TOWN AND COUNTRY. Vendue Notes for sale at this office. OYSTERS are \$55 a bushel in England. It is said that Sassafras tea is a preventive of small pox. On the 30th ult. John Reed, of Centre County, was killed by a tree falling on him. Spring like and cheering.—The sunshine of last Sunday and Monday morning. Rhoads & Wilson will ship a car load of horses and sheep, the last of this week. The Juniata Scouts drew their saddles, bridles, and other accoutrements, on Saturday last, from the State. The Lewistown Gazette chronicles the advent of the first "shad flies" of the season, at that town, on the 6th inst. The Third Annual Rifle Tournament of the Huntingdon Sportsmen's Club will be held as usual, on the 22nd of February. LAST Saturday Mrs. Jacob Whitmer, of Fayette township, fell on the ice as she was in the act of stepping into the door of her house, and broke a leg between the knee and hip joint. There will be an adjourned meeting of the Fayette Union Guards, held at the Oakland School House, on Friday evening, the 16th inst. All are invited to attend and join the Company. By order of W. J. SHIRK, Chairman. ATTENTION.—All persons favorable to the organization of a Volunteer Infantry Company are requested to meet in the Court House, Millintown, on Saturday evening, February 17th at 7 o'clock. A full turnout of the members is earnestly desired. The company numbers 34 members. MANY MEMBERS. A BILL has been introduced into the State Senate, to regulate the public printing throughout the State. If this bill meets with the approval of the Legislature and receives the signature of the Governor, the special act governing the public printing in this county will be null and void. A Grand Musical Entertainment will be given by the McAllisterville Lodge of Good Templars and others, at McAllisterville, on Thursday, Feb. 22, 1872, to consist of Vocal and Instrumental Music, interspersed with Chateaux, Tableaux, Dialogues and Declamations. A general invitation is extended. Admission 25 cents. SPECIAL ANNOUNCEMENT.—A meeting will be held in Perryville, on Saturday, February 17, 1872, at 2 o'clock P. M., for the purpose of taking the preliminary steps towards organizing a "Volunteer Rifle Company." It is very desirable that there should be a full attendance of the young men of the neighborhood. It is now generally admitted by honest physicians, that when once the consumption is fairly fastened upon the lungs, no human power can save the patient from death. They also say that about fifty per cent. of those who die from this disease can trace the cause to a neglected cough or cold, which might have been cured by a small bottle of Liquid Opodeldoe, or what is the same thing, Johnson's Anodyne Liniment. On Monday night, between the hours of ten and eleven o'clock, an effort was made to enter the toll house at the river bridge, by some unknown persons. Miss Dolan, who had retired, heard the noise and asked what was wanted. Those outside still persisted in their efforts to enter. Miss Dolan became alarmed, called loudly for help. A number of our citizens hearing the alarm hastened to the house, but the scoundrels had fled.

The ice on the river last week was strong enough to bear horses and wagons or sleighs. It was not known, however, that a sleighing course could be marked around the island until on Friday afternoon, when Mr. Noah Elder drove around it in a sleigh, and marked out a course. Anticipations of glorious sleigh rides were indulged in by those fond of the sport. But they were dissipated by the recent thaw. The ice is spoiled, and the rides were not enjoyed only in anticipation.

CHILD BURNED TO DEATH.—On last Thursday a son of Jacob Musser, of Walker township, aged about 12 years, was burned to death under the following circumstances: The mother of the boy went to a neighbor's house, leaving the child at home. During her absence the child went to the stove and played with the fire. In the play his clothes took fire. The mother came home to find her boy wrapt in flames, and so seriously burned that he died from the effects. He was buried on Sunday last.

An exchange says: "Dr. Both lives in Boston; he has discovered the cause of small pox, and has published a little book about it. 'Small pox,' says this learned man, 'consists in the escape of superfluous albuminous substances into the tissues of the periphery of the nervous centres of the body, caused, in the first place, by the want of salt,' and the 'proper use of salt is the scientific and most certain preventive of small pox, both in theory and practice, that I have any knowledge of.' Now we know all about it.

INFORMATION WANTED.—Scranton has another man missing. This time it is Martin L. Burch, a contractor. The last one was found drowned after he had been missing about a month, but we hope Mr. Burch has not shared the same fate. The Odd Fellows, of whom he was a member, are using every effort to discover his whereabouts. Some people envy coal operators the large fortunes they sometimes accumulate, but we think it worth a fortune to run the great risk while living in the coal regions.—Harrisburg Telegraph.

