**REV. DAVID D. SANDBERSON, of Edgewood, Greene county, Alabama,** within the past week, paid Millfin, Perryville, and Tuscarora and Lost Creek Valleys a "visiting visit." His old friends, and old and new acquaintances gave him a hearty welcome, and regretted that his stay in their midst was so short.

This Register this week publishes several articles taken from other papers, on rings. It has long been in order for the Register to tell something of the ring in this county, of which it is a satellite. It would be as consistent for Satan to preach Christianity as it is for the Register to denounce rings.

**ACCIDENT—**A dog made of three bones sixteen feet long, loosened from its hinges at the west end of a lumber dry house on the Shavers & Schell lot, last Monday evening, and in falling over struck Isaac Eika—who was assisting to remove boards from the house—on the right temple, falling him to the ground and rendering him unconscious for some time.

**BANK OFFICERS.**—At a meeting of the stockholders of the Juniata Valley Bank, on Monday last, the following named gentlemen were elected officers for the ensuing year:  
President—Joseph Pomeroy.  
Cashier—T. V. Irwin.  
Directors—Joseph Pomeroy, John J. Patterson, George Jacobs, Jerome N. Thompson, John Balsbach.  
Cashier of Perryville Branch—J. H. Irwin.

The Bloomsburg Republican, of July 26, publishes the following obituary: Died at the residence of Mrs. Shipman, in this place, on Sunday last, an old man that was captured by a soldier of the 129th Pennsylvania volunteers, in the charge on Frederickburg, December, 1862. She was carried through the fight on a soldier's knapsack, and served with the regiment until its discharge from the service, in May 1863.

This city dog-catchers used to kill the dogs they caught that were not reclaimed, by striking them on the head with a club or hatchet, shooting, &c. This method was slow and tedious, only one animal at a time being killed. Now they put all the dogs they have in their possession at a stated time into a close room, and pour sulphuric acid upon a mass of whiting; the compound generates a deadly poison that kills in less than a minute.

The Meteor Base Ball Club of this place, is this week making a tour of a number of towns along the Juniata above Millfin. The decline in base ball interest is very marked. Through corruption of players the game now seems more a means of individual aggrandizement than a healthy and pleasant sport. The "Metors" of our place, however, filled with the original and true impulse of the game, have determined upon a short excursion. It is their intention to compete for the wreath of honest victory with the Hollidaysburg, Altoona, Huntingdon and Lewisport clubs respectively. They take with them our best wishes. In event of defeat they have our deepest sympathies. Should success crown their efforts, our heartiest congratulations are all the more freely given.

**NEVER wear anything tight around the waist, limb, or neck; as it impairs circulation, and induces frequent attacks of acute dyspepsia.—Medical Independent.**

On Tuesday morning, J. Cloyd Kreider, employed on the Red oak, while working press, was seriously injured by being struck in the stomach by the rounce of the press, a screw connecting the belt with the rounce pulley having broken. Upon being restored to consciousness, he was conveyed to his hotel and from there to the residence of his brother, Tobias Kreider, in the First Ward where he now lies. His injuries are quite serious.—*Blair County Radical.*

**AFRICAN WINES.**—It is not generally known that Cape Colony produces the most delicious wines grown on the face of the earth. A cargo received as a remittance by our neighbors Dr. J. C. Ayer & Co. contains several varieties raised there, among which the Constanca commands the highest price of any wine in the world. Almost the entire crop is consumed in the palaces of Europe. This rare exception being sent to them in exchange for their medicines, which have long been the staple remedies of South Africa.—*Boston Journal.*

**HALL'S VEGETABLE SICILIAN HAIR REMOVER** now stands among the first, and at the head of all articles for a similar purpose. The testimony of our physicians is conclusive as to its value; and we are personally acquainted with scores of cases where it has been used with the best results. It will restore gray hair to its original color, and leaves it glossy, and in a healthy condition; while, for heads troubled with dandruff, or any disease of the scalp, it acts like a charm in cleansing them. Try it, and you will not be disappointed.—*Lowell Courier, May 2, 1868.*

**ACCIDENT.**—Last Saturday evening, while a gang of men were returning from work in the Narrows on a hand car, the crank of the car caught in the clothing of W. Crawford and threw him forward against Adam Ernest, jr. Both men fell on the track in front of the car, each on a rail on the respective sides. The car passed over them. Mr. Crawford had his jaw broken, several cuts about his head, and his left shoulder and arm badly bruised. Mr. Ernest also had several cuts about the head and bruised about the hip, but will be able to resume work in a short time.

**FATAL ACCIDENT.**—On Thursday, the 20th ult., a son of Eliel Mevey, of Oliver township, aged about 16 years, had an adventure which resulted in his death. He had noticed that a squirrel had a nest in the trunk of a tree near his father's house, made his way up, and when at the height of twenty feet, he stirred into a hole with a stick, when a blacksnake struck his head towards his face. The boy it seems either attempted to jump to the ground, or lost his hold and fell. He went to the house, and did not at first seem much hurt; but subsequently it was found that he had sustained internal injuries, from which he died on the 27th.—*Lebanon Gazette.*

F. C. MOYER, of Freeburg, Snyder county, has opened a Musical College at that town. Freeburg has for years been noted for the musical inclination and ability of its inhabitants. In the Concert Hall of this institution six hundred persons can be seated. The large stage is furnished with an excellent Piano, a large National Organ and one smaller organ, besides a complete variety of other musical instruments, blackboard music and music books. Send your children to the Freeburg Musical College. Mr. Moyer is an old Professor, and his institution is complete in every department to impart a musical education.

