SAVED BY HIS DOG.

A Sanguinary Encounter with a Wildcat.

Correspondence of the N. Y. Sun]

PINE HILL, N. Y., Aug. 13.—At 10 o'clock on Friday morning a dog belonging to one John Felter, a woodchopper, was heard barking in the mountains some distance from the house. Mr. Felter's little son, 12 years old, knowing by the bark of the dog that some important game was on foot, set out for the mountains. His mother felt a little anxious after the boy had gone, and for some time listened to the barking of the dog. After half an hour the barking ceased; and, as hour after hour passed away and the boy did not make his appearance, the mother set out to go to one of the neighbors to secure their help in a search for the boy. On the road she met her husband returning from the village, where he had that morning been attending to some business. He listened to his wife's story, and trying to calm her fears, went back with her to the house, and taking his gun started toward the place indicated by his wife.

Mr. Felter traveled about through the mountains until late in the afternoon, seeing nothing, hearing nothing, and was about to return home when he almost stumbled over the dead carcass of a wild cat. It was a very large male. Everything indicated a terrible conflict. The spectacle gave Mr. Felter an apprehension that some terrible thing had happened to his boy. Examining the leaves and underbrush he had little difficulty in finding a trail of blood, and this he followed nearly a hundred yards. Then he came upon the dog, standing over the body of his son, who was prostrate on the ground. The dog was earnestly looking at the boy, and occasionally licking his face and hands. On Mr. Felter's approach he gave a loud bark and pranced about with joy. The father knelt by the side of his son and placed his hand over the heart. With joy unspeakable he found the little fellow alive, but terribly wounded, as it appeared, by the claws of the wildcat.

The little fellow's clothes were almost torn to shreds, and his flesh was terribly lacerated from head to foot. He was suffering from loss of blood, but his wounds had been handsomely dressed by the faithful dog, which had for hours been standing by him, licking them. Taking his boy in his arms, the father made his way to his home, followed by the ever faithful dog. After reaching the house, restoratives being administered, the boy was able to tell his story.

He came upon the wildcat, and seeing that his catship held the dog at bay, having an advantageous position, he attempted to dislodge him, first with stones; but these the beast did not seem to mind. Then he got a pole and attempted to poke him out. At this the wildcat became enraged, and springing upon the boy, scratched and tore his flesh as above related. At this the dog dashed at the cat and soon dispatched it. The boy attempted to go home, but sank to the ground exhausted.

The little fellow is doing well. The good nursing of the dog has done much toward allaying the inflammation; the licking of the wounds by the faithful animal has undoubtedly saved the boy's life.

A LONG BRANCH STORY.

The wife of a gentleman at one of the hotels at Long Branch tells a good story at her husband's expense. It is well understood that they did not live pleasantly together, but evidence of this is scarcely seen in public. The other evening, when taking their usual drive—they are both high spirited and hard to curb, and when their tempers are aroused there is no controlling them—one word brought on another, when the husband said:

"You will drive me mad."

"I should call that an admirable driving," retorted the wife.

"By —!" exclaimed the husband, "if you say another word I will drive into the sea."

They were then near one of the roads, in the vicinity of Gen. Grant's cottage, that leads down to the beach.

"Another word!" screamed the lady. "Drive where you please," she added, "into the sea. I can go as deep as you dare to go, any day."

He became furious, took her at her word, and drove the horses and vehicle into the ocean. They began to swim. He held in, looked into her face, and she laughed in his.

"Why do you stop?" she demanded, exultingly, exhibiting not the slightest alarm.

"You are a devil," he exclaimed, turning the horses about, and making for the shore with all expedition.

"Pooh! pooh!" laughed the tormentor. "Learn from this that there is no place where you dare to go where I dare not accompany you."

"Even to——?"

"The only exception," she answered with a chuckle. "There, my dear, I will leave you."

She had conquered. The pair returned to the house, and the only evidence of anything extraordinary having occurred was the appearance of the poor horses.

Children are inquisitive bodies—for instance: "What does cleave mean, father?" "It means to unite together." "Does John unite wood when he cleaves it?" "Hem, well it means to separate." "Well, father, does a man separate from his wife when he cleaves to her?" "Hem hem, don't ask so many foolish questions, child."

The Great Medical Discovery!

DR. WALKER'S CALIFORNIA

VINEGAR BITTERS,

Hundreds of Thousands

Bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

THEY ARE NOT A VILE

FANCY DRINK,

Made of Poor Rum, Whiskey, Proof spirits and Refuse Liquors doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to direction and remain long unwell.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION.

Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which renders them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle.

HAIR RENEWER

Nine years before the public, and no preparation for the hair has ever been produced equal to Hall's "Vegetable Sicilian Hair Renewer," and every honest dealer will say it gives the *best satisfaction*. It restores GRAY HAIR to its original color, eradicating and preventing dandruff, curing BALDNESS and promoting the growth of the hair. The gray and brashy hair by a few applications is changed to black and silky locks, and wayward hair will assume any shape the wearer desires. It is the cheapest HAIR DRESSING in the world, and its effects last longer, as it excites the glands to furnish the nutritive principle so necessary to the life of the hair. It gives the hair that splendid appearance so much admired by all. By its tonic and stimulating properties it prevents the hair from falling out, and none need be without Nature's ornament, a good head of hair. It is the first real perfected remedy ever discovered for curing diseases of the hair, and it has never been equalled, and we assure the thousands who have used it, it is kept up to its original high standard. Ayer's Cherry Pectoral,

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine, has anything won so widely and so deeply upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men it has risen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a provision against sudden attacks of *Croup*, it should be kept on hand in every family, and indeed as all are sometimes subject to colds and coughs, it should be provided with this antidote for them.

Although settled *Consumption* is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the *Cherry Pectoral*. So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of them yield to it. When nothing else could reach them, under the *Cherry Pectoral* they subside and disappear.

Singers and Public Speakers find great protection from it.

Asthma is always relieved and often wholly cured by it.

Bronchitis is generally cured by taking the *Cherry Pectoral* in small and frequent doses.

So generally are its virtues known that we need not publish the certificates of them here, or do more than assure the public that its qualities are fully maintained.

Ayer's Ague Cure,

For Fever and Ague, Intermittent Fever, Chill Fever, Remittent Fever, Dumb Ague, Periodical or Bilious Fever, &c., and indeed all the affections which arise from malarious, marsh, or miasmatic poisons.

As its name implies, it does *Cure*, and does not fail. Containing neither Arsenic, Quinine, Bismuth, Zinc, nor any other mineral or poisonous substance whatever, it in no case injures any patient. The number and importance of its cures in the Ague districts, are literally beyond account, and we believe without a parallel in the history of Ague medicine. Our pride is gratified by the acknowledgments we receive of the radical cures effected in obstinate cases, and where other remedies had wholly failed.

Unaccustomed persons, either resident in, or travelling through miasmatic localities, will be protected by taking the *AGUE CURE* daily.

For *Liver Complaints*, arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity.

For Bilious Disorders and Liver Complaints, it is an excellent remedy, producing many truly remarkable cures, where other medicines had failed.
