The comic talk on Monday was the expected collision of the earth with a comet, that should have taken place on said day, between the hours of 4 and 6 o'clock. It was expected by some that the earth would be knocked out of its course into the sun, where it would be burned up.

The Tuscarora Valley Railroad Commissioners met at Jointstown, Thursday, the 8th inst., and organized by electing the Hon. Joseph Pomeroy, Chairman, John Gilliland, Treasurer, and J. P. The following is a list of the cases disposed of:

No sufficient cause being shown, the Court substituted Jacob Will, Administrator.

Adam Arnold, for use, vs. Frederick Gougier and wife. Fi. Fa. No. 23, Apr. term, 1872. Exceptions to Sheriff's Inquisition. Inquisition set aside.

Michael Stuber vs. Samuel Richenbach. Fi. Fa. No. 9, Sept. term, 1872. This was an application to set aside an appraisement made under the \$300 exemption law, the defendant alleging that the articles set apart to him were over-valued by the appraisers. Rule to show cause granted.

On motion of L. E. Atkinson, Esq., the Court was requested to make an order directing the officers of the court to publish all legal notices and advertising in the two newspapers designated by the County Commissioners as having the largest circulation, in accordance with the late act of Assembly. **Letter from Thompsontown.**

THOMPSTOWN, Aug. 12, 1872.  
*Editor Sentinel:*—Thinking that a few printings of some this week might be acceptable to you and your readers, we will now try our pen.

On Thursday last a boy named Willie Dennis, residing near town, was kicked by a colt. His uncle had sent him to the pasture, a short distance from the house, to catch the colts and bring them up. On approaching one of them with the halter, the colt whirled and kicked him above the ankle, breaking his leg. He cried for his uncle, who was at the house, but he did not hear him. A Mr. Shaffer, being in an adjoining field, heard the boy's cries and came and carried him to the house. At first it was not supposed that the leg was broken, but only hurt; but the boy suffered so much pain during the night that a physician was called in the next morning, who pronounced the leg broken, and rendered the necessary attention. The boy is now slowly recovering.

Messrs. Smith & Bonner are doing a lively trade in the grain and coal business, are shipping grain quite extensively every week, and in the honorable manner in which they conduct their business, it is steadily increasing.

The Thompsontown Cemetery is being nicely arranged by some of our worthy citizens; more prominent among them we notice Esquire Lukens and Mr. Dougherty, who are at work clearing up and ornamenting the grounds. May they receive the thanks of all our citizens.

On Friday evening last we visited the Delaware Literary Society, which holds its meetings regular on that evening. We were truly surprised to find the amount of literary talent it contained; although we think that some of its more youthful members should be more careful in emphasis and punctuation; but, taking all in all, they did very well. The Delaware Literary Society was formed in 1860, and has sent forth some very talented young men. One of the more prominent members of the bar, in our portion, made his first public speech in this Society room. The Society on last Friday evening was presided over by Dr. Goussin, in a very parliamentary manner, much to the credit of himself and the Society.

Yours,  
HORACE.

The buildings are a three story Log House, new Bank Barn, a Stone Spring House, near a never-failing spring of limestone water. Churches, Schools, Mill's and Railroad Depot near. Fruit of all kinds in abundance. Price \$70 per acre.

**THE camp meeting in the vicinity of the Seven Stars was largely attended on Sunday last. Millin, Mexico, Perrysville, Richfield, Snyder county, and Perry county, were all represented. There were horses and buggies enough on the ground on that day to have brought—if they had been converted into cash—the half of Greenwood township. So it has been said.**

**THE Republican** of today in a fourteen line article, clothed in language characteristic of bar-room associations, replies to our strictures of last week, and repeats the assertion it made some weeks ago, that we were instructed to hand to that paper the card of announcement of Judge Pomeroy for Congress, and declares that Col. Robinson instructed us to do so. Col. Robinson did not hand us the card for publication, neither was he present when we received it, nor did we see him for days after we received it—just how many we do not recollect, but we believe not for some two or three days after the card had appeared in the SENTINEL. There was not a word on this card or in the envelope that contained it concerning the *Republican*, and the gentleman from whom we received it did not mention the name of that paper, or the name of any one connected with it.

