Medical.

THE KIDNEYS.
The Kidneys are two in number, situated
at the upper part of the loins, surrounded by
fat, and consisting of three parts, viz: the
Anterior, the Interior, and the Exterior.
The anterior absorbs. Interior consists
of tissues or veins, which serve as a deposit
for the urine and convey it to the exterior.
The exterior is a conductor also, terminating
in a single tub, and called the Ureter. The
ureters are connected with the bladder.
The bladder is composed of various cover-
ings or tissues, divided into parts, viz: the
Upper, the Lower, the Nervous, and the Mus-
cular. The upper exerts, the lower retains.
Many have a desire to urinate without the
ability; others urinate without the ability
to retain. This frequently occurs in child-
ren.
To cure these affections, we must bring
into action the muscles, which are engaged
in their various functions, if they are ne-
glected, Gravel or Dropsy may ensue.
The reader must also be made aware, that
however slight may be the attack, it is sure
to affect the bodily health and mental pow-
ers, as our flesh and blood are supported
from these sources.

GOUT, OR RHEUMATISM.
Pain occurring in the loins is indicative
of the above diseases. They occur to per-
sons disposed to acid stomach and chalky
concretions.

THE GRAVEL.
The gravel ensues from neglect of improp-
er treatment of the kidneys. These organs
being weak, the water is not expelled from
the bladder but allowed to remain, it be-
comes feverish, and sediment forms. It is
from this deposit that the stone is formed,
and gravel or ensues.

DROPSY.
Dropsy is a collection of water in some
parts of the body, and bears different names,
according to the parts affected, viz: when
generally diffused over the body, it is called
Anasarca, when of the abdomen, Ascites;
when of the chest, Hydrothorax.

TREATMENT.
Helmhold's highly concentrated compound
Extract Buchu is decidedly one of the best
remedies for diseases of the bladder, kidneys,
gravel, dropsical swellings, rheumatism, and
gouty affections. Under this head we have
arranged Dysuria, or difficulty and pain in
passing water, Scanty Secretion, or small
and frequent discharge of water; Strangury,
or stopping of water; Hematuria, or bloody
urine; Gout and Rheumatism of the kid-
neys, without any change in quantity, but in-
crease in color, or dark water. It was al-
ways highly recommended by the late Dr.
Physic, in these affections.
This medicine increases the power of dig-
estion, and excites the absorbents into
heavily exercise by which the watery or
calcareous depositions, and all unnatural
enlargements, as well as pain and inflamma-
tion, are reduced and it is taken by men, wo-
men and children. Directions for use and
diet accompany.

PHILADELPHIA, Pa., Feb. 1867.
H. T. HELMHOLD, Druggist.
DEAR SIR—I have been suffering, for up-
wards of twenty years, with gravel, bladder
and kidney affection, during which time I
have used various medical preparations, and
been under the treatment of the most eminent
Physicians, experiencing but little relief.
Having seen your preparation extensively
advertised, I consulted with my family
physician in regard to using your Extract
Buchu.
I did this because I had used all kinds of
advised remedies, and had found them
worthless, and some quite injurious. In fact
I despaired of ever getting well, and deter-
mined to use no remedies hereafter unless I
knew of the ingredients. It was this that
prompted me to use your remedy. As you
advised that it was composed of buchu,
cubeba, and juniper berries, it occurred to
me and my physician as an excellent com-
bination, and, with his advice, after an exami-
nation of the article, and consulting again
with the druggist, I concluded to try it. I
commenced its use about eight months ago,
at which time I was confined to my room.
From the first bottle I was astonished and
gratified at the beneficial effect, and after
using it three weeks, was able to walk out.
I felt much like writing you a full statement
of my case at the time, but thought my im-
provement might only be temporary, and
therefore concluded to defer and see if it
would effect a perfect cure knowing then it
would be of greater value to you, and more
satisfactory to me.
I am now able to report that a cure is ef-
fected after using the remedy for five
months.
I have not used any now for three months,
and feel as well in all respects as I ever did.
Your Buchu being devoid of any un-
pleasant taste and odor, a nice tonic and in-
vigorator of the system, it is not neces-
sary to use it whenever occasion may require
its use in such affections.

