

The Juniata Sentinel.

WEDNESDAY MORNING, December 11, 1867
TOWN AND COUNTRY.

FOR SALE CHEAP.—A Lite Scholar-
ship in J. C. Mumford's Business and
Telegraph College at Philadelphia. A
fine chance for a young man that wishes
to prepare himself for business. Inquire
at the SENTINEL Office.

MR. JAMES F. PARKER has just re-
ceived a large assortment of Candies,
suitable for Christmas presents, at his
room on Main street, Millin. Call and
see James—he strives to please.

REVIVAL.—A revival is progressing in
the M. E. Church of this place. More
than one hundred have professed religion,
and between eighty and ninety have joined
the church on probation.

We judge from the immense sales that
Mrs. S. A. Allen's Improved (*new style*)
Hair Restorer or Dressing (*in one bottle*)
is preferred by every one. Every Drug-
gist sells it. Price One Dollar.

Dec. 11, '67-1m.

W.M. B. McCABAN offers at private
sale a Frame House 23 x 25 feet, with
necessary out-buildings, situated in the bor-
ough of Patterson. For further particulars
call on D. A. Douglass, in Patterson.
Nov. 6, 1867-2m.

ANOTHER ARRIVAL.—Joe Pennell has
again received a new stock of goods. He
has the reputation of selling cheap, and
consequently his goods go off with a rush.
Drop in and see him even if you don't
want to buy.

INSTITUTE.—The Teachers' Institute
of Juniata county effected a permanent
organization on Monday last. Prof. Wick-
ersham, State Superintendent, will deliver
a lecture in the Court House in this place
on Thursday evening next. The friends
of education are cordially invited to at-
tend.

BRING YOUR WORK ALONG.—Don't
forget that we are prepared to do all kinds
of job work, from a visiting card to a full
sheet poster. We also do work, colors
when required. If you have anything to
sell remember, that the SENTINEL has
the largest circulation of any paper in
the county, and that it is to your advantage
to advertise in it.

SAVE YOUR DOCTOR'S BILLS.—When
Dr. Wistar's Balsam of Wild Cherry will
cure coughs, colds, bleeding at the lungs,
and arrest the fell destroyer, Consumption,
it does more than most physicians
can do. The use of a single bottle, cost-
ing one dollar, will satisfy the incredulous
that they need look no further for the
required aid.

AMONG THE MANY ARTICLES REQUIRED BY
business men, farmers, and mechanics,
to make successful their plans and opera-
tions, none may be found more useful than
a Pecket Accountant, containing methods
for quick calculation, and concise rules
for treating problems likely to arise in
every-day life. Sent postpaid for 25 cents.
Address G. L. Helman, Lewisburg, Pa.

CLOSED.—The sudden cold snap on
Saturday night closed the Juniata river
at this place. We do not remember having
ever seen it freeze over so early—in Decem-
ber. The river has been extremely low,
and we presume this accounts for its being
closed so early in the winter. The ground
is covered with snow, the river is frozen
over and everything presents a winter-like
appearance.

WHERE IS THE BEST PLACE TO GET
THE CHEAPEST CLOTHING?—Go to J.
B. M. Todd's Store, where you can be
fitted out the best and cheapest.

SUITS, (coat, pants and vest) \$8.50, Cas-
simere Suits, \$13.00, Good Coats, \$1.00
to \$12.00, Overcoats, \$7.00 to 15.00,
Black Beaverdeen Overcoats, \$16.00, best
Beaver Overcoats at reduced prices. Al-
to, a full assortment of Hats, Caps, Boots
and Shoes.

Dec. 4, '67-2m.