They are a cautious and unprincipled set of fellows that conduct that paper. They have no right, whatever, to assume an attitude of official friendship for Judge Pomeroy, for they are for Mr. Packer for Congress, and the twaddle and blackguardism in their paper is only intended to deceive and blind the people as to their real object. They did not want a card from the *SENTINEL*, or one from Col. Robinson, or one from Judge Pomeroy, or any other person for Congress. They were pledged months before to Mr. Packer, and have been diligently at work to carry the county for him. Such an effort at deception is supremely ridiculous and perfectly mean. It is like the Devil assuming the airs of a saint. This same party of Allison, Wilson & Liggett are not only eagerly working for Mr. Packer and working against Judge Pomeroy, but they are trying to arrange affairs in the different townships to elect return judges on the 24th inst. whom they can manage like sheep in the shambles, when they get them here in Millin on the day of the meeting of the return judges. It is hoped that the people of the different townships will send home but fair and respectable men to represent them as return judges. The people too should keep a close lookout that the return boxes are not stuffed and their impression at the polls defeated.

The party can do no better than trying that to help the man who helps our county. It is well known, both within and without the county, that the policy of Judge Pomeroy is entirely sound in organizing a company for the construction of a railroad through Tuscarora that will be of untold value to the valley, and a lasting, permanent benefit to coming generations. Once the road is constructed through Tuscarora Valley it will be but a short time until it is extended through Lost Creek Valley. Vote for Judge Pomeroy, who is classed identified with your business interests, and the present and future welfare of the county.

**CANDIDATES' CARDS.**

**CONGRESS.**

Mr. ESTON.—As it is of the utmost importance that we should place before the people a man whose name would add both strength and vigor to the ticket, allow me to present as a candidate for Congress, the Hon. John B. Packer, a man who has distinguished himself by his integrity, fine business qualities, and knowledge of public affairs.

**MILFORD.**

**CONGRESS.**

Mr. ESTON.—Permit me to suggest the name of Hon. John B. Packer as a candidate for Congress at our ensuing primary election. Seeing his name for the last two months at the masthead of the *Republican*, it was the general opinion that no formal announcement was necessary, but, learning that several persons, more sensitive stickers for forms of law than consistency, assert that he has not been regularly presented for the suffrages of the Republicans of Juniata, in order to satisfy their most fustidious scruples we now present him. He has filled the office for two terms with honesty, and rare ability, and is the choice of nine tenths of the party in the district for re-election—Three out of the five counties, Union, Snyder and Northumberland, have already unanimously declared for him, and Dunfin, on the 20th of August, will most certainly do the same, leaving only our little county remaining. Under such circumstances any factional opposition to his unanimous recommendation is not only futile but reprehensible, and we think that it is the duty of every Republican in Juniata to make his nomination unanimous.

**MARY REPUBLICANS.**

**LEGISLATURE.**

Mr. ESTON.—Naah Herler, of Port Royal, has held our banner aloft in two campaigns in a manner that reflected credit on himself and his party. He has again consented to enter the field. I, therefore, ask that he be announced as a candidate for Legislature, in your issue of the 24th inst. He is a true man — **PERLMANAGH.**

**LEGISLATURE.**

Mr. ESTON.—As our Primary Election is drawing nigh, it is necessary that we should bring out our most available and strongest men for the different offices. I would suggest the name of our friend John W. Muthersbaugh, of old Fayette, as the most suitable candidate for the State Legislature. Mr. Muthersbaugh is popular in Millin county as well as in Juniata, and if nominated his election would be sure.

**MIFFLINTOWN.**

**DELEGATE TO CONSTITUTIONAL CONVENTION.**

Mr. ESTON.—It is of the highest importance that the men who are chosen to represent the different districts in the Convention in the State Convention to revise the State Constitution should be men of character, industry and ability, so that they can intelligently lay hold of the questions of reform that will be brought up for the consideration of the Convention, and so that they can assist in moulding a new fundamental law that shall be in harmony with the spirit of reform that is abroad in the land. I know of no one in our county who is better qualified for these requirements than our young friend, Jeremiah Lyons, of our town, and I ask that his name be announced as a candidate for Delegate to the Constitutional Convention.

**MIFFLIN.**

**DELEGATE TO CONSTITUTIONAL CONVENTION.**

We have been authorized to announce Dr. J. P. Sterrett, of Academia, as a candidate for Delegate to the Constitutional Convention.
