Medical.

Ayer's Cherry Pectoral,

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine, has anything won so widely and so deeply upon the confidence of mankind, as has this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men it has risen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a provision against sudden attacks of *Croup*, it should be kept on hand in every family, and indeed as all are sometimes subject to colds and coughs, all should be provided with this antidote for them.

Although settled *Consumption* is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the *Cherry Pectoral*. So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of these yield to it. When nothing else could reach them, under the *Cherry Pectoral* they subside and disappear.

Singers and Public Speakers find great protection from it.

Asthma is always relieved and often wholly cured by it.

Bronchitis is generally cured by taking the *Cherry Pectoral* in small and frequent doses.

So generally are its virtues known that we need not publish the certificates of them here, or do more than assure the public that its qualities are fully maintained.

Ayer's Ague Cure,

For Fever and Ague, Intermittent Fever, Chill Fever, Remittent Fever, Dumb Ague, Periodical or Bilious Fever, &c., and indeed all the affections which arise from malarious, marsh, or miasmatic poisons.

As its name implies, it does *Cure*, and does not fail. Containing neither Arsenic, Quinine, Bismuth, Zinc, nor any other mineral or poisonous substance whatever, it in nowise injures any patient. The number and importance of its cures in the ague districts, are literally beyond account, and we believe without a parallel in the history of Ague medicine. Our pride is gratified by the acknowledgments we receive of the radical cures effected in obstinate cases, and where other remedies had wholly failed.

Unacclimated persons, either resident in, or travelling through miasmatic localities, will be protected by taking the *AGUE CURE* daily.

For *Liver Complaints*, arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity.

For Bilious Disorders and Liver Complaints, it is an excellent remedy, producing many truly remarkable cures, where other medicines had failed.

Prepared by Dr. J. C. AYER & Co., Practical and Analytical Chemists, Lowell, Mass., and sold all round the world.

PRICE, $1.00 PER BOTTLE.

☞ Sold by Druggists generally.

THE KIDNEYS.

The Kidneys are two in number, situated at the upper part of the loin, surrounded by fat, and consisting of three parts, viz.: the Anterior, the Interior, and the Exterior.

The anterior absorbs. Interior consists of tissues or veins, which serve as a deposit for the urine and convey it to the exterior. The exterior is a conductor also, terminating in a single tube, and called the Ureter. The ureters are connected with the bladder.

The bladder is composed of various coverings or tissues, divided into parts, viz: the Upper, the Lower, the Nervous, and the Mucous. The upper expels, the lower retains. Many have a desire to urinate without the ability; others urinate without the ability to retain. This frequently occurs in children.

To cure these affections, we must bring into action the muscles, which are engaged in their various functions. If they are neglected, Gravel or Dropsy may ensue.

The reader must also be made aware, that however slight may be the attack, it is sure to affect the bodily health and mental powers, as our flesh and blood are supported from these sources.

GOUT, OR RHEUMATISM.

Pain occurring in the loins is indicative of the above diseases. They occur to persons disposed to acid stomach and chalky concretions.

THE GRAVEL.

The gravel ensues from neglect of proper treatment of the kidneys. These organs being weak, the water is not expelled from the bladder but allowed to remain, it becomes feverish, and sediment forms. It is from this deposit that the stone is formed, and gravel ensues.

DROPSY.

Dropsy is a collection of water in some parts of the body, and bears different names, according to the parts affected, viz: when generally diffused over the body, it is called Anasarca, when of the abdomen, Ascites; when of the chest, Hydrothorax.

TREATMENT.

Helmbold's highly concentrated compound Extract Buchu is decidedly one of the best remedies for diseases of the bladder, kidneys, gravel, dropsical swellings rheumatism, and gouty affections. Under this head we have arranged Pysuria, or difficulty and pain in passing water, Scanty Secretion, or small and frequent discharge of water; Strangury, or stopping of water; Hematuria, or bloody urine; Gout and Rheumatism of the kidneys, without any change in quantity, but in grease in color, or dark water. It was always highly recommended by the late Dr. Physick, in these affection.

This medicine increases the power of digestion, and excites the absorbents into healthy exercise by which the watery or calcareous depositions, and all unnatural obstructions, as well as pain and inflammation, are reduced and it is taken by men women and children. Directions for use and diet accompany.

PHILADELPHIA, Pa., Sept. 1867.

H. T. HELMBOLD, Druggist:

DEAR SIR.—I have been suffering, for upwards of twenty years, with gravel, bladder and kidney affection, during which time I have used various medical preparations, and been under the treatment of the most eminent Physicians, experiencing but little relief.

