Remem place there is no hope, and the constitue auctioneer ber the sign of the Big Red Chair on the tional symtoms follow immediately .- Paul Smith, of Delaware township, niata county, and Miss SARAH J. SHIRK, pole on Main street, Mifflintown.

Sworn In .- The following item from the Dally Union, published at South Carolina, explains itself:

"The contested election case of Chesterfield county, was disposed of yesterday in the House, the sitting members being ousted, and the contestants declare ed entitled to the seats, one of whom (Mr. Littlefield) was sworn in."

"CLEANSING THE BLOOD," upon which charlatans have harped so much, is not a mere catch-word and delusion .-The miscroscope shows that some diseas. es exist like parasitic growths upon the globules of the blood, and it is further known that some subtle substance destroy or expel them. These substances have been combined to make Aver's Sarsaparilla, which does effectually expel the disorders that breed and rankle in the blood to rot out as it were the machinery of life .- Mercer (Pa.) Whig.

A Spook. - Fulton county has a spook. The Fulton Democrat tells the story thus: "It seems that there is quite an excitement at Water Fall Mills, near the Gap, about a spook, or the mill being haunted. They say it comes in the shape of a man without a head, then again, in the shape of a calf or hog .-On Satuadry night there was upwards of thirty persons to see it. It throws things around quite freely. When in the shape plication of the caustic, the wound may of a calf, it has chains to its legs-throws be poulticed with bread and milk for two all the doors open about the mill at once, days, and then dressed with simple calve runs barrel-heads through a solid floor Prof. Smith says that in the course of fifand leaves no mark-throws the fire out ty years practice, he has had occasion, in of the stove. Barrels, bags and castings many instances, to treat the bites of dogs undoubtedly rabid, and has never known are thrown around promisenously. One the disease to result, when the above man went to see it with a gun and went preventive measures were employed withhome without it, scared nearly to death. in three days after the bite.
