PLINY.—Wild pigeons and squirrels are said to be plenty in certain parts of the county.

MOVED.—Caveny & Auker have moved their Tombstone Establishment a few doors nearer Main street.

ATTENTION is asked to the advertisement of Edmund S. Doty, Executor of the last will of Margaret Kinslow, dec'd., for the sale of real estate.

ALL BOSH.—The Democratic cry against the colored man. It is not "negro equality" that they fear. It is the vote that is in his hand.

TICKETS.—Genuine Republican tickets for Congress, Senate, Assembly and county, are now ready for distribution. Send to this office and get a supply.

UNFORTUNATE.—Our old friend, Seth Zeigler, one day last week was so unfortunate as to have one of his fingers caught in a corn sheller. The finger was badly hurt.

H. WILLI & Co., of Perryville, have just added to their Stoneware depot, opposite the Post Office, a large lot of Groceries, which they are selling cheap for cash or produce.

Elihu Benner offers at public sale on the premises, at one o'clock P. M., on Thursday, October 6, 1870, a House and Lot in Perryville, adjoining lot of Peter Braunsholtz. Choice fruit trees on the lot.

"HEALING on the Wings," say all who have made use of Dr. Wistar's Balsam and by using such have been cured of coughs, colds, bronchitis, sore throat, influenza or consumption. The prudent will always keep this standard remedy by them.

"SHOOT FOLLY AS IT FLIES," and stop using preparations on your head which are composed of poisons. Use NATURE'S HAIR RESTORATIVE, which by its clean lines, fragrance and purity commends itself. For sale at B. F. Kepner's Drug Store, Main street, Milltown. See advertisement.

THE TICKET.—The Congressional, Senatorial and county ticket shall be voted on one slip, under the head of "County." The borough or township ticket shall be voted on one slip, headed "Borough," or "Township," as the case may be. Two boxes only will be required.

DR. PIERCE'S Alterative Extract, or Golden Medical Discovery is the greatest bronchial tonic and blood purifier ever discovered. It cures consumption in its early stages and all severe and lingering coughs. Sold by druggists, or send three and a quarter dollars to R. V. Pierce, M. D., Buffalo, N. Y., and get three bottles free of express charges.

CHANGE IN REFERENCE TO SPEED.—The managers of the Perryville Fair will allow all classes of horses, either raised in or out of the county, to compete for a premium. The persons entering such horses will be charged \$1.00 for family ticket, and the balance of the entering fee will be appropriated to the premiums. This, we hope, will obviate all objections to the ruling out of horses raised out of the county.

G. M. GRAHAM, Sec'y. Sept. 27, 1870.

SERIOUSLY HURT.—Mr. Ezra Dulen, a citizen of this town, was seriously hurt last Thursday afternoon. He was about finishing a field in wheat, and in the act of backing the drill to the fence he came in the way of the lever which holds up the drill hoed, and was pinned by it to the fence. The lever did not penetrate his bowels, but his abdomen was so much bruised that in a short time he took very ill, and up to the time of our going to press is still lying in a very dangerous condition.

THE Wyoming female voters have resolved to vote for no man who has not a "good moral character."

"That's a qualification that ought to pass without voting on."

STOVE GRATES.—For Grates and Isinglass for the Oriental and Morning Glory Parlor Stoves, apply to N. E. LITTLEFIELD, Bridge Street, Milltown.

GLOVES.—The gloves that we usually call kid gloves are in the majority of cases not made of kid gloves but of rat skin. Paris is one of the great glove centres. In its sewers, which are deep enough to float a laden skiff, and wide enough for foot paths on both sides of the channel, hundreds of men find employment at catching rats, the skins of which they sell to the glove-maker. It is said that most of the rat-catchers have gone into the army. Higher prices for gloves are consequently anticipated by dealers.

LODGED.—On Thursday evening last officer Moser was called on to take charge of a family, consisting of a man and wife and three children. The parents were in a state of intoxication. They were strangers in "these parts." The father was sober enough to walk, but the wife and mother was so greatly under the influence of liquor that she could not stand. Mr. Moser got a handcart, put the drunken woman into it and wheeled her to jail. A night's lodging there, sobered the parties. In the morning they were ready to leave. Also, on Friday evening a couple of tramps—a man and woman—were lodged in jail.

THE Original Celebrated Howe Sewing machine, unequalled by any other now extant for all kinds of family sewing, will be on exhibition at the Agricultural Fair, at Perryville, on the 5th, 6th and 7th days of October. We would urge all to call and see its operations, and especially those desiring to purchase machines. There will be a supply of machines on hand, and the agent will instruct any desiring to learn to operate. Come and satisfy yourselves as to its merits. Manufacturing and Tailoring Machines also supplied. Prices low and terms easy.

