discovery with Summerfield's condition.

given in a series of nine resolutions, that are too long for insertion here. Nearly one-half of the Democratic party in this county is opposed to the change whichof the age, but no organization that we know of has been attempted against it.

It is not a year since the Democracy of Juniata was fierce in its advocacy of the "White Man's Party." On the 8th From State politics he passed in 1856 to and something must be done or the Paof last August the County Convention of a more extended field, being in that memthe following resolution, which was the

county less than one year ago resolved. States. In the issue of the Register following the "In personal appearance Mr. Vallan- the public know the rest. Having been one in which the proceedings of the conwention was published, that paper said: about five feet eight inches high, with a law, I make this final appeal to my "From all parts of the county comes the keen, dark eye, slightly curling bair, fellow-men throughout the State, and cheering news that the Democracy are a with florid complexion, and wearing a asking them confidently not to reverse unit upon the Democratic or 'white man's moustache and whiskers. He was a the judgment already pronounced." footbold within the limits of Juniata friends were many and warm in their inst. People had been crowding into the The gendarmes then rode away, leaving lingered until about 11 o'clock the next county. Let every Democrat pull off his affection for him; his political foes were city for two weeks to witness the pro- the bodies as they had fallen. coat and go to work at once for the white no fewer, or correspondingly less bitter cession, which a dispatch says was one man's ticket." And so on through the in their detestation of his principles and of the most magnificent of modern times, cause of the white man's party. It don't prudence of his course." talk so now, though. It has taken the new departure, and dropped the white man's party.

No objection can be urged to the change, or new departure, if it is honestly made. The Republican party can congratulate itself that some of its vital principles have been adopted by its political opponents. The lost cause-slavery-or the doctrine that capital should own its labor, is dead, and the great por-

THE Pennsylvapia Editorial Association met at Williamsport last week. All the reports from there represent it as a most pleasant and profitable meeting.

The State Democratic Editorial Association met at Bellefonte about the same time, and transacted its business, after which a number of its members went over to Williamsport and joined in the enjoyable excursions in which the State Association was indulging.

THE professions of the departed Democracy should be taken with a good deal of allowance They may be, and they may not be honest. A good test to try them on will be the Legislative ticket. They will stick to that as a leach sticks to a blood-vessel. They hope to carry the Legislature this coming fall.

THE Pennsylvania State Medical Society held its sessions at Williamsport nist that met last Sabbath and endorsed last week. The notorious rule against the Paris Commune, and bitterly dewomen physicians, after an animated dis. nounced M. Thiers cussion and a determined opposition, was rescinded-yeas, 50; pays, 40.

LAST week the Iowa Democratic State Convention met and accepted the "new departure." The old liners fought it, but WESTON last week walked four hun-
