part with them, so you miserable creatures must stay out in the cold. No one wants to join or meddle with your Johnson party, and you will not be permitted to interfere in either the Republican or Loco-foco party.

We beg that you will continue to abuse Col. Robison and the editor of this paper, and hope you will not injure Prof. Wilson and Dr. Sterrett any more by your praise. They know too well that your endorsement will not commend them to the good and true Republicans of Juniata county when they come to select their nominees. We, therefore, for their sakes, ask that you cease your praise, and in your first issue abuse them in your usual coarse and vulgar style.

MEETING OF SENATORIAL DELEGATES.

The Delegates of this Senatorial District, composed of the counties of Blair, Centre, Huntingdon, Mifflin, Juniata and Perry, assembled at Lewistown, on Wednesday, the 12th, inst., at 2 o'clock P. M. On motion, Joseph G. Adlem, of Blair county, was chosen as President and R. McDevitt, of Huntingdon county, Sec'y.

The delegates from the different counties presented their credentials as follows: Centre county, Edmund Blanchard, Esq. John T. Johnston, Esq., and Robert H. Duncan, Esq. Blair county, Maj. B. L. Hewitt, Jos. G. Adlem, Esq. Huntingdon county, Geo. W. Johnston, R. McDevitt and W. J. Cunningham. Mifflin county, A. W. Mitchell, Col. F. P. McCoy, D. D. Motherbaugh. Juniata county, J. N. Moore. P. S. Liggett and B. F. Schrier.

On motion, Mr. Hewitt of Blair county was permitted to cast the vote for Mr. Barley who was absent.

On motion the Convention then proceeded to the nomination of Senatorial Delegates. The following gentlemen were then nominated and voted for, with the following result: John Scott, of Huntingdon, 11, Edward Blanchard, of Centre, 12, Geo. W. Johnston, of Huntingdon, 7.—John Scott, Esq. and Edward Blanchard, Esq., received the highest number of votes were declared the choice of the Convention, and on motion, the delegates, be left to their own judgment as to their further course after the first ballot.

JOS. G. ADELM, Pres.
R. McDEVITT, Sec'y.

The Representative Delegates met at the same time and place and organized by electing J. A. Nash, Esq., of Huntingdon, President, and Dr. S. O. Kempher, of Juniata, Secretary. Full delegations from Huntingdon, Mifflin and Juniata, were present. Messrs. P. M. Lytle, of Huntingdon county, and James Mann, of Mifflin county, were elected as Representative Delegates to the State Convention, and instructed to cast the vote of the District for Judge Taylor of Huntingdon, and as a second choice, for Judge Linn of Centre. J. A. NASH, Pres't.
S. O. KEMPFER, Sec'y.

ATTORNEY GENERAL STANBURY'S opinion of the reconstruction act is before the people. Its main feature is, that the military authorities in the lately revolted States have no power to remove civil State officers elected by the people, or deriving their existence from those thus elected; that the military are only to be regarded as in the position of a *police* to act when called on by the civil State officers. This construction embraces the spirit of the Attorney General's opinion, and if carried out, will of course place the South completely within the control of traitors.—But such a result was aimed at, when Mr. Johnson asked the Attorney General to make up his opinion.

THE COPPERHEAD ORGANS accept the platform of the late Copperhead State Convention like a weary man takes an addition to the load he is compelled to carry—with a groan. It is decidedly the heaviest load of political principles(?) ever sent forth by any convention for the endorsement of a people.

ANNOUNCEMENT.

Legislature
One year ago the Republicans of our county placed before the people for Legislative honors Capt. H. H. Wilson, and by declaring for him without a dissenting vote his friends hoped to secure to him the district nomination. With the prestige which only unanimity and enthusiasm among friends can give, he was presented to the district conference but to the chagrin of his friends he was rejected by a process of which it is not our business to speak. Again, all those of his former friends who have spoken to the writer relative to candidates for the lower House of Legislature, have spoken favorably of this gallant soldier who has ever since he attained his majority been faithful to his early political convictions, and when rebellion reared its dreadful, bloody form and when rebel friends croaked and declared that the end of this Government had come, he stood not among the weak and appalled. But it is not our purpose to write an article eulogistic of Captain Wilson's ability, faithfulness and bravery—such an article we believe would be exceedingly unpleasant to him. We then simply suggest him as a suitable man upon whom the convention soon to assemble may without detriment to itself or the party which it represents confer the honor of a nomination for Legislature.

