A Young Lady returning to her country home, after a sojourn of a few months in the City, was hardly recognized by her friends. In place of a coarse, rustic, flushed face, she had a soft raven complexion of almost marble smoothness, and instead of twenty-three she really appeared but eighteen. Upon inquiry as to the cause of so great a change, she plainly told them that she used the Circassian Balm, and considered it an invaluable acquisition to any lady's toilet. By its use any lady or gentleman can improve their personal appearance an hundred fold.—It is simple in its combination, as Nature herself is simple, yet unsurpassed in its efficacy in drawing impurities from, also healing, cleansing and beautifying the skin and complexion. By its direction on the cuticle it draws from it all its impurities, kindly healing the same, and leaving the surface as Nature intended it should be, clear, soft, smooth and beautiful. Price \$1, sent by mail or express, on receipt of an order by W. L. CLARK & CO., Chemists, No. 3 West Fayette St., Syracuse, N. Y. The only American Agents for the sale of the same. [Feb. 20, 1867-ly]

A GREAT DISCOVERY.—One of the greatest and most useful discoveries in medical science was made by the celebrated Dr. J. Dupuy, of Paris, Chief Physician to the Imperial Infirmary of France, in 1807. Those who have been afflicted with the painful disease known as the Pills, and effectually cured by the use of Dr. J. DUPUY'S FRANKLIN PILLS, cannot speak too highly of the benefits conferred upon them by the use of the certain remedy. It has never been known to fail in effecting a permanent cure in a single case. In this respect it surpasses all other medicines of the kind. It will do just what it is recommended for; if not the money will be refunded. One or two boxes is sufficient to effect a permanent cure in four or six days, if the directions on the boxes are followed. Price one and two dollars per box, according to size. Sent by Mail or Express to any part of the United States or Canada. Sold by Druggists generally. A liberal discount made to the trade. Address D. S. DUNHAM & Co. Williamsport, Pa., Sole Proprietors and Manufactory for the United States and Canada. Dec. 5-'66.

SCHEWENK'S SHAWED TONIC. This medicine, invented by Dr. J. H. Schewenk, of Philadelphia, is intended to dissolve the food and assist in the first process of digestion, by cleansing the stomach with Schewenk's Mandrake Pills, the Tonic soon restores the appetite, and food that could not be eaten before using it will be easily digested. Consumption cannot be cured by Schewenk's Patent Syrup unless the stomach and liver be made healthy and the appetite restored; hence the Tonic and Pills are required in nearly every case of consumption. A half dozen bottles of the SHAWED TONIC and three or four boxes of the MANDRAKE PILLS will cure any ordinary case of dyspepsia. Dr. Schewenk makes professional visits in New York, Boston, and at his principal office in Philadelphia every week. See last papers of each place, or his pamphlet on consumption for his mode of visitation. Place always, when purchasing, that the likeness of the Doctor, one who in the last stage of Consumption, and the other as he now is, in perfect health, are on the Government stamp. Sold by all Druggists and Dealers, price \$1.50 per bottle, or \$7.50 the half-dozen. All letters for advice should be addressed to Dr. Schewenk's Principal Office, No. 15 North Third Street, Philadelphia, Pa. General Wholesale Agents: James H. & Co., N. Y.; H. S.
