Instead of being for life, it is for a him. Zeek Proctor, with his usual good surances, and the combination is considered successful

THE Democratic State Convention of most infamous trade it is. Out on it. It Tennessee met at Nashville on last Thurs. is a species of slavery, and has a tenday, and among other resolutions re. dency to detract from the worth and digsolved that, considering the condition of nity of labor almost as much as slavery national politics, it were better for the in the South detracted from the worth Democratic party not to nominate can and dignity of labor there. It is the didates for President and Vice President, boast of the Northern States that labor with us is honorable. This is the sentibut center their strength on Greely.

Certain parties have been trying to system that will ally in any way with a couple Senator Morton's name with the system of slavery will be borne by the Smith was arraigned yesterday and plead Cincinnati movement. In a despatch country. The verdict of the country on dated at Washington on the 10th inst, that question has been given unmistahe tells Richard Smith, of the Cincinnati kably. Gazette, his position, as follows:

I shall not be a candidate for President under any circumstances. I am free man, of his own free will, just as not for changing front. I am for General the Irishman and the German, and as all Grant first and last, and believe he will the other people of Europe come, then be nominated in Philadelphia and re let the door be open. Strip the Chinese elected in November, and that no combination can be made by which he will be question of the Cooly phrase, in which defeated. Any attempt by anybody to it is now involved, and it becomes simuse my name in a scheme for his defeat ply a question of emigration, to be treat-I utterly condemn and repudiate I have ed like the emigrant question between been for his to election ever since his ad- our government and Europe. ministration had a fair trial, and my faith in his success cannot be shaken by

Labor—This Country its Home—The Republican Party its Best Friend.—The Chinese or Cooly Question.

On Thursday and Friday evenings of last week, a stranger, an orator, made his appearance in Mfflin, and after dark delivered a speech from a store box placed on the street at Belford's corner, on the subject of labor and the cooly traffic.

Whence he came and whither he went eport does not say. His language was a national code of civil and commercial well coined and pleasantly and forcibly law, the abolition of monopolies, one sysdelivered. He would not have it said that he is working for pay in the interest of the public credit, the employment of of the Labor Reform movement, and to the unemployed persons by the governappear consistent, be lifted a collection to pay, he said, his current expenses. A friend passed the hat around. Occasionally he would make a thrust at rich peo ple and capitalists, as if to incite the prejudice of his hearers against them.

or Sugar-Coated, Concentrated, Host and Merbal Juice, Anti-Billions Granules. THE "LITTLE GIANT" CATHARTIC, or Multum in Parvo

The novelty of modern Medical, Chemical and Phar maccutical Science. No use of any longer taking the large, repulsive and nauscons pills, composed of cheap, crade, and bulky ingredients, when we can be careful amilication of chemical science, extract at mustard seed, that can be reachly swallowed by those of the most sensitive stomachs and fastidious tastes. Each little Purgative Pellet represents, in a most concentrated form, as much catharic power as is embedded in any of the large pills found for sale in the drug stops. From their wonderful cathartic power, in proportion to their size, people who have not tried them are apt to suppose that they are harsh or drastic in effect, but such is not at all the case, the different active medicinal principles of which they are composed being so harmonized and modified, one by the others, as to produce a most searching and thorough, yet gently and kindly operating cathartic.

\$500 Heward is hereby offered by the propole.

\$500 Heward is hereby offered by the proprie-tor of these Pellets, to any chemist who, upon an-alysts, will find in them any Calomel or other forms of mercury or any other mineral poison.

Being entirely vegetable, no particular Being entirely vegetable, no parameter is required while using them. They operate without disturbance to the constitution, diet, or occupation. For Jaundice, Blood, Pain in the Shoulders, Tightness of the Chest, Dizziness, Sour Eructations of the Stonach, Bad taste in mouth, Billous attacks, Pain in region of Kidneys Internal Fever, Bloated feeling about Stonach, Rush of Blood to Head, High Colored Urlue, Unsociability and Gloomy Forebodings, take Dr. Pierce's Pleasant Purgative Pellers, in explanation of the remedial power of my Purcative 1 election Pleasant Purgative Pellets. In explanation of the remedial power of my Purcative I electorer so great a variety of diseases, I wish to say that their action upon the animal economy is universal, not a gland or tissue excaping their numitive impress. Age does not impair them; their sugar-scoring and being enclosed in glass bottles preserve their virtues unimpaired for any length of time, in any climate, so that they are always fresh and reliable, which is not the case with the pills found in the drug stores, put up in cheap wood or paste-board hores. Recollect that for all diseases where a Luxative, Micrative or Purgative is indicated, these little Pellets will give the most perfect satisfaction to all who use them.

They are sold by all enterprising

They are sold by all enterprising Druggists at 25 cents a bottle. Do not allow any druggist to induce you to take anything else that he may say is just as good as my Pellets because he makes a larger profit on that which he recommends. If your druggist cannot supply them, enclose 25 cents and receive them by return mail from