Our Next Senators.

The importance of securing good and able men as candidates for this responsible office can hardly be over-estimated. Our district is, confessedly, a very close one. We can all recall the anxiety which we felt for the result at the last election. Nor can we shut our eyes now to the fact, that if we wish to elect our men, we must nominate the strongest and most available men that can be found in the district. In large intercourse with the people of this and other counties composing this Senatorial District, we have frequently heard the name of DAVID WILSON mentioned as a gentleman eminently qualified for this responsible post. Mr. Wilson, by virtue of his business habits, talents and education, would make an able Representative; and having resided for a considerable time in the counties that compose the District, and being very generally and favorably known throughout all this portion of the State, we think he is the man to be offered by our County as one of the candidates; and for this purpose he will be sustained by
MAY.

SENATORIAL.

CAPT. H. H. WILSON.—Dear Sir:—As the time is approaching for nominating suitable persons for the various offices to be voted for this fall, I would, through your columns, respectfully suggest to the consideration of the Nominating Convention Dr. J. P. STERRETT as a person eminently qualified for the position of State Senator. The Doctor is well-known throughout the District, and it is unnecessary to say anything at length in regard to his views on the great and leading questions which are agitating our country. He has always been a true Republican, and firm in advocating such measures as promote the interests and tend to the perpetuity of this great Republic.
LACK.

Sheriff.

CAPT. H. H. WILSON.—Dear Sir:—As the time is fast approaching when nominations are to be made for the various offices to be filled at the next general election, and it behooves us to present the best men if we will expect to succeed at the polls, allow us, therefore, to bring before the public the name of SOLOMON UPRIGROVE, of Susquehanna township, as a suitable candidate for Sheriff—subject to the decision of the nominating convention. Mr. Uprigrove is, and always has been, a staunch Republican, and possesses all the necessary qualifications for said office, and if nominated will, no doubt, add considerably to the strength of the ticket in the east end of the county.
SUSQUEHANNA.

Senator

CAPT. H. H. WILSON.—As the time is fast approaching for the selection of suitable persons for the various offices to be filled this fall, allow me to suggest the name of Colonel J. K. ROBINSON as a person fully qualified for the position of State Senator, subject to the decision of the Republican nominating convention. The Colonel's views are well known in regard to the momentous issues now agitating the nation, with reference to a practical solution of our national difficulties. Colonel Robinson served with distinction throughout the entire war and was a gallant and fearless soldier.
MIDDLE DIVISION.

Assembly

We desire to offer to the people of Juniata county the name of JOHN PATTERSON, of Penn Mills, Lack township, as a suitable person to receive the nomination for the office of Assembly. Mr. Patterson possesses rare qualifications for this position, has been a life-long and consistent supporter of the party, has never asked for an office from the people, and among the masses there are few men that have more friends. We believe that his nomination at this time would add considerable strength to the ticket, and be very acceptable to a large portion of the
PEOPLE.

Legislator

CAPT. H. H. WILSON.—As the time has already arrived for the announcement of the different offices at the coming election, permit us to suggest to the consideration of the Republican nominating convention the name of JOSEPH L. STREWART, of Perryville, as a suitable person to represent the interests of Juniata county in the Legislature.
TUSCARORA TOWNSHIP.

SHERIFF.

CAPT. H. H. WILSON.—Dear Sir:—As the time is fast approaching when proper persons should be selected for the different offices to be filled this coming fall, allow me to name PETER CARSTENER, of Monroe township, as a candidate for Sheriff, subject to the decision of the Republican Nominating Convention.
EAST END.

Auditor.

Permit me to recommend to the party CYRUS WRENS, of Fernseng township, for nomination for County Auditor, subject to the decision of the Republican Nominating Convention.