Ayer's Sarsaparilla,
FOR PURIFYING THE BLOOD.
The reputation this ex-
cellent medicine has enjoyed,
many of which are truly
marvellous, in curing
cases of Scrofulous dis-
eases, where the system
was much saturated with
corruption, have been
publicly and cured by it.
Scrofulous affections and
diseases, which are usually
gravated by the scrofulous
contamination, and
cured in such great numbers in almost every sec-
tion of the country, that the public scarcely need be
informed of its virtues or uses.
Scrofulous poison is one of the most destructive
enemies of our race. Often, this disease and its
taint of the organism undermines the constitution,
and invites the attacks of other diseases, without
exciting a suspicion of its presence. Again,
it seems to breed infection throughout the body, and
then, on some favorable occasion, rapidly develop
into one or other of its hideous forms, either on the
surface of the skin, in the form of the letter, or
may be suddenly deposited in the lungs or
heart, or tumors formed in the liver, or it shows
its presence by eruptions on the skin, or full
eruptions on some part of the body. Hence the occa-
sional use of a little of this Sarsaparilla, either
before or after the attack, is a most valuable pre-
ventive, even when no active symptoms of disease
appear. Persons afflicted with the following com-
plaints generally find immediate relief by its use:
L. E. St. Anthony's Hospital, Boston, Boston,
Tetter, Salt Rheum, Scald Head, Ringworm,
Sore Eyes, Sore Ears, and other eruptions or
visible forms of Scrofulous Disease. Also in the
more concealed forms, as Dyspepsia, Dropsy,
Heart Disease, Fits, and other nervous affec-
tions, and the various Ulcerous affections of the muscu-
lar and nervous systems.
Scrofulous and Mercurial Diseases are
cured by it, though a long time is required for
including these chronic diseases, by any medicine.
But long continued use of this medicine will cure
the complaint. Leucorrhoea or Whites, Erysipelas,
Eczema, and Eruptions of the Skin, are com-
monly soon relieved and ultimately cured by its
purifying and invigorating effect. Mucous Discharges
for each case are found in our Almanac, sup-
plied gratis. Rheumatism, Gout, and other
caused by accumulations of extraneous matters
in the blood, yield quickly to it, as also Liver
Complaints, Torpidity, Constipation, and
inflammation of the Liver, and Jaundice, when
as they often do, from the use of this Sarsaparilla, is a great
relief. This Sarsaparilla is a great
restorer for the strength and vigor of the system.
Those who are Lemphatic, Bilious, Dyspeptic,
Nervous, and troubled with Nervous Ap-
plications, or who are afflicted with any of the
symptoms of Weakness, will find immediate
relief and convincing evidence of its restorative
power upon trial.

diseases. It is recommended by over 2,000
persons in Wilmington, and hundreds in
Philadelphia, Baltimore and other cities and
communities throughout the country. Mr.
Pennington, of Wilmington, Illinois, writes
that there is not (with a few exceptions) a
family in that city who will be without it
if possible to procure it. Such is its popu-
larity wherever it is known—and this
popularity arises from the fact that it
universally cures all who use it. There is no
case of Coughs, Colds, Sore Throat, Asthma,
Bronchitis, Croup, Blood-spitting, Hoarse-
ness, and even Pulmonary Consumption,
where the system is not broken down with
the wear of the disease, or protracted medi-
cine, or inexperienced advice, that this Bal-
sam will not cure if carefully used, accord-
ing to directions. We guarantee it all we
represent it to be, and invite a trial from
afflicted everywhere. Price, 50 cents, medi-
um size, and \$1 for large sized bottles. Pre-
pared only by