FEBRUARY TERM OF COURT.—The records of this term of Court are very meagre. To the credit of Juniata county, it is said not a single criminal case was laid before the grand jury, and but one continued on renewal of recognition by defendant, and not one tried. The civil list was also small, and if the weather had not been favorable for sleighing, and if there had not been such a fierce and bitter contest over the granting of licenses to E. R. Allen, of McCoyville, and John McManigal, of Perryville, the attendance would have been proportionately sparse. The jury trials were as follows: Lewis Burdfield vs. Milford township. An appeal from the settlement of the township, who allowed the plaintiff a credit of \$96, for lot bought as a preventive for the pauper epidemic—a chronic disease of the body politic of Milford—and for relief furnished a pauper, who it was alleged was never legally a pauper. However, the jury decided that she was a legal pauper, that fact being left to them for adjudication, and found a verdict for Plaintiff of \$44, disallowing the item of \$52 for purchase of real estate, which the jury said was illegal. John Gushard vs. T. B. Coder. The Plaintiff brought suit on a settlement on which T. B. Coder, according to Plaintiff's view of the case, acknowledged that he owed the Defendant upwards of \$99. The Defendant alleged that there should be deducted from that amount the value of a watch of Defendant's deceased wife, and price of cow and value of cow pasture and feed furnished Plaintiff. The jury thought only feed for cow should be allowed, and accordingly rendered verdict for \$42.66. Wm. B. Young, for use of John Coffman vs. Wm. Dearing and Thos. Quinn. This was a suit on a note given for a horse. Quinn was bail, Dearing was principal, but as there was no service on Dearing and a service on Quinn, the trial only settled the liability of Quinn. He set up the defense, let, that by reason of intoxication he was not *comp. mentis* when he signed the note; 2nd, that Dearing did not get the kind of a horse he bargained for. The jury found a verdict for Plaintiff for \$80, the value of the horse in the judgment of the jury. The argument last, though long, was nearly all disposed of. The miscellaneous business embraced a large number of small items, the enumeration of which would not interest our readers. The two tavern license petitions contested were E. R. Allen, of McCoyville, and John McManigal, of Perryville. License not granted to former, and granted to latter. On the equity side of the Court no argument was heard, but several steps were taken looking to an argument at some future period. On the famous case of James Robison vs. James North and others, arising out of the distribution of the State appropriation for the benefit of sufferers by the Millin fire, Horace Culbertson, Esq., an attorney of Lewistown, was appointed a master in charge to report the facts and the law for the benefit of the Court. Very probably a decision of this case will be reached by next term. Lyons, Spanglo, and Wilson vs. W. V. Davis, Bill in Equity to have a receiver appointed and the press, type fixtures &c. of the Juniata Republican sold. Lucien W. Doty, Esq., appointed Examiner, to take testimony concerning the matter in dispute.

Meeting of the Juniata Scouts. According to previous adjournment, the Scouts met at Notestine's Hotel, in Patterson, on Saturday last. The first business was that of paying the men for their uniforms. Forty-five members answered to their names. The caps were on hand and sold at \$1.65 each. The company was then marched to the warehouse, where the sabres and horse equipments were issued. This consumed so much time that the regular drill was dispensed with. Company mounted and marched to Millin and returned. Mr. Edward Kauffman was elected to carry the colors. A vote of thanks and three hearty cheers were given for Misses Minnie Rothrock, and Lizzie Adams, and to Misses Mattie Hamilton and Ellen Frow for sewing on the fringes. A unanimous vote of thanks was also tendered to all persons who aided in the purchase of the flag, and their names were ordered to be entered on the minutes, and with them, be published in the County papers. A motion urging the military board of the county to forward to the proper authorities the names of those persons who signed the enlistment and have not been uniformed was sustained. The contributors toward the flag are as follows: Lizzie Adams, Alice Seiber, Ellie Hauflum, Maggie McMeen, Lizzie Curran, Rettie Sartin, Lizzie Davis, Jennie McCoy, Leatie Co, Annie Curran, Annie E. Landis, Ellen M. Frow, Carrie Mely, E. C. Stambaugh, Mrs. Jane Thompson, Mrs. Noizer, Mrs. Amos G. Bensell, A. D. Musser, T. J. Middagh, Minnie Rothrock, Jennie Speddy, Sallie Irvin, Jane K. Irvin, Miss Jos. Pomeroy, Mrs. Wilmer, Mrs. Annie Davis, Mrs. Lizzie Burdfield, J. H. Stewart, Fred. Espenbacher, D. W. Hanley & Co., S. B. Loudon, Mrs. W. Wilson, Shelly & Stambaugh, W. H. Rollman, Noah Litteford, J. H. Simons, J. B. Anderson, C. H. Mrs. Porter Thompson, Mrs. Anna Rodgers, Mrs. S. Seiber, Mary A. Wittmer, W. Harry Moore, Robert Cummins, A. S. Wilson, Dr. Greenleaf, James A. Thompson. Adjourned to meet in Thompsontown, on the second Saturday in March. J. K. ROBINSON, Captain. MATTHEW RODGERS, O. S.

Two raw Irishmen, residing in Bedford County, caught in a trap, what they supposed to be an American Goat.—With two or three sweeps of its tail it almost smothered the fellows with perfume. They dug. 'Twas a skunk. Our readers will rejoice to learn that a Russian, learned in the nature of disease, has discovered the cause of hydrophobia. He says: "The main cause of rabies is the anatomical alteration of the kidneys through their parenchymatous inflammation." We always thought it was something like that. MANY people, particularly children, suffer with the ear-ache; and for the benefit of such we give a sure but simple remedy. Put in two or three drops of Johnson's Anodyne Liniment, stop the ear with unadressed wool, bathe the feet in warm water before going to bed, and keep the head warm at night.