Having seen your preparation extensively advertised, I consulted with my family physician in regard to using your Extract Buchu.

I did this because I had used all kinds of advertised remedies, and had found them worthless, and some quite injurious, in fact I despaired of ever getting well, and determined to use no remedies hereafter unless I knew of the ingredients. It was this that prompted me to use your remedy. As you advertised that it was composed of buchu, cubebs, and juniper berries, it occurred to me and my physician as an excellent combination, and, with his advice, after an examination of the article, and consulting again with the druggist, I concluded to try it. I commenced its use about eight months ago, at which time I was confined to my room. From the first bottle I was astonished and gratified at the beneficial effect, and after using it three weeks, was able to walk out. I felt much like writing you a full statement of my case at the time, but thought my improvement might only be temporary, and therefore concluded to defer and see if it would effect a perfect cure knowing then it would be of greater value to you, and more satisfactory to me.

I am now able to report that a cure is effected after using the remedy for five months.

I have not used any now for three months, and feel as well in all respects as I ever did.

Your Buchu being devoid of any unpleasant taste and odor, a nice tonic and invigorator of the system, I do not mean to be without it whenever occasion may require its use in such affections.

COUGHS, SORE THROAT, &c.

No medicine or treatment can excel the powerful curative power of

DR. SIMMS'

White Pulmonic Balsam.

It cures with a rapidity unequalled by any other remedy offered for Throat and Lung diseases. It is recommended by over 2,000 persons in Wilmington, and hundreds in Philadelphia, Baltimore and others cities and communities throughout the country. Mr. Pennington, of Wilmington, Illinois, writes that there is not (with a few exceptions) a family in that city who will be without it if possible to procure it. Such is its popularity wherever it is known—and this popularity arises from the fact that it universally cures all who use it. There is no case of Coughs, Colds, Sore Throat, Asthma, Bronchitis, Croup, Blood-spitting, Hoarseness, and even Pulmonary Consumption, where the system is not broken down with the wear of the disease, or pretended medicine, or inexperienced advice, that this Balsam will not cure if carefully used, according to directions. We guarantee it all we represent it to be, and invite a trial from the afflicted everywhere. Price, 50 cents, medium size, and $1 for large sized bottles. Prepared only by

GROVER & BAKER'S SEWING MACHINE.

The following are selected from thousands of testimonials of similar character, as expressing the reasons for the preference for the GROVER & BAKER Machines over all others.

"I like the Grover & Baker Machine, the first place, because, if I had any other, I should still want a Grover & Baker, and, having a Grover & Baker, it answers the purpose of all the rest. It does a greater variety of work and it is easier to learn than any other."—*Mrs. J. S. Lusby, Jersey Jane.*

"I have had several years' experience with a Grover & Baker Machine, which has given me great satisfaction. I think the Grover & Baker Machine is more easily managed, and less liable to get out of order. I prefer the Grover & Baker, decidedly."—*Mrs. Dr. Watts, New York.*

"I have had one in my family for some two years, and from what I know of its workings, and from the testimony of many of my friends who use the same, I can hardly see how anything could be more complete or give better satisfaction."—*Mrs. General Grant.*

"I believe it to be the best, all things considered, of any that I have known. It is very simple and easily learned; the sewing from the ordinary spools is a great advantage; the stitch is entirely reliable; it does ornamental work beautifully; it is not liable to get out of order."—*Mrs. A. M. Spooner, 28 Bond Street, Brooklyn.*

"I am acquainted with the work of the principal machines; and I prefer the Grover & Baker to them all, because I consider the stitch more elastic. I have work now in the house which was done nine years ago, which is still good."—*Mrs. Dr. McCready, No. 13 East Twenty-third Street, New York.*

"More than two-thirds of all the sewing done to my family for the last two years has been done by Grover & Baker's Machine, and I never had a garment rip or need mending, except those rents which frolicsome boys will make in whole cloth. It is in my opinion by far the most valuable of any I have tried."—*Mrs. Henry Ward Beecher.*

The Grover & Baker Sewing Machine Company manufacture both the Elastic Stitch and Lock Stitch Machines, and offer the public a choice of the best machines of both kinds, at their establishments in all the large cities, and through agencies in nearly all towns throughout the country. Price Lists and samples of sewing in both stitches furnished on application to Grover & Baker S. M. Co., 115 Market street, Harrisburg.