Wanted.—A male Music Teacher, single. Address F. C. MOYER, Director, Freeburg, Snyder Co., Pa.

**FATAL RAILROAD ACCIDENT.**—An accident occurred at Puncannon on Saturday morning, resulting fatally a few hours after. A man whose name we could not ascertain, in attempting to jump on a moving freight train, fell, and both of his feet were run over. The right leg, from the knee down, was horribly mangled and crushed. The left foot was also badly lacerated. Dr. Rutherford promptly went to the relief of the injured man, and from the first pronounced his condition hopeless, and beyond the reach of surgical skill. The man, however, persisted in having his leg amputated, which was performed after a short time after the operation. He is said to have a mother residing in this city, named Mrs. John Monroe.—*Harrisburg State Journal.*

**CANDIDATES' CARDS.**  
**PRESIDENT JUDGE.**  
Mr. FORTS:—The time is near at hand when the people of this county will have to select candidates for the various offices to be filled at the October election; and while it is highly important that good men should be chosen for every position, we in common with the voters of Cumberland and Perry counties, have one office to fill of more than ordinary importance—I mean that of President Judge, an office we are called upon to fill only once in ten years, and which, from its very nature, requires that no one who does not possess the necessary qualifications should be selected to fill. The candidate should be a man of sound legal learning, strong mind, good judgment, unbending integrity, industrious habits, and one who can control his temper, be firm and entirely free from all political bias, and who would zealously guard the interests of the people in the administration of justice. I know of no one in the District who possesses these qualities in a more eminent degree than the Hon. B. F. JENKINS, of Bloomfield, Perry county.—Mr. JENKINS is well and favorably known in this county, and could be prevailed upon to permit his name to be used as a candidate, his nomination would be gratifying to almost every Republican in this county. Cumberland county has had the candidate ever since the formation of the District, and it would hardly be just or fair for them to claim it again at this time.

**POPULUS.**  
**ASSOCIATE JUDGE.**  
The office of Associate Judge, though not lucrative, is one of the most important in the county. We have frequently heard the name of Dr. J. W. BEALE, of the borough of Perryville, mentioned as a suitable candidate for this position. He is popular, able and of unimpeachable integrity; a man of moderation in his political views, and favorably known to the whole community. He is therefore offered to the Republicans of the county as their candidate for Associate Judge; and for this purpose will be supported by  
**MANY CITIZENS.**

**ASSOCIATE JUDGE.**  
D. M. JAMESON, of Fayette township, is one of the deservedly popular Republicans of Juniata county. His nobleness and integrity is recognized wherever he is known. Such qualities fit him for the position of Judge; therefore, at the earnest solicitations of many of his friends, we ask that he be presented to the people of Juniata county as a candidate for Associate Judge.

**CITIZENS OF FAYETTE AND MIFFLIN.**  
**ASSOCIATE JUDGE.**  
Mr. EDITOR:—Please announce that old Whig and Republican war-horse, MICHAEL HOFFMAN, of Fayette township, as a candidate for Associate Judge, subject to Republican usage.  
**DELAWARE.**  
**LEGISLATURE.**  
Mr. EDITOR:—Please announce NOME HESTER as a candidate for the Legislature. Anything more than the announcement of Mr. Hester's name would be superfluous. He is well and favorably known throughout the entire county.  
**JUNIATA.**  
**LEGISLATURE.**  
Mr. EDITOR:—Please announce Hon. JOS. M. POMEROY, of Beale township, as a candidate for the Legislature for this district, subject to the Republican nomination.  
**FAYETTE.**  
**TREASURER.**  
Mr. EDITOR:—Please announce W. C. LAMER, Esq., of Patterson, as a candidate for County Treasurer, subject to the usages of the Republican Primary Election. Mr. LAMER is well and favorably known throughout the county as an excellent business man. He would make a strong candidate, and, if elected, would be a popular Treasurer.  
**TUSCARORA.**  
**COMMISSIONER.**  
Mr. EDITOR:—I would recommend to the electors of Juniata county, CALLEN JOYCE, of Perryville, as a suitable man for the office of County Commissioner. He is well qualified for the position, being a good accountant, a sound Republican, and, if elected, would give general satisfaction.  
**A CITIZEN OF TURETTY.**  
**COUNTY SURVEYOR.**  
If we desire to make a vigorous campaign this Fall, it is necessary that we have staunch men in the fore front of the battle from one end of the line to the other. WILLIAM DENN, of Fayette, is a suitable man to fill one of the trying places. Please announce him as a candidate for County Surveyor.  
**MIFFLIN.**
