DEER.—Mr. Richard Doyle informs us that, in company with several other gentlemen, they succeeded in killing three deer, one day last week, on Black Log Mountain. The 'Squire says that wild turkeys are numerous in that locality, and he has also bagged several of them.

A "Wolverine" attracted a crowd in Buffalo, by perambulating up and down the sidewalk, with an immense ox chain around his neck, to each end of which was haltered a pet black bear, about six months old. Joe. Pennell attracts crowds of customers by selling Dry Goods, Groceries, &c., cheaper than they can be bought elsewhere outside of Philadelphia. Step into his store and try him.

MR. G. W. LLOYD, County Superintendent, informs us that the time of commencing the Teachers Institute, as published on our first page, has been changed from 10 A. M., to 1 o'clock, P. M. The attendance at the Institutes formerly held in this place was not as good as was expected, and we hope that School Directors, Teachers, and the friends of education will make it convenient to be present. Several eminent speakers will be present, and a good time is expected.

The *Juniata Republican* says that the 16 per cent. dividend in one year declared by the Mifflintown Bridge Company is "a high tribute to the worth, zeal and integrity of the managers." Wouldn't imposition and cupidity read better than "worth, zeal and integrity?"

When farming products are high, the copperhead democracy tells the farmers "we are your friends and did the good deed;" but then the laboring man grumbles, and lo! the same democracy tells him "vote our ticket, we are for low prices, and besides these high rates are all owing to the rascally republicans!"—*Lewistown Gazette.*

THE latest improvements in stock is a new breed of cats in Vermont, which have tails only an inch long. The advantages claimed for such tails is, that they cannot get under a rocking chair or be stepped upon, and that the door can be closed quicker when they go out. Our friend Samuel Strayer, the clever and obliging Clothing Merchant, in Patterson, has some fine Robes made of Cat Skins of this kind, also a fine stock of Clothing at reduced prices. Boots, Shoes, Hats and Caps with a large and varied assortment of Ladies' Furs, Cloaks, &c. Give him a call if you wish to purchase cheap winter clothing.

NOTICE.—It has been customary for our merchants to give notice through the papers that they would close their places of business on Thanksgiving day, and when the day came the front part of their stores presented a Sunday-like appearance, while many of them would be ready and willing to accommodate all who would enter in the rear. Our friends in the country will please take notice that this time no person "need apply," as the stores will be closed in reality. The following persons have agreed to close their places of business, in Mifflintown, on Thanksgiving day, Thursday the 28th inst:

WONDERFUL, YET TRUE!—Dr. Valentine, the celebrated Electro Pathetist, who cures diseases by the laying on of hand, has recently been in Chambersburg, Carlisle and York, performing cures that seems miraculous. Below we give one among many of his sworn certificates:

STATE OF PENNA. }
YORK COUNTY SS. }

Before me a Justice of the Peace in and for said county personally came PHILIP HOFFMAN, of York township, in the county and State aforesaid, also being duly sworn, deposes and says, that for fifteen years he has been deaf, caused by a disease of the head, and that he called on Dr Valentine, on the 25th day of July, at York Borough, and was instantly relieved and permanently cured in the course of ten days, and further saith not. PHILIP HOFFMAN.

Sworn and subscribed to before me this 3d day of August, A. D. 1867.

JOHN A. METZELL, J. P.,

☞ The following is a few of the cures made in Duncannon:—Mr. John Gelbaugh's daughter, 14 years old, unable to walk from birth, the third day could walk across the floor alone. Napoleon Parson, disease of kidneys for two years, instantly healed. G. W. Stone, disease of kidneys four years; Dillville P. O. Catharine Sparr, consumption; rapidly improving. The above cures are vouched for by H. Stevenson proprietor of Washington House, Duncannon. The patients themselves will answer any inquiries.

## Special Notices.

☞ A Young Lady returning to her country home, after a sojourn of a few months in the City, was hardly recognised by her friends. In place of a coarse, rustic, flushed face, she had a soft, ruby complexion of almost marble smoothness, and instead of twenty-three she really appeared but eighteen. Upon inquiry as to the cause of so great a change, she plainly told them that she used the **Circassian Balm,** and considered it an invaluable acquisition to any lady's toilet. By its use any lady or gentleman can improve their personal appearance an hundred fold.—It is simple in its combination, as Nature herself is simple, yet unsurpassed in its efficacy in drawing impurities from, also healing, cleansing and beautifying the skin and complexion. By its direct action on the cuticle it draws from it all its impurities, kindly healing the same, and leaving the surface as Nature intended it should be, clear, soft, smooth and beautiful. Price $1, sent by mail or express, on receipt of an order by

