DR. SCHENCK'S PULMONIC SYRUP.

This great medicine cured Dr. J. H. SORNES, the Preprietor, of Palmouary Consumption, when it had assumed its most formidable aspect, and when queedy death appeared to be theritable. His physicians prenounced his case incurable when he commenced the use of this simple but powerful remedy. His health was restored in a very short time, and no return of the disease has been apprehended, for all the symptoms quickly disappeared, and his present weight is more than two hundred pounds.

Since his recovery, he has devoted his attention exclusively to the cure of Consumption and the the cures effected by his medicines have been very numerous and truly wonderful. Dr. Scheneg makes professional visits to several of the larger cities and it is truly astonishing to see poor consumptives that have to be lifted out of their carriages, and in a few months healthy, robust persons. Da. SCHENCK'S PULMONIC SYRUP, BEAWEED TONIC, and MANDRAKE PILLS are generally all required in curing Consumption. Fall direc-tions accompany each, so that any one can take them without seeing Dr. Schusson, but when it is convenient it is best to see him. He gives advice trea but for a thorough examination with his Respiremental his fee is three deliars.

Please observe, when purchasing that the two likenesses of the Doctor—one when in the last stage of Consumption, and the other as he new is, in perfect health—are on the Government stamp.
