Table with columns for destination (Philadelphia, Harrisburg, etc.) and time of departure.

"JUNIATA ENCAMPMENT," No. 19, I. O. O. F. meets on the first and third Tuesdays of each month...

TOWN AND COUNTRY. EELS—"Big eels, little eels," all eels have quit running.

The Lewistown True Democrat has a power press.

Do not neglect to attend the dedication of the Soldier's Monument.

THUNDER—We were visited by a thunder storm on Friday night last.

SHORN—The frost and rain have shorn the trees of their glory.

GOBBLING.—Thanksgiving turkeys are gobbling. Not in our coop, though.

STABLE—The finest stable in the county is being put up in this borough by the Messrs. Sulouffs.

HURT—John Kniesly fell from a separator at Lewistown last week, and was a good deal hurt.

LIGHTNING—A barn near Lebanon was struck by lightning last Friday night and burned.

TO ASHES—The house so long occupied by William Rigby, in Macedonia Gap, was burned to ashes last week.

INCREASE—The population of Juniata county has only increased 505 between the years 1860 and 1870.

MR. MORRISON, proprietor of the Exchange Hotel at Huntingdon, who was run over by a train of cars a few days ago, is dead.

HUNTINGDON papers are bragging about a citizen of the town, who shot two deer last week. They think he is the best shot along the Juniata.

CONFAGRATION—On Saturday morning, the 5th inst., the dwelling house of H. H. Weirick, of Liverpool, Perry Co., was destroyed by fire. Insurance \$1133.

LAST week Selinsgrove had a sensation caused by the arrival of a party of Philadelphians interested in the railroad in the course of construction from Selinsgrove to Lewistown.

CAVENEY & AUKER, the enterprising tomb-stone cutters, of this place, a few days ago put up a fine tombstone over the grave of a citizen buried in the new cemetery.

FOR SALE—Five head of fine Driving Horses at private sale, also two good Buggies will be sold cheap by D. P. Sulouff, Millintown.

COMMUNICATION.—The Communication from four colored citizens of Millford twp. lies on our table at present. Will the gentleman who left it at this office call? We desire to see him.

CRUSHER—Joseph Given, one day last week, while handling railroad ties had the end of a finger of his left hand so badly crushed that it became necessary to amputate it at the first joint. Dr. Banks conducted the amputation.

A panoramic exhibition will be given on Saturday evening, the 12th inst. in the Presbyterian Church at Perryville. For reasons best known to the managers of the panorama, it was not exhibited on Saturday evening last.

RE-UNION.—The soldiers of the 126th Regiment, Pa. Vol., will hold a grand re-union at Chambersburg, on the 13th day of December next. It is intended to effect a permanent organization at that time.

A NEEDLE, it is said, if thrust into the tissues of a living being, will remain bright, while if made to penetrate those of a corpse, will be speedily corroded; and thus in this way seeming from real death may be distinguished.

NEW COMMISSIONER.—David Sulouff, Esq., retired from the board of Commissioners on last Tuesday. Mr. Sulouff was an excellent and obliging officer. Mr. William Ullis is his successor, and doubtless will make a faithful and efficient Commissioner.

ITS USE, the poisonous hair preparations have had their day and done their mischief. Now comes along NATURE'S HAIR RESTORATIVE, a perfectly clear article, which restores gray hair and keeps the head in a healthy condition. For sale at B. F. Kepper's Drug Store Millintown. See advertisement.

IT IS NO WONDER that invalids loose faith in all specific, when so many worthless medicines are advertised for the cure of various diseases; but which, when tried, are "found wanting." We have yet to learn, however, of the first failure of Dr. Wistar's of Balsam of Wild Cherry, to cure coughs, colds, and pulmonary diseases.

PRESERVED.—A lady acquaintance of ours noticing a paragraph in one of the newspapers, that forest leaves oiled and pressed between the leaves of a book, would maintain their beauty for a long time, was induced to try the experiment. We saw the leaves in a vase in her parlor a short time since, looking quite as pretty as they did one year previous, when they were gathered.—E.R.

GONE SOUTH.—On Monday evening last Col. John J. Patterson and family left this place for South Carolina. The Colonel has invested money in real estate at Columbia, the capital of the State, and most likely will locate there permanently. Amos G. Bousall, one of the editors of the Democrat and Register, and M. L. Littlefield accompanied the Colonel and family. Mr. Bousall goes South for the benefit of his health, and Mr. Littlefield on business. May the highest expectations of all be realized.

REVIVALS.—The revival meetings in the Lutheran and Methodist churches of this place have thus far been very interesting and successful, and both meetings are still progressing with unabated interest. Large and attentive congregations are in attendance in both churches every night, and a goodly number of penitents are forward nightly. A large number have professed conversion. In the Lutheran church quite a number of the older Sabbath School scholars have been happily converted. May both meetings continue to prosper for weeks yet to come.

