**Sewing Machines.**

**THE CELEBRATED SINGER**  
**SEWING MACHINE**  
The superior merits of the "Singer" Ma-  
chines over all others, for either family  
use or manufacturing purposes, are so well  
established and so generally admitted, that  
an enumeration of their relative excellencies  
is no longer considered necessary.  
**OUR NEW FAMILY MACHINE,**  
which has been years in preparation and  
which has been brought to perfection regard-  
less of time, labor or expense, and is now  
confidently presented to the public as com-  
parably the best Sewing Machine in exist-  
ence.  
The Machine in question is simple, com-  
pact, durable and beautiful. It is quiet, light  
running, and capable of performing a range  
of work, never before attempted upon  
a single Machine—using either Silk-  
Twist, Linen or Cotton Thread, and sewing  
with equal facility the very finest and coarsest  
materials, and anything between the two ex-  
tremes, in the most beautiful and substantial  
manner. Its attachments for hemming, blind-  
ing, cording, quilting, felling, trimming,  
binding, etc., are novel and practical,  
and have been invented and adjusted espe-  
cially for this Machine.  
Machines always kept on hand at our  
Clothing Store on Bridge street, Mifflintown,  
Pa., for the inspection of the public, and for  
sale at the most reasonable prices.

and everything pertaining to this Machine  
constantly kept on hand for sale.

Mifflintown, July 13, 1879-1y.

**GROVER & BAKER'S**  
**SEWING MACHINE.**  
The following are selected from thou-  
sands of testimonials of similar character,  
as expressing the reasons for the preference  
for the GROVER & BAKER Machines  
over all others.  
"I like the Grover & Baker Machine, in  
the first place, because, if I had any other,  
I should still want a Grover & Baker, and,  
having a Grover & Baker, it answers the purpose  
of all the rest. It does a greater variety of  
work and it is easier to learn than any other."  
—Mrs. J. C. Orin (Jenny Jane)  
"I have had several years' experience with  
a Grover & Baker Machine, which has given  
me great satisfaction. I think the Grover &  
Baker Machine is more easily managed, and  
less liable to get out of order. I prefer the  
Grover & Baker, decidedly." —Mrs. Dr. Watts,  
New York.  
"I have had one in my family for some two  
years, and from what I know of its workings,  
and from the testimony of many of my  
friends who use the same, I can hardly see  
how anything could be more complete or give  
better satisfaction than the Grover & Baker."  
"I believe it to be the best, all things con-  
sidered, of any that I have known. It is  
very simple and easily learned; the sewing  
from the ordinary spools is a great advan-  
tage; the stitches are entirely perfect. It does  
ornamental work beautifully; it is not liable  
to get out of order." —Mrs. J. M. Spencer, 36  
Dana Street, Brooklyn.  
"I am acquainted with the work of the  
principal machines, and I prefer the Grover  
& Baker to them all, because I consider the  
stitch more elastic. I have worked in the  
house which was done one year ago, and it  
is still good." —Mrs. Dr. McCarty, No. 43  
St. Henry Street, New York.  
"More than twenty of all the sewing  
done in my family for the last two years has  
been done by Grover & Baker's Machine, and  
I never had a garment rip or need mending,  
except those rents which frolicsome boys will  
make in whole cloth. It is in my opinion the  
most valuable of any I have tried."  
—Mrs. Henry Ward Beecher.  
The Grover & Baker Sewing Machine  
Company manufacture both the Elastic  
Stitch and Lock Stitch Machines, and  
offer the public a choice of the best ma-  
chines of both kinds, at their establish-  
ments in all the large cities, and through  
agencies in nearly all towns throughout  
the country. Price Lists and samples of  
sewing in both stitches furnished on ap-  
plication to Grover & Baker's S. M. Co.,  
115 Market Street, Harrisburg,  
April 27, 1879.

**Ayer's Cherry Pectoral,**  
For Diseases of the Throat and Lungs,  
such as Coughs, Colds, Whooping  
Cough, Bronchitis, Asthma,  
Probably never before in the whole history of  
medicine, has anything so widely and so speedily  
spread, and so completely cured, as this  
remedy for pulmonary complaints. Through a long  
series of years, and among most of the races of  
men it has been known and held in their esteem.  
It is so simple and so easy to use, that it is  
the best remedy for the most common affec-  
tions of the lungs and throat, and has made it known as a  
reliable protector against them. While adapted to  
milder forms of disease and to young children, it is  
at the same time the most effective remedy that can  
be given for incipient consumption, and the dan-  
gerous affections of the throat and lungs. As a pre-  
ventive against sudden attacks of Croup, it should  
be kept on hand in every family, and used as  
soon as the first symptoms appear. It is some-  
times subject to colds and coughs, and  
should be given in such cases, as the excellent  
and patient restored to sound health by the  
Cherry Pectoral in the most complete manner.  
Although settled Consumption is thought in-  
curable, still great numbers of cases which the dis-  
ease seemed settled, have been completely cured,  
and the patient restored to sound health by the  
Cherry Pectoral in the history of the cure of  
Cherry Pectoral they subsided and disappear.  
Sufferers and Public Spectators find great pro-  
tection from it.  
Asthma is always relieved and often wholly  
cured by it.  
Bronchitis is generally cured by taking the  
Cherry Pectoral in small and frequent doses.  
So generally are its virtues known that we need  
not publish the certificates of those here, or do more  
than assure the public that its qualities are fully  
maintained.

**Ayer's Ague Cure,**

Chill Fever, Remittent Fever, Dumb  
Ague, Periodical or Bilious Ague, and

poisons.  
As its name implies, it does cure, and does not  
fail. Containing neither Arsenic, Quinine, Bismuth,  
Zinc, nor any other poisonous substance,  
whatever it is in no wise injurious to patients.  
It is a simple and pleasant medicine, and  
trials, are liberally beyond account, and we believe  
that a single trial will convince you of its  
superiority. It is sold by all druggists, and  
wholesale agents, and is the only preparation  
of the radical cures effected in obstinate  
cases, and where other remedies had wholly failed.

cause neither nausea nor griping pains. They  
are composed of the finest ingredients. After  
a few days' use of them, such invigoration

marvellous to the weak and enervated, with-
