The following are selected from thousands of testimonials of similar character, Store Room, Bridge street, we are again as expressing the reasons for the preference for the GROVER & BAKER Machines

"I like the Grover & Baker Machine, in the first place, because, if I had any other, I should still want a Grover & Baker, and, hav ing a Grover & Baker, it answers the purpose of all the rest. Ayer's Sarsaparilla, FOR PURIFYING THE BLOOD.

Scroftlous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeelding or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this Sersapperilla is advisable, even when no active symptoms of disease

ations on some part of the body. Hence the occasional use of a bottle of this Serrasparilla is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this SARSAPARILLA. St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Hend, Ringworm, Sore Eyes, Sore Ears, and other eruptions or visible forms of Scropislous disease. Also in the more concealed forms, as Dyspepsia. Droppy, Heart Disease, Fits, Epilepsy, Neuralgie, and the various Ulereous affections of the muscular and nervous systems.

Syphilis or Venercal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. Leucorrhava or Whites, Uterine Ulerrations, and Female Diseases, are commonly soon releved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almannac, supplied gratis. Reumatism and Gout, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also Liver Complaints, Toopidity, Congestion or Inflammation of the Liver, and Jaundice, when arising, as they often do, from the rankling poisons in the blood. This SARSAPARILLA is a great restorer for the strength and vigor of the system. Those who are Languid and Listless, Despondent, Steepless, and troubled with Nervous Apprehensions or Fears, or any of the affections symptomatic of Weakness, will find immediate relief and convincing evidence of its restorative power upon trial.
