Pannsylvania House, Patterson, Jan. 28, '67. J. B. M. Topp, Esq. This is to certify that the Doty's Clothes Washer and Wringer I purchased from you, will do all that is recomended if the direction for washing is strictly observed, especially for heavy clothing, one person can wash as much in an hour with ease as they would do in six hours by hand or common rubber. It is a great saver of clothes and time. There is neither friction in washing or strain in wringing. Boys or Girls of 12 to 14 years old can do the washing.

Mr. J. B. M. Topp — Sar: Since I have purchased Doty's Clothes Washer and Wring-er from you, wash-day is no more dreaded by my wife as my little girl 11 years of age can do my washing of 2 persons, in from two to three hours, which used to take my wife all day. I can cheerfully recommend every per-son to go to J. B. M. Todd's, and get a Washcr and Wringer as I am confident that you can save the price of the Machine in less than one year in the saving of the of the wearing of clothes as they are washed with out rubbing.