"THE UNIVERSAL AYER."—On my journeys over the continent—through Turkey, India, China, Japan, Peru, Chili, Paraguay, Brazil, and Mexico, and the United States—in them all to some extent and in some to a great extent, I have found the universal Ayer represented by his family medicines, which are often held in fabulous esteem. Whether they win their marvelous reputation by their cures, I know not, but I know they have it to such a degree that it frequently gave me a distinguished importance to have come from the same country.—Field's letters from abroad.

To be able to write a "good hand" is an excellent thing in its way, but it is not necessary, therefore, a virtue to any good except editors. Amongst the illiterate, penmanship is considered an indication of a person's acquirements, and authors of a bad manuscript are pretty generally looked upon as being pretty low down in the educational scale. A clerk, with his ability to write according to some system of penmanship, who pays more attention to curves and shades than he does to orthography and syntax, passes among these people for a great man, while a newspaper writer, who pays no attention at all to any particular system of penmanship, and some little to sentences, is too often put down as an ignoramus.—Press

A SPLENDID CHANCE.—To every person who will send us one dollar and a half and become a subscriber to the SENTINEL, between the date of this paper and the first of January next, we will give a premium. We will give to every such person a monthly journal, called the People's Journal; and to the patrons of the SENTINEL who are in arrears, but will pay up to the first of January and from that date pay one year in advance, we extend the same offer. We will send them both the Sentinel and the People's Journal for one dollar and a half. Such an opportunity has never before been offered to the people of Juniata county. We trust they will appreciate it. See our offer of premium of People's Journal in another column. Specimen copy of People's Journal can be seen at this office.

A FAITHFUL DOG.—A little boy of Ira Thompson's, of Milroy, who had been sick when very young, from which deafness ensued, and consequently had never learned to talk, wandered away from home one day last week to the mountain, accompanied by a dog he loves very much, and which seems to appreciate and return his young master's affection to a more than canine degree. As soon as the two were missing search was instituted, which was continued during the night, but as the boy could not hear the calls it became the faithful animal's turn to serve his master, which he did by answering the cries of the searchers with a bark, thus leading them to the lost boy, whom the dog could not be induced to leave, even when they came near enough to ascertain the whereabouts of the lost couple.—Lewistown Gazette.

"LIVER COMPLAINT" Indigestion, Dyspepsia and Diseases of the Kidneys and Bladder, and those chronic diseases peculiar to females as Weakness, Irregularities, Weak Back, and Leucorrhoea, are cured in one-third the time necessary to cure them with any other remedy, by using Dr. Pierce's Alternative Extract or Golden Medical Discovery. Sold by Druggists or send three and a quarter dollars to R. V. Pierce, M. D. Buffalo, N. Y., and get three bottles free of Express charges.

FRENCH WINE.—A good story is told of an American traveling in Paris—Having occasion to take a bath. In the employ of the establishment there was a colored man whom he had known in America, and of him he inquired how they could afford to give a wine bath for seventy-five cents. "Why, massa," said the negro, "that wine has been in the bath room for one week, and you is the thirty-eight person that bathed in it." "Well, I suppose they throw it away when they are done with it." "Oh, no, master; they send it all down stairs for the poor people who bathe for twenty-five cents." "And then what do they do with it?" "Bottle it up and send it to America, where they sell it for French wine."

FOR INFAMMATORY AND CHRONIC RHEUMATISM AND GOUT, DYSPEPSIA OR INDIGESTION, HILTONS, HEMICRANIC AND INTERMITTENT FEVERS, DISEASES OF THE LIVER, LUNGS, AND BLADDER, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs. DYSPEPSIA OR INDIGESTION. Headache, Pain in the Stomach, Constipation, Tightness of the Chest, Bloating, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Indigestion of the Lungs, Pain in the Regions of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Itch, Scald Head, Ringworm, Bores, Pimples, Pustules, Boils, Carbuncles, Ulcers, Scalds, Itch, Sore Eyes, Erysipelas, Itch, Scurs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever nature. The quality of the blood is carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects. Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores, cleanse it when you find it obstructed and sluggish in the veins, cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

An immense Assortment on hand. Sixty-five First Prize Medals Awarded. THE GREAT Baltimore Piano MANUFACTORY. WILLIAM KNABE & CO. Manufacturers of Grand Square and Upright PIANO FORTES, BALTIMORE, MD.

These instruments have been before the public for nearly thirty years, and upon their excellence alone obtained an unparelleled prominence, which pronounces them unequalled. TONE combines great power, sweetness and fine grained quality, as well as great purity of intonation, and sweetness through the entire scale. Their TOUCH is pliant and elastic, and entirely free from the stiffness found in so many Pianos.

IN WORKMANSHIP they are unequalled, being none but the very best material, the large capital employed in our business enabling us to keep continually an immense stock of lumber, &c., on hand.

All our Square Pianos have our New Improved OVERSTRUNG SCALE and the Agraffe Trade Mark. We would call special attention to our late improvements in GRAND PIANOS and SQUARE GRANDS. Patented August, 14, 1866, which bring the Piano nearer perfection than has ever been attained.

Every Piano fully warranted for 5 years. We have made arrangements for the Sale Wholesale Agency for the most Celebrated PIANO ORGANS and MELODEONS, which we offer Wholesale and Retail, at Lowest Factory Prices.
