THE East Juniata District Convention of Good Templars will meet at Duncannon, on Wednesday, November 13th, next, at 2 o'clock, P. M. The public meeting will be held on Wednesday night. Addresses will be delivered by Dr. Jewett and Rev. Dr. Riley.

BASE BALL.—A game of base ball was played by the first nine of the Meteors of Mifflin, and the first nine of the Junior Mechanics of Patterson, on Saturday last, resulting in a victory for the Junior Mechanics, the game standing at the ninth inning, Junior Mechanics 48, Meteors 28

A CLERGYMAN writing a friend, says My voyage to Europe is indefinitely postponed. I have discovered the 'fountain of health' on this side of the Atlantic.—Three bottles of the Peruvian Syrup have rescued me from the fangs of the fiend Dyspepsia. Dyspeptics should drink from this fountain.

A CURE FOR FELON.—One of the most annoying of so-called "little" troubles is a felon, and a genuine remedy is worth circulating. One who has tried it says that a poultice of onions, applied morning, noon and night, will cure a felon. No matter how bad the case, lancing the finger will be unnecessary if this poultice be used. The remedy is a sure, safe and speedy one.

CHANGEABLE.—The changeable and unpleasant weather which has continued for the last several days should remind our readers that it is time to make their winter purchases at once. Jos. Pennell has the largest stock of Dry Goods, Groceries, &c in the county, and at low figures. Call in and price his goods. You will find him at the old stand in Patterson.

READ IT.—In another column will be found the new advertisement of J. B. M. Todd. He is selling goods cheap as dirt, and has the largest stock and best variety in the county. Don't fail to read his advertisement and then go and see his stock of goods. No charge for showing them.

For all bills purchased amounting to ten dollars and upward he takes off five per cent.

MR. A. B. FASICK, having purchased one of Singer's Sewing Machines, is now fully prepared to manufacture fancy Boots and Shoes, at his establishment, on the corner of Main and Bridge streets. He also keeps Cork Soles for sale. They are neat, and can be worn in any boot or shoe Ladies who wear light shoes should not fail to wear the cork soles, as they are a sure safe-guard against dampness and wet. Price only 25cents. Call in and see 'Brit,' for we feel confident he can accommodate all.

PAYING SUBSCRIPTION.—There is no person who takes his county paper who is not able to pay for it in *advance*, and it would be much better if they would do so. A year's subscription is a small sum to pay for a paper, but when it is left unpaid and runs along for two, three and four years the subscribers think it impossible that they have taken the paper so long without paying for it. Reader, do you owe any thing for the JUNIATA SENTINEL? If you do, we would like to have it.

THE seventh semi-centennial jubilee of the Reformation, held by the Lutherean church throughout the world every fiftieth year, in commemoration of the commencement of the Reformation by Luther nailing his nicty-five theses upon the church door at Witteaburg, October 31, 1517, was observed with appropriate religious services in the Lutheran Church of this place, on Thursday morning and evening last. The walls of the church were handsomely decorated, presenting a neat appearance, and reflected credit on those engaged in the work. Addresses were delivered by Revs. Reinemsnider and Anthony.

NOW READY.—Frank, Cook & Co., are now ready to supply all their old customers, and a great many new ones, with the cheapest and best dry goods, groceries, boots, shoes, etc., ever brought from the eastern markets. They are making such rapid sales that their market car is kept constantly running to the city to supply them with new goods.

GRANT CLUB.—At a meeting held on Saturday evening for the purpose of forming a "Grant Club," an organization was effected by selecting the following named persons as temporary officers:

President, John McKinley, Secretary, E. W. H. Kreider.

On motion of M. L. Littlefield, a committee of three were appointed to draft a Constitution and By-Laws to govern Club, when the President appointed Messrs. M. L. Littlefield, E. W. H. Kreider and B. F. Walters.

The Club then proceed to elect permanent officers, when the following persons were duly elected: President, Capt. F. M. Mickey, Vice Presidents, Capt. C. McClellan and Abram Moist, Treasurer, John McKinley, Secretary, E. W. H. Kreider.

The President appointed the following Executive Committee: Capt. H. H. Wilson, B. F. Walters, Jacob Bergey, B. F. Schweier and Solomon Books

On motion, the Club adjourned to meet in the SENTINEL Office on Saturday evening, Nov. 9th at 7 o'clock.

The friends of the Republican party, and those favorable for General Grant for the Presidency are earnestly invited to attend.

E. W. H. KREIDER, Sec'y.

Special Notices.

Wister's Balsam of Wild Cherry.

