

The Juniata Sentinel.

WEDNESDAY MORNING, October 9, 1867.
TOWN AND COUNTRY.

FROST.—We have had several very severe frosts during the past week, causing the flowers and vegetation to droop and die. We understand the corn folder is somewhat injured.

VALUABLE PROPERTY AT PRIVATE SALE.—Persons desiring to purchase an beautiful and pleasant house would do well to call upon Dr. Klemperer, as he offers for sale his fine residence in the Borough of Patterson. Sept. 4, 1867-*sf.*

GRAIN WANTED.—The undersigned having been appointed Agent by Noah Hertzler, will purchase all kinds of Grain at Thompsontown. Persons having Grain to sell will find it to their advantage to give me a call.

Sept. 25-*sf.* • JACOB W. KURTZ.

IMPORTANT TO SCHOOL BOARDS.—The Superintendent of common Schools of this State has decided that "only one minimum occupation tax of one dollar can be levied upon a resident male taxable in one year." The decision was elicited by an inquiry as to whether a tax of a dollar on occupation for common school purposes and one of same amount for building purposes could be levied the same year.

NEW STOVES.—In another column will be found an advertisement of the celebrated "Improved Oriental Base Burning Coal Stoves and Parlor Furnaces." A number of these stores are in use in this place, and those who have gave them a trial speak of them in the highest terms. They are neat and are a great saving in coal. Persons who have the common coal stoves are getting the Oriental in their stead. Call at the Foundry and see for yourselves.

SAD ACCIDENT.—On Wednesday last little Johnny, son of John M. McCoy, residing at the Lock above this place, who had been playing about the brick making machine, near his home, unheeded by the persons employed in running it, attempted to scarp the clay from the cylinder when his left hand was caught in one of the molds, cutting it off. He was taken home where the wound was properly dressed by Dr. Crawford. The little fellow is getting along finely and bears up remarkably well under his sad misfortune.

RAILROAD ACCIDENT.—On Tuesday of last week as the evening train was leaving Patterson station going west, a soldier who was on his way to the Plains with a lot of recruits from Carlisle Barracks, attempted to get on the train while in motion, and losing his hold, fell under the train, one car passing over and crushing one leg and considerably injuring the other. He was removed to the Patterson House, where he lingered until Wednesday night, when death put an end to his sufferings. It appears he got off the train to get a glass of whisky, and as the train did not stop long, he was a little late in reaching it. One glass of whisky cost this man his life. He had been seventeen years in the military service of the United States, and passed through the late rebellion without receiving any injury. Histories were taken to Carlisle Barracks where they were entered with military honor.

Married.

On the 3d inst., by Rev. J. A. McGill, Mr. ALFRED J. PATTERSON, of Pleasant View, to Miss BELLA A. ENNIS, of McCaysville
