THE KIDNEY AND URINARY SYSTEM
The Kidneys are two in number, situated in the upper part of the loins, surrounded by fat, and separated from the liver, spleen, the anterior, the posterior, and the exterior. The anterior absorbs. Interior consists of tissue or veins, which serve as a deposit for the urine and connect it to the exterior. The exterior is a conductor also, terminating in a single sac, called the Ureter. The ureters are connected with the bladder.
The bladder is composed of various coverings or tissues, divided into parts, viz: the Upper, the Lower, the Nervous, and the Muscular. The upper capsule, the lower remains. Many have a desire to urinate without the ability to retain. This frequently occurs in children.
To cure these affections, we must bring into action the muscles, which are engaged in their various functions. If they are neglected, Gravel or Dropsy may ensue.
The reader must also be made aware, that however slight may be the attack, it is sure to affect the bodily health and mental powers of our flesh and blood, as supported from these sources.

GOUT, OR RHEUMATISM.
Pain occurring in the loins is indicative of the above diseases. They occur to persons disposed to acid stomach and spalky concretions.

THE GRAVEL.
The gravel comes from neglect of proper treatment of the kidneys. These organs being weak, the water is not expelled from the bladder, but allowed to remain. It becomes feverish, and sediment forms. It is from this deposit that the stone is formed, and gravel ensues.

DROPSY.
Dropsy is a collection of water in some parts of the body, and bears different names, according to the parts affected, viz: when generally diffused over the body, it is called Anasarca; when of the abdomen, Ascites; when of the chest, Hydrothorax.

TREATMENT.
Helmhold's highly concentrated compound Extract Buba is decidedly one of the best remedies for diseases of the bladder, kidneys, and urinary affections, during which time I have used various medical preparations, and been under the treatment of the most eminent Physicians, experiencing but little relief.
Having seen your preparation extensively advertised, I concluded to try it. I commenced its use about eight months ago, at which time I was confined to my room. From the first bottle I was astonished and gratified at the beneficial effect, and after using it three bottles, was able to walk out. I felt much like writing you a full statement of my case at the time, but thought my improvement might only be temporary, and therefore considered it best to defer and see if it would effect a permanent cure, knowing that it would be of great value to you, and more satisfactory to me.
I am now able to report that a cure is effected after using the remedy for five months.
I have not used any now for three months, and feel as well as I ever did. I feel your Buba being devoid of any unpleasant taste and odor, a nice tonic and invigorant, and I do not care to be without it whenever occasion may require its use in such affections.
Should you doubt Mr. McCormick's statement, he refers to the following gentlemen:
Hon. Wm. BIGLER, ex-Governor, Penna.
Hon. J. C. KYOZ, Judge, Philadelphia.
Hon. D. B. PORTER, ex-Governor, Penna.
Hon. E. L. LEWIS, Judge, Philadelphia.
Hon. G. W. WOODWARD, Judge, Philadelphia.
Hon. W. A. PORTER, City Solicitor, Phila.
Hon. J. B. BAKER, ex-Governor, Cal.
Hon. E. B. BAKER, And. Gen., Washington.
And many others, if necessary.
Sold by Druggists and Dealers everywhere. Beware of cheap imitations. Ask for Helmhold's. Take no other. Price—\$1.25 per bottle, 5 bottles for \$6.00. Delivered to any address. Describe symptoms in all communications.

No medicine or treatment can equal the medicinal properties of
DR. SIMMS' White Pulmonic Balsam.

DR. SIMMS' White Pulmonic Balsam.
It cures with a rapidly unexcelled by any other remedy offered for Cough and Lung disease. It is recommended by over 2,000 names in Great Britain, and hundreds in Philadelphia, Baltimore and other cities and communities throughout the country. Mr. Pennington, of Wilmington, Delaware, writes that there is not a family in his city that does not use it, and he is enabled to procure it. Such is its popularity wherever it is known, and this popularity arises from the fact that it invariably cures all who use it. There is no case of Cough, Croup, Sore Throat, Hoarseness, Bronchitis, Hoop-cough, Whooping Cough, Asthma, or any Pulmonary Consumption, where the system is not broken down with the wear of the disease, or pretended medicine, or inexperienced advice, that this Balsam will not cure it, if used as directed, according to directions. We guarantee it all we represent it to be, and invite a trial from the afflicted wherever. Price, 50 cents, medium size, and \$1 for large sized bottles. Prepared only by