A GREAT DISCOVERY.—One of the greatest and most useful discoveries in medical science was made by the celebrated Dr. J. Duman, of Paris, Chief Physician to the Imperial Infirmity of France, in 1861. Those who have been afflicted with the painful disease known as the Pills, and effectually cured by the use of DR. J. DUMAN' FRENCH PILE SALVE, cannot speak too highly of the benefits conferred upon them by the use of the certain remedy. It has never been known to fail in effecting a permanent cure in a single case. In this respect it surpasses all other medicines of the kind. It will do just what it is recommended for; if not the money will be refunded. One or two boxes is sufficient to effect a permanent cure in four or six days, if the directions on the boxes are followed.—Price one and two dollars per box, according to size. Sent by Mail or Express to any part of the United States or Canada. Sold by Druggists generally. A liberal discount made to the trade. Address D. S. DURHAM & Co. Williamsport, Pa., sole Proprietors and Manufacturers for the United States and Canada. dec. 5–'66.

### Unsolicited Testimony.

From ANDREW ARCHER, Esq. of Fairfield, Me.

"About eight years since my son, Henry A Archer, now at Fairfield, Somerset county, Me. was attacked with spitting of blood, cough, weakness of Lungs, and general debility, so much so that our family physician declared him to have a "Seated Consumption" He was under medical treatment for a number of months, but received no benefit from it.—At length, from the solicitation of himself and others, I was induced to purchase one bottle of WISTAR'S BALSAM OF WILD CHERRY, which benefited him so much I obtained another bottle, which in a short time restored him to his usual state of health. I think I can safely recommend this remedy to others in like condition, for it is I think, all it purports to be—THE GREAT LUNG REMEDY FOR THE TIMES! The above statement, gentlemen, is my *voluntary* offering to you in favor of your Balsam, and is at your disposal."

Prepared by SETH W. FOWLE & SON, 18 Tremont St., Boston, and for sale by Druggists generally. [aov. 6, 1867–1m.

### ERRORS OF YOUTH.

A Gentleman who suffered for years from Nervous Debility, Premature Decay, and all the effects of youthful indiscretion, will, for the sake of suffering humanity, send free to all who need it, the recipe and directions for making the simple remedy by which he was cured. Sufferers wishing to profit by the advertiser's experience, can do so by addressing, in perfect confidence,

JOHN B. OGDEN,

### Wistar's Balsam of Wild Cherry.

This remedy has long been cherished by the community for its remarkable efficacy in relieving, healing and curing the most obstinate, painful and long-standing cases of *Cough, Cold, Influenza, Sore Throat, Bronchitis, Whooping Cough, Croup, Asthma Inflammation* of the *Lungs;* while even *Consumption* itself has yielded to its magic influence when all other means have failed. Its whole history proves that the past has produced no remedy of equal value, as a cure for the numerous and dangerous pulmonary affections which prevail all over the land

### DR. SCHENCK'S PULMONIC SYRUP.

This great medicine cured Dr. J. H. Schenck, the Proprietor, of Pulmonary Consumption, when it had assumed its most formidable aspect, and when death appeared to be inevitable. His physicians pronounced his case incurable when he commenced the use of this simple but powerful remedy. His health was restored in a very short time, and no return of the disease has been apprehended, for all the symptoms quickly disappeared, and his present weight is more than two hundred pounds.

Since his recovery, he has devoted his attention exclusively to the cure of Consumption and the diseases which are usually complicated with it, and the cures effected by his medicines have been very numerous and truly wonderful. Dr. Schenck realizes professional visits to several of the larger cities weekly, where he has a large concourse of patients, and it is truly astonishing to see poor consumptives as they have to be lifted out of their carriages, and in a few months healthy, robust persons. DR. SCHENCK'S PULMONIC SYRUP, SEAWEED TONIC, and MANDRAKE PILLS are generally all required during Consumption. Full directions accompany each, so that any one can take them without seeing Dr. Schenck, but when it is convenient it is best to see him. He gives advice free, but for a thorough examination with his Respirometer he charges five dollars.

Please observe, when purchasing, that the two likenesses of the Doctor—one when in the last stage of Consumption, and the other as he now is in perfect health—are on the Government stamp.

Sold by all Druggists and Dealers. Price $1.50 per bottle, or $7.50 the half dozen. Letters for advice should always be directed to Dr. Schenck's Principal Office, 15 North 6th St., Philadelphia, Pa.
