Ayer's Hair Vigor, For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color and freshness of youth.

Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed.

But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.

Prepared by Dr. J. C. Ayer & Co., PRACTICAL AND ANALYTICAL CHEMISTS, LOWELL, MASS. PRICE \$1.00. Sold by Druggists generally.

DR. SAGE'S CATARRH REMEDY. This INFALLIBLE REMEDY does not, like the poisonous irritating snuffs and strong caustic solutions with which the people have long been deluged, simply palliate for a short time, or drive the disease to the lungs as a danger of doing in the use of such nostrums, but it produces PERFECT AND PERMANENT CURES OF THE WORST CASES OF CHRONIC CATARRH, as thousands can testify. "Otitis of the Ear" is cured with a few applications. CATARRH OF THE HEAD is relieved and cured as if by magic. It removes offensive Breath, Loss of Impairment of the sense of taste, and the watery watering of Weak Eyes, and Impaired Memory, when caused by the presence of Catarrh, as they all frequently are. Offered in good faith a standing reward of \$500 for a case of Catarrh that I cannot cure.

DR. SAGE'S CATARRH REMEDY. Ask your Druggist for the REMEDY; but if he has not yet got it for sale, don't be put off by accepting any miserable worthless substitute, but purchase six cents to me, and the Remedy will be sent you post paid. Four packages \$2.00, or one dozen for \$8.00. Send a two-cent stamp for Dr. Sage's pamphlet on Catarrh. Address his Proprietor, B. V. PIENCK, N. B. BUFFALO, N. Y.

Medical.

THE KIDNEYS. The Kidneys are two in number, situated at the upper part of the loins, surrounded by fat, and consisting of three parts, viz: the Anterior, the Interior, and the Exterior.

The anterior absorbs. Interior consists of tissues or veins, which serve as a deposit for the urine and convey it to the exterior. The exterior is a conductor also, terminating in a single tub, and called the Ureter. The ureters are connected with the bladder.

The bladder is composed of various coverings or tissues, divided into parts, viz: the Upper, the Lower, the Nervous, and the Muscular. The upper expels, the lower retains. Many have a desire to urinate without the ability to retain. This frequently occurs in children.

To cure these affections, we must bring into action the muscles, which are engaged in their various functions. If they are neglected, Gravel or Dropsy may ensue.

The reader must also be made aware, that however slight may be the attack, it is sure to affect the bodily health and mental powers, as our flesh and blood are supported from these sources.

GOUT, OR RHEUMATISM. Pain occurring in the loins is indicative of the above diseases. They occur to persons disposed to acid stomach and chalky concretions.

THE GRAVEL. The gravel ensues from neglect of improper treatment of the kidneys. These organs being weak, the water is not expelled from the bladder but allowed to remain, it becomes febrile, and sediment forms. It is from this deposit that the stone is formed, and gravel ensues.

DROPSY. Dropsy is a collection of water in some parts of the body, and bears different names, according to the parts affected, viz: when generally diffused over the body, it is called Anasarca, when of the abdomen, Ascites; when of the chest, Hydrothorax.

HELMHOLD'S highly concentrated compound Extract Buchu is decidedly one of the best remedies for diseases of the bladder, kidneys, gravel, dropsical swellings, rheumatism, and gouty affections. Under this head we have arranged Dysuria, or difficulty and pain in passing water. Scanty secretion, or small and frequent discharge of water; Strangury, or stopping of water; Hematuria, or bloody urine; Gout and Rheumatism of the kidneys, without any change in quantity, but increase in color, or dark water. It is always highly recommended by the late Dr. Physick, in these affections.

This medicine increases the power of digestion, and excites the absorbents into healthy exercise by which the watery or calcareous deposits, and all unnatural enlargements, as well as pain and inflammation, are reduced and it is taken by men, women and children. Directions for use and diet accompany.

PHILADELPHIA, Pa., Feb. 25, 1867. H. T. HELMHOLD, Druggist: Dave S. - I have been suffering, for upwards of twenty years, with gravel, bladder, and kidney affection, during which time I have used various medical preparations, and been under the treatment of the most eminent Physicians, experiencing but little relief.

Having seen your preparations extensively advertised, I consulted with my family physician in regard to using your Extract Buchu.

I did this because I had used all kinds of advertised remedies, and had found them worthless, and some quite injurious, in fact I despaired of ever getting well, and determined to use no remedies hereafter unless I knew of the ingredients, and was this that prompted me to use your remedy. As you advertised that it was composed of buchu, cubeba, and juniper berries, it occurred to me, and my physician as an excellent combination, and, with his advice, after an examination of the article, and consulting again with the druggist, I concluded to try it. I commenced its use about eight months ago, at which time I was confined to my room. From the first bottle I was astonished and gratified at the beneficial effect, and after using it three weeks, was able to walk out.

I felt much like writing you a full statement of my case at the time, but thought my improvement might only be temporary, and therefore concluded to defer and see if it would effect a permanent cure knowing then it would be of greater value to you, and more satisfactory to me.

I am now able to report that a cure is effected after using the remedy for five months. I have not used any now for three months, and feel as well in all respects as I ever did. Your Buchu being devoid of any unpleasant taste and odor, a nice tonic and invigorator of the system, I do not mean to without it whenever occasion may require its use in such affections.

M. M. MCCORMICK. Should any doubt Mr. McCormick's statement, he refers to the following gentlemen: Hon. Wm. BLOOMER, ex-Governor, Penna. Hon. THOMAS B. FOLEXNER, Philadelphia. Hon. J. C. COUGHS, SORE THROAT, &c. No medicine or treatment can equal the powerful curative power of DR. SIMMS' White Pulmonic Balsam.

It cures with a rapidity unequalled by any other remedy for Throat and Lung diseases. It is recommended by over 2,000 persons in Wilmington, and hundreds in Philadelphia, Baltimore and other cities and communities throughout the country. Mr. Pennington, of Wilmington, Illinois, writes that there is not (with a few exceptions) a family in that city who will be without it if possible to procure it. Such is its popularity wherever it is known - and this popularity arises from the fact that it universally cures all who use it. There is no case of Coughs, Colds, Sore Throat, Asthma, Bronchitis, Croup, Blood-spitting, Hoarseness, and even Pulmonary Consumption, which does not get broken down with the wear of the disease, or pretended medicine, or inexperienced advice, that this Balsam will not cure if carefully used, according to directions. We guarantee it all we represent it to be, and invite a trial from the affidavits everywhere. Price, 50 cents, medium size, and \$1 for large sized bottles. Prepared only by
