TOWN AND COUNTRY.

FOR SALE CHEAP.—A Life Scholarship in J. C. Mumford's Business and Telegraph College at Philadelphia. A fine chance for a young man that wishes to prepare himself for business. Inquire at the SENTINEL Office.

WANTED—At this office—a boy between the age of 14 and 18 to learn the printing business. Appiy soon.

FREDERICK DEARING, of Tuscarora township, and a soldier of the War of 1812, died on last Sunday, December 1st, aged 82 years and seven months.

HUNTING.—One day last week eight of our sportsmen spent a day on Black Log Mountain *hunting* deer and turkies. They returned in the evening with sixteen sore feet and three small squirrels.

THANKSGIVING DAY.—This day was generally observed in our two boroughs. During the day and evening services were held in the different churches. The stores were closed, and business was generally suspended.

A GREAT RUSH.—People still continue to flock to Joe Pennell's Store for cheap goods, and Joe is kept busy all the time ordering fresh supplies from the city. Somehow or other people will find out where to get goods at fair prices.

A movement has been made to build a new Presbyterian Church in this place.—The old building has become very much delapidated, and the congregation is greatly in need of a church. They are wealthy, and if they do build a new church, we have no doubt, it will an ornament to the town.

THE MOST UNHAPPY PERSON in the world is the Dyspeptic. Everything looks dark and gloomy; he feels "out of sorts" with himself and everybody else. Life is a burden to him. This can all be changed by taking Peruvian Syrup (a protoxide of Iron.) Cases of 27 years standing have been cured by it.

THE following pretty clearly illustrates the position of the business man who does not advertise:

"Why don't you deal with me?" said a close-fisted tradesman to a friend the other day. The reply was characteristic. 'You have never invited me, sir. I have looked all through the paper for an invitation, in the shape of an advertisement, and found none. I never go where I am not invited."

WHERE IS THE BEST PLAE TO GET THE CHEAPEST CLOTHING?—Go to J B. M. Todd's Store, where you can be fitted out the best and cheapest.

Suits, (coat, pants and vest) $8.50, Cassimere Suits, $16.00, Good Coats, $1.00 to $12.00, Overcoats, $7.00 to 15.00, Black Beaverdeen Overcoats, $16.00, best Beaver Overcoats at reduced prices. Also, a full assortment of Hats, Caps, Boots and Shoes.

Dec. 4, '67–2t.

ODD FELLOWSHIP IN THE UNITED States.—The report of the Grand Secretary of the Order in the United States has just been issued. He reports the membership at the present time to be 217,885, there having been an accession the past year of 33,761 members. The receipts for the past year have been $1,-955,713 61, of which $1,760,123 56 were from bodies under the jurisdiction of the Grand Lodge, and $565,583,45 from bodies under the jurisdiction of the Grand Encampment. The total rel of dispensed in the same time was $690 675,97, of which $625,820,25 were by bodies under the jurisdictinction of the Grand Lodge. The relief dispensed by the bodies under the jurisdictinction of the Grand Encampment was $64,855,12.

SAFETY IN RAILROAD TRAVEL.—We see by the U. S. Patent Office Reports, that E. L. Caum, Master Machinest of the Mifflin Shops, has had a patent granted for his improved Draft Bars, for Railroad Cars. We have been shown a model of this very simple and ingenious arrangement and believe it is just the thing wanted by Railroad Companies. With the Patent Draft Bars attached it is impossible to pull the end of the car off as is so often the case in freight trains, or to strain the car in any manner as the car attached to the Engine has no more strain on it than the one on the rear end. The Penn'a Railroad have been using Mr Caum's patent for over a year and it has proved to be what was long wanted, loss of life and property have been saved by its use. It is worthy of the attention of Railroad Companies, as its cost is but a trifle, and it can be attached to any car without alteration and with very slight addition.

SNOW.—On Monday morning last, the ground was covered with snow.

THANKS.—We are indebted to Hon. G. F. Miller for valuable public documents.

TOYS.—For Christmas and Holiday Toys go to Mrs. Hanneman's in Patterson. She has the largest stock and best variety in the county. Read her advertisement in another column.

WM. B. MCCAHAN offers at private sale a Frame House 28×25 feet, with necessary out-buildings, situte in the borough of Patterson. For further particulars call on D. A. Doughman, in Patterson.
Nov. 6, 1867–2m.*

BARGAINS! BARGAINS!! BARGAINS!!!—Mr. John Yeakly has just returned, from the city with a fine stock of Goods. He went to the city when prices were down and consequently was enabled to purchase his stock at figures that enables him to sell a little lower than Merchants who purchased when goods were high.—He has Domestic and Foreign Dry Goods, Groceries, Boots, Shoes and in fact everything kept in a first class store. He invites everybody to call and hear his prices.

Special Notices.