This remedy has long been cherished by the community for its remarkable efficacy in relieving, healing and curing the most obstinate, painful and long-standing cases of *Cough, Cold, Influenza, Sore Throat, Bronchitis, Whooping Cough, Croup, Asthma Inflamation* of the *Lungs*; while even *Consumption* itself has yielded to its magic influence when all other means have failed. Its whole history proves that the past has produced no remedy of equal value, as a cure for the numerous and dangerous pulmonary affections which prevail all over the land

Unsolicited Testimony,

From ANDREW ARCHER, Esq. of Fairfield, Me.

"About eight years since my son, Henry A Archer, now at Fairfield, Somerset county, Me. was attacked with spitting of blood, cough, weakness of Lungs, and general debility, so much so that our family physician declared him to have a "Seated Consumption" He was under medical treatment for a number of months, but received no benefit from it.—At length, from the solicitation of himself and others, I was induced to purchase one bottle of WISTAR'S BALSAM OF WILD CHERRY, which benefited him so much I obtained another bottle, which in a short time restored him to his usual state of health. I think I can safely recommend this remedy to others in like condition, for it is I think, all it purports to be—THE GREAT LUNG REMEDY FOR THE TIMES! The above statement, gentlemen, is my *voluntary* offering to you in favor of your Balsam, and is at your disposal."

Grace's Celebrated Salve.

AMESBURY, Mass, Oct., 15th 1867.

Mr. Grace—Dear Sir:—Having been afflicted grievously for several weeks with a severe abscess upon my side, I used several remedies for its eradication without receiving any relief, until I applied your salve, which effected a speedy and permanent cure. I therefore feel happy to certify my confidence in its virtues Yours with respect.

☞A Young Lady returning to her country home, after a sojourn of a few months in the City, was hardly recognised by her friends. In place of a coarse, rustic, flushed face, she had a soft ruby complexion of almost marble smoothness, and instead of twenty-three she really appeared but eighteen. Upon inquiry as to the cause of so great achange, she plainly told them that she used the **Circassian Balm**, and considered it an invaluable acquisition to any lady's toilet. By its use any lady or gentleman can improve their personal appearance an hundred fold.—It is simple in its combination, as Nature herself is simple, yet unsurpassed in its efficacy in drawing impurities from, also healing cleansing and beautifying the skin and complexion. By its direct action on the cuticle it draws from it all its impurities, kindly healing the same, and leaving the surface as Nature intended it should be, clear, soft, smooth and beautiful. A GREAT DISCOVERY.—One of the greatest and most useful discoveries in medical science was made by the celebrated Dr. J. Duman, of Paris, Chief Physician to the Imperial Infirmity of France, in 1861. Those who have been afflicted with the painful disease known as the Piles, and effectually cured by the use of Dr. J. DUMAN' FRENCH PILE SALVE, cannot speak too highly of the benefits conferred upon them by the use of the certain remedy. It has never been known to fail in effecting a permanent cure in a single case. In this respect it surpasses all other medicines of the kind. It will do just what it is recommended for; if not the money will be refunded. One or two boxes is sufficient to effect a permanent cure in four or six days, if the directions on the boxes are followed.—Price one and two dollars per box, according to size. Sent by Mail or Express to any part of the United States or Canada. Sold by Druggists generally. A liberal discount made to the trade. Address D. S. DUNHAM & Co. SCHENCK'S SEAWEED TONIC.

This medicine, invented by Dr. J. H. Schenck, of Philadelphia, is intended to dissolve the food and make it into chyme, the first process of digestion. By combining the stomach with Schenck's Mandrake Pills, the Tonic soon restores the appetite, and food that could not be eaten before using it will be easily digested.

Consumption cannot be cured by Schenck's Pulmonic Syrup unless the stomach and liver is made healthy and the appetite restored, hence the Tonic and Pills are required in nearly every case of consumption. A full dozen bottles of the SEAWEED TONIC and three or four boxes of the MANDRAKE PILLS will cure any ordinary case of dyspepsia.

Dr. Schenck makes professional visits to New York, Boston, and at his principal Office in Philadelphia every week. See daily papers of each place, or his pamphlet on consumption for the days for visitation.

Please observe, when purchasing, that the two likenesses of the Doctor, one when in the last stage of Consumption, and the other as he now is, in perfect health, across the Government stamp.

Sold by all Druggists and Dealers, price $1.50 per bottle, or $7.50 the half-dozen. All letters for advice should be addressed to Dr. Schenck's Principal Office, No. 15 North 6th Street, Philadelphia, Pa.