S. M. SHELLEY, Agent, McAlisterville, Pa. Sept. 28, 1870-2t

ACCIDENT.—On Saturday last, at Duncannon, Perry county, Mr. Joseph Vanormer, a citizen of Millin, and a conductor on a local freight train, had his left foot severely bruised by getting it under the cow-catcher of the engine of his train. He had been riding on the cow-catcher in front of the engine, as he had frequently done, and attempted to jump off before the train had fairly stopped. He made a misstep, thereby getting his foot between the cow-catcher and the track. Fortunately he caught hold of an iron bar, otherwise he would have been dragged under the engine and instantly killed. The train was stopped and Mr. Vanormer released after being dragged about fifty yards. He is under the treatment of Dr. Banks, and is doing well.

ARRANGEMENT COMPLETED.—The work upon the new buildings, and other improvements, on the grounds of the Altoona Park Association, will be completed in a day or two, and all things ready for the reception of stock and articles, and the opening of the Exhibition. The new building is 16 feet wide, 80 feet long, 12 feet high to the square, comb roof covered with shingles, and well floored. It will be much better lighted than the other buildings, and is intended specially for ladies' work, paintings, and fine articles. The construction of this building gives almost double the amount of room the Association had last year, consequently there will be less crowding of articles, and all will be exhibited to much better advantage.

A train of passenger cars will be run between the depot, in front of the Logan House, and the grounds, every half hour during the continuance of the Exhibition. The driving course is in excellent condition and in constant use—quite a number of horses entered for speed being now in the stables on the ground, as well as others that are under training. The Exhibition opens Oct. 4th, and closes Oct. 7th.

TO SPORTSMEN.—Partridges or quails shall not be killed for a period of three years, under a penalty of ten dollars for each and every bird so killed. Pheasants, or ruffed grouse, can be killed between the 1st day of August and 20th of December.

Woodcock can be killed between the 1st day of September and 15th day of November.

Rabbits can be killed between the 1st day of August and the 1st day of January.

Wild turkeys can be killed between the 1st day of October and the 1st day of January.

Fox and grey squirrels can be killed between the 1st day of August and the 1st day of January.

Trout may be caught during the months of April, May, June and July, and only with a hook and line.

SERIOUS SHOOTING AFFAIR.

TWO WOMEN THE VICTIMS.

Yesterday morning a young barber of this city, named Daniel Deitrick, went gunning out toward the mountains north of Harrisburg. After a day had been nearly spent in this manner, with very indifferent success, he faced about, it appears, and moved toward town. Near the stock yards, and above old Camp Curtin, he met a trio of persons, with whom he engaged in conversation. Their names have since been ascertained to be James McCarty, Mrs. Kate Casey and Annie White, the two latter being victims in the affair which the heading of this article suggests. The conversation at one time, we are told, turned upon the barber's and McCarty's adeptness as marksmen. Upon this topic they could not agree, and the question was cut short by Deitrick offering to shoot McCarty's hat if the latter would hold it over his head; which offer was not accepted. The conversation then turned upon other matters, and was of such a character as to displease the women, who started to walk away, with McCarty between them. They had gone but a few steps when Deitrick called out that he was going to shoot at them; but they walked on, thinking the threat would not be carried out. A number of boys happening in the vicinity saw Deitrick aiming, and called upon the party to dodge. McCarty did so; but the women instead turned their faces in the direction of the barber, who fired with such precision that both females received parts of the contents of the gun about their necks and faces. The barber started off on a run and was soon out of sight. The women were carried to the Stock Yard Hotel, and Dr. Von Tagen was summoned to their aid. He found, on examination, that Miss White had had one eye shot out, and also received other injuries of a serious nature. A number of the shot had lodged in the face and neck of Mrs. Casey, but none of the wounds received by her were considered dangerous. The shot taken from the wounds appeared to be of the size known as No. 7.

The city authorities were notified of the circumstance early last evening, and at about eight o'clock Daniel Deitrick was arrested on Third street by officers Best and Davidson, and after a preliminary hearing was committed to prison to appear before the Mayor sometime hereafter. He gave quite a different story to that related above, but the evidence was so convincing, the Mayor resolved to hold him as aforesaid.

Daniel Deitrick is well known in this city, and has been in the employ of one or two of our most prominent barbers for several years. So far as we can learn, he has heretofore been looked upon as a quiet, well behaved young man. He is married, and has a wife and child living in this city.—Harrisburg Telegraph.

A NEW SONG FOR THE DEMOCRACY.—The Bedford county Press says: We would suggest that the following touching hymn be sung as a campaign lyric by the Democrats. It should be interspersed with penitential sighs and groans for the departed "issues" and rendered to the air of Hebrew Children:

Where now are the "Southern Brethren?" Where now are the "Lincoln Bastilles?" Where now is the "Young Napoleon?" All dead and gone to—smash.

Where now is "Reputation?" Where now is the "Greenback Pendleton?" Where now is the "War a failure?" All dead and gone to—smash.

Where now is the "White Man's Party?" Where now is "Miscegenation?" Where now is the "fragrant Guinnee?" All dead and gone to—smash.

By-and-by we'll go for to meet them! By-and-by we'll go for to meet them! By-and-by we'll go for to meet them! But first let's do our level best to Win one election on a Republican platform.

These are only about two hundred and fifty "colonels" in town now. There may have been more, but several have been raised to "Generals."—Har. Tel.