A GREAT DISCOVERY.—One of the greatest and most useful discoveries in medical science was made by the celebrated Dr. J. Dumas, of Paris, Chief Physician to the Imperial Infirmity of France, in 1861. Those who have been afflicted with the painful disease known as the Piles, and effectually cured by the use of DR. J. DUMAS' FRENCH PILE SALVE, cannot speak too highly of the benefits conferred upon them by the use of the certain remedy. It has never been known to fail in effecting a permanent cure in a single case. In this respect it surpasses all other medicines of the kind. It will do just what it is recommended for; if not the money will be refunded. One or two boxes is sufficent to effect a permanent cure in four or six days, if the directions on the boxes are followed.—Price one and two dollars per box, according to size. Sent by Mail or Express to any part of the United States or Canada. Sold by Druggists generally. A liberal discount made to the trade. Address D. S. DUNHAM & Co. Williamsport, Pa., sole Proprietors and Manufacturers for the United States and Canada.

DEAFNESS, BLINDNESS AND CATARRH.—Treated with the utmost success, by Dr. J. Isaacs, Oculist and Aurist (formerly of Leyden, Holland,) No. 806 Arch street, Philad'a. Testimonials from the most reliable sources in the city and country can be seen at his office. The medical faculty are invited to accompany their patients, as he has no secrets in his practice. Artificial eyes inserted without pain. No charge made for examination.

☞A Young Lady returning to her country home, after a sojourn of a few months in the City, was hardly recognised by her friends. In place of a coarse, rustic, flushed face, she had a soft ruby complexion of almost marble smoothness, and instead of twenty-three she really appeared but eighteen. Upon inquiry as to the cause of so great a change, she plainly told them that she used the **Circassian Balm**, and considered it an invaluable acquisition to any lady's toilet. By its use any lady or gentleman can improve their personal appearance an hundred fold.—It is simple in its combination, as Nature herself is simple, yet unsurpassed in its efficacy in drawing impurities from, also healing cleansing and beautifying the skin and complexion. By its direct action on the cuticle it draws from it all its impurities, kindly healing the same, and leaving the surface as Nature intended it should be, clear, soft, smooth and beautiful. Price $1, sent by mail or express, on receipt of an order by

SCHENCK'S SEAWEED TONIC.

This medicine, invented by Dr. J. H. Schenck, of Philadelphia, is intended to digest the food and nourish the system, on the true process of digestion. By combining the stomach with Schenck's Mandrake Pills, the Tonic soon restores the appetite, and food that could not be eaten before using it will be easily digested.

Consumption cannot be cured by Schenck's Pulmonic Syrup unless the stomach and liver is made healthy and the appetite restored, hence the Tonic and Pills are required in nearly every case of consumption. A half dozen bottles of the SEAWEED TONIC and three or four boxes of the MANDRAKE PILLS will cure any ordinary case of dyspepsia.

Dr. Schenck makes professional visits in New York, Boston, and at his principal Office in Philadelphia every week. See their papers of each place, or he may be seen on consumption for his days for visitation.

Please observe, when purchasing, that the two likenesses of the Doctor, one when in the last stage of Consumption, and the other as he now is, in perfect health, are on the Government stamp.

Sold by all Druggists and Dealers, price $1.50 per bottle, or $7.50 the half-dozen. All letters for advice should be addressed to Dr. Schenck's Principal Office, No. 15 North 6th Street, Philadelphia, Pa.

Unsolicited Testimony.

From ANDREW ARCHER, Esq. of Fairfield, Me.

"About eight years since my son, Henry A Archer, now at Fairfield, Somerset county, Me. was attacked with spitting of blood, cough, weakness of Lungs, and general debility, so much so that our family physician declared him to have a "Seated Consumption." He was under medical treatment for a number of months, but received no benefit from it.—At length, from the solicitation of himself and others, I was induced to purchase one bottle of WISTAR'S BALSAM OF WILD CHERRY, which benefited him so much I obtained another bottle, which in a short time restored him to his usual state of health. I think I can safely recommend this remedy to others in like condition, for it is I think, all it purports to be—THE GREAT LUNG REMEDY FOR THE TIMES! The above statement, gentlemen, is my *voluntary* offering to you in favor of your Balsam, and is at your disposal."

Wistar's Balsam of Wild Cherry.

This remedy has long been cherished by the community for its remarkable efficacy in relieving, healing and curing the most obstinate, painful and long-standing cases of *Coughs, Cold, Influenza, Sore Throat, Bronchitis, Whooping Cough, Croup, Asthma Inflammation* of the *Lungs*; while even *Consumption* itself has yielded to its magic influence when all other means have failed. Its whole history proves that the past has produced no remedy of equal value, as a cure for the numerous and dangerous pulmonary affections which prevail all over the land.

I therefore feel happy to certify my confidence in its virtues. Yours with respect.
