"AND YET ANOTHER FIRE."

Since the commencement of the new year, fire is the word that has almost ceaselessly been ringing in our ears. Each week since the opening of the year '71, has given its quota, and held our community in a state of unrest, next to the loss of life the most painful. Its fearful scenes are present with our people by day and by night. By day its grim and desolate track meets us at most every turn, and by night, when in our beds, with our eyes closed in sleep, its devouring flames appear in our dreams, and render night itself the most startling time.

The owner of the house, Mr. Mickey, at one time was offered \$5,000 for it—He had an insurance of between \$3,000 and \$4,000 on it in the Lycoming Company. Mr. Young, who kept the house, estimates his loss of personal property at \$600. No insurance. We have not seen the other parties who suffered by the fire and consequently do not present an estimate of their losses.

People never anywhere worked with more energy and greater effect. Women old and young, married and unmarried, lent a helping hand.

The incidents of the fire, if collected, would fill a column.

To the Public.—The undersigned, deeply sensible of the kindness, and heroic assistance given them by a number of the citizens of Millifort, Patterson, and vicinity, in securing so much of their property from the late terrible fire, hereby tender their sincere and heartfelt thanks to all such, and assure them their kindness will never be forgotten.

We have opened our store in W. W. Wilson's store-room, where we are now prepared to offer great inducements to the public generally, of ready-made clothing, furnishing goods &c. &c. Though our loss is considerable, we are thankful for patronage extended to us in the past, and hope for a continuance of the same, so that we may retrieve a portion of our loss.

A SHOWMAN IN CHURCH.—Quite a sensation was created in the Lutheran Church at Lewistown, a week ago last Sabbath. A "Female Minstrel Troupe" had advertised to entertain the public on the night of the coming Monday, at the Town Hall.

Another Counterfeit.—A new counterfeit ten dollar bill on the Farmers' and Manufacturers' Bank of New York, made its appearance in Pittsburg recently. The counterfeit may be easily detected. It is printed on heavy paper, and on the face the shading lines are very coarsely cut. The back of the note has a centre piece of De Soto discovering the Mississippi, and on the left of this the arms of New York State. On the right of the centre piece is an eagle and shield, and a single glance at this latter will deceive any one upon whom it is endeavored to pass the bogus note.—Ex.

The protracted meeting held by Rev. D. M. Blackwelder, in the Licking Creek Lutheran Church is still in progress, and will doubtless continue for weeks to come. Quite a number of persons have professed conversion, and a large number of penitents are forward nightly.—A deep religious interest pervades that community.

D., and Professor of Diseases of the Eye and Ear, his specialty in the Medical College of Pennsylvania, 13 years' experience, (formerly of Leyden, Holland), No. 805 Arch Street, Phila. Testimonials can be seen at his office. The medical faculty are invited to accompany their patients, as he has no secrets in his practice. Artificial eyes inserted without pain. No charge for examination. oct12-ly