A RECIPE WORTH A \$1,000.—The
Ohio Collector says: Take one pound
of sal soda, and a half pound of unslacked
lime—put them in a half gallon of water
and boil twenty minutes. Let it stand till
cool. Then drain off and put in a small
jug or jar. Soak your dirty clothes over-
night, or until they are wet through, then
ring them out and rub on plenty of soap,
and in one boiler of clothes well covered
with water, add one teaspoonful of this
washing fluid; boil half an hour briskly,
then wash them thoroughly through one
suds, rinse, and your old clothes will look
better than the old way of washing twice
before boiling. This is an invaluable re-
cipe, and I want every poor tired woman
to try it. I think with a patent washtub
to do the little rubbing, a washerwoman
might take the old Bible and compose
herself on a lounge and let the washing
do itself.

COURT PROCEEDINGS.—There was only
three cases that came before the jury dur-
ing the term. That of John P. Thomp-
son vs. Lewis H. Mays, the jury rendered
a verdict for plaintiff for \$12,000.

George Bowers vs. Earndt Dippe—
verdict for plaintiff.

Henry Cross and Jerry Lyons vs. John
L. Bears—verdict for plaintiff for \$171,50.

BARGAINS! BARGAINS!! BARGAINS!!!

Mr. John Yeakle has just returned
from the city with a fine stock of Goods.
He went to the city when prices were
down and consequently was enabled to
purchase his stock at figures that enables
him to sell a little lower than Merchants
who purchased when goods were high.—
He has Domestic and Foreign Dry Goods,
Groceries, Boots, Shoes and in fact every-
thing kept in a first class store. He in-
vites everybody to call and hear his prices

THANKS.—We return our thanks to
those of our subscribers who called and
paid up during court week. There is yet
on our books a great many subscriptions
due us, and as the time of our former notice
was so short, we will extend it so as to
enable those who are still indebted to us to save Fifty Cents on each year's sub-
scription.

After the 1st day of January, 1868, we will send out
bills to all who owe us for sub-
scription, and add, according to our terms, Fifty Cents for each
year. If we are compelled to send out bills we will require prompt
settlement.

INSTALLED.—Last week Mr. Joshua
Beale entered upon the duties of his office
as Register & Recorder. Mr. Beale has
all the qualifications to make a good of-
ficer, and we have no doubt he will dis-
charge his duties with credit to himself and
satisfaction to the public. Mr. Mc-
Williams, the retiring officer served for a
term of six years with great credit and
the entire satisfaction of every honest
man.

Mr. David Sulouff, also, entered upon
the duties of County Commissioner, vice
Mr. John Kenawell, who retires after
serving the people faithfully for three
years.

SHERIFF LOUDOUX surrendered his of-
fice to John Deitrick, Esq., who was
elected in last October. Mr. Loudoux re-
tires with good wishes of everybody. His
successor will make an obliging officer.

PERUVIAN SYRUP.

A PROTECTED SOLUTION OF THE PRO-
TOXIDE OF IRON, supplied the blood with
its LIFE ELEMENT, IRON, giving strength,
vigor and new life to the whole system.

If the thousands who are suffering from
DISPESSA, DISELLY, FEMALE WEAKNESS,
etc., would but test the virtues of the PERU-
VIAN SYRUP, the effect would not only aston-
ish themselves but would please all their
friends; for instead of feeling cross, tall
and miserable, they would be cheerful,
vigorous and active.

A DISTINGUISHED JURIST WRITES TO
A FRIEND AS FOLLOWS:

I have tried the PERUVIAN SYRUP. It
fully sustains your prediction. It has
made a NEW MAN of me, infused into my sys-
tem new vigor and energy; I am no longer
tremulous and debilitated, as when you last
saw me, but stronger, heartier, and with
larger capacity for labor, mental and physi-
cal, than at any time during the last five years.

*Thousands have been changed by the use of this
remedy from weak, sickly, infirm creatures, to
strong, healthy, and happy men and women; and
indeed cannot reasonably hesitate to give it a
trial.*

The genuine hag "PERUVIAN SYRUP" blown
in the glass.

A 32 page pamphlet will be sent free.
