Sewing Machines.
THE CELEBRATED SINGER
SEWING MACHINE

 THE superior merits of the "Singer" Ma-
 chines over all others, for either family
 use or manufacturing purposes, are so well
 established and so generally admitted, that
 an enumeration of their relative excellencies
 is no longer considered necessary.
OUR NEW FAMILY MACHINE,
 which has been years in preparation and
 which has been brought to perfection regard-
 less of time, labor or expense, and is now
 confidently presented to the public as com-
 parably the best Sewing Machine in exist-
 ence.

The Machine in question is simple, com-
 pact, durable and beautiful. It is quiet, high
 running, and capable of performing a range
 and variety of work never before attempted
 upon a single Machine—using either Silk-
 Twist, Linen or Cotton Thread, and sewing
 with equal facility the very finest and coarsest
 materials, and anything between the two ex-
 tremes, in the most beautiful and substantial
 manner. Its attachments for hemming, bridg-
 ing, cording, tucking, quilting, felling, trim-
 ming, binding, &c., are novel and practical,
 and have been invented and adjusted espe-
 cially for this Machine.

Clothing always kept on hand at our
 Machine Store on Bridge street, Mifflintown,
 Pa., for the inspection of the public, and for
 sale at the most reasonable prices.
 Machine Cotton, Needles, Thread, Oil, &c.,
 and everything pertaining to this Machine
 constantly kept on hand for sale.

**GROVER & BAKER'S
 SEWING MACHINE.**
 The following are selected from thou-
 sands of testimonials of similar character,
 as expressing the reasons for the preference
 for the GROVER & BAKER Machines
 over all others.

"I like the Grover & Baker Machine, in
 the first place, because, if I had any other, I
 should still want a Grover & Baker, and hav-
 ing a Grover & Baker, it answers the purpose
 of all the rest. It does a greater variety of
 work and it is easier to learn than any other."
 —Mrs. J. C. Cray (Jenny) June

"I have had one in my family for some two
 years, and from what I know of its workings,
 considered of any that I have known. It is
 very simple and easily learned; the sewing
 from the ordinary press is a great advan-
 tage; the stitch is entirely reliable; it does
 ornamental work beautifully; it is not liable
 to get out of order." —Mrs. A. M. Spomer, 26
 Bond Street, Brooklyn.

"I am acquainted with the work of the
 principal machines; and I prefer the Grover &
 Baker to them all, because I consider the
 stitch more elastic. I have worked now in the
 house which was done nine years ago, which
 is still good." —Mrs. Dr. McCready, No. 43
 East Twenty third Street, New York.

"More than two-thirds of all the sewing
 done in my family for the last two years has
 been done by Grover & Baker's Machine, and
 I never had a garment rip or need mending,
 except those rents which frolicsome boys will
 make in whole cloth. It is in my opinion by
 far the most valuable of any I have tried."
 Mrs. Henry Ward Beecher.

The Grover & Baker Sewing Machine
 Company manufacture both the Elastic
 Stitch and Lock Stitch Machines, and offer
 the public a choice of the best ma-
 chines of both kinds, at their establish-
 ments in all the large cities, and through
 agencies in nearly all towns throughout
 the country. Price Lists and samples of
 sewing in both stitches furnished on applica-
 tion to Grover & Baker S. M. Co.,
 115 Market street, Harrisburg,
 April 27, 1870.

**Ayer's
 Hair Vigor,**
**For restoring Gray Hair to
 its natural Vitality and Color.**
 A dressing which
 is at once agreeable,
 healthy, and effectual
 for preserving the
 hair. Faded or gray
 hair is soon restored
 to its original color
 with the gloss and
 freshness of youth.
 This hair is thick-
 ened, falling hair checked, and bald-
 ness often, though not always, cured
 by its use. Nothing can restore the
 hair where the follicles are destroyed,
 or the glands atrophied and decayed.
 But such as remain can be saved for
 usefulness by this application. Instead
 of fouling the hair with a pasty sedi-
 ment, it will keep it clean and vigorous.
 Its occasional use will prevent the hair
 from turning gray or falling off, and
 consequently prevent baldness. Free
 from those deleterious substances which
 make some preparations dangerous and
 injurious to the hair, the Vigor can
 only benefit but not harm it. If wanted
 merely for a

HAIR DRESSING,
 nothing else can be found so desirable.
 Containing neither oil nor dye, it does
 not soil white cambric, and yet lasts
 long on the hair, giving it a rich glossy
 lustre and a grateful perfume.

DR. SIMMS' White Pulmonic Balm.
 It cures with a rapidity unequalled by any
 other remedy offered for Throat and Lung
 diseases. It is recommended by over 200
 persons in Wilmington, and throughout
 Philadelphia, Baltimore and other cities and
 communities throughout the country. Mr.
 Pennington, of Wilmington, Illinois, writes
 that there is not (with a few exceptions) a
 family in that city who do not have it, and
 if possible to procure it. Such is its popu-
 larity wherever it is known—and this
 popularity arises from the fact that it
 universally cures all who use it. There is no
 case of Cough, Cold, Sore Throat, Acute
 Bronchitis, Croup, Blood-spitting, Inflan-
 nery, and even Pulmonary Consumption,
 where the system is not broken down with
 the wear of the disease, or prolonged medi-
 cine, or inexperienced advice, diffusion of
 blood will not cure if carefully used, accord-
 ing to directions. We guarantee it all we
 represent it to be, and invite a trial from the
 afflicted every where. Price, 50 cents. Medi-
 cinal size, and \$1 for large sized bottles. Pre-
 pared only by
