Reference is directed to the advertisement of Mr. John Laird, Principal of the Lewistown Academy. This gentleman stands in the front rank as a teacher, and we bespeak for him a large school.

ANDREW Jourson is reported to have declared that he would resign if his last veto was treated to a two-thirds vote. If the report is a true one, Johnson has been true as ever to his propensity for lying, because he has not resigned.

MR. H. B ZIMMERMAN, well known throughout the county as a Teacher of public schools, and who has for some time been a resident of our borough, has gone to Bloody Run, Bedford county. He served one term (three years) as County Superintendent, and, we believe, gave general satisfaction. He is a geatleman of high intellectual abilities, and we wish him abundant success in his new location-

In the case of Maria Young, charged with the poisoning of her father, John Young, in Hollidaysburg, some months ago, it has been found, after a careful analysis of the stomach and its contents by Prof Rodgers, of Philadelphia, that there were no traces of either vegetable or mineral poison therein. The District Attorney, by leave of Court, entered a nolle prosequi, and the prisoner was discharged from custody -Mt. Union Times
