

SHORT ITEMS.

A young man in Green county, Iowa will pay for his farm of one hundred and sixty acres from this year's wheat crop.

Raw beef chopped up fine with onions is a new diet which Germans consider a cure or preventive of dyspepsia, as well as of lung disease.

A few weeks ago Great Britain tested her ship-of-war *Glatton*. Two shots were fired at her, and it cost \$68,000 to repair the damage inflicted.

Gen Birney's daughter is learning to be a compositor in the Gazette office Boston, in order to qualify herself to edit a paper in the south.

It is computed that \$75,000,000 worth of fuel is burned yearly in the United States, and that \$1,000,000,000 worth of lumber is used in building and manufacturing.

On Sunday a week last a man stole a kias from a Sunday school girl in Jefferson City, Mo. General results—fined by a magistrate, horse whipped by the big brother, and scratched by the wife.

Mrs Winters has proceeded to sue the city of Leavenworth because a fellow citizen, who was insane, killed her husband in the calaboose, which he had taken in a state of intoxication.

An English sparrow, in Kentucky, got scold up in a large spider's web the other day, and would doubtless have been devoured piecemeal by the proprietor, had it not been discovered and released.

When Charles O'Connor's name was before the Louisville Convention, the *Tribune* styled him a third rate pot-fogger and when he declined the nomination the *Tribune* considered him the first lawyer of America.

A man named Willis Moore, residing in Astoria, Fulton county, Ill., saw one Mr Tate in his watermelon patch recently, and, seizing his double-barreled gun, fired, wounding him so badly that he lay for a few hours.

Few people know, and thousands do not know, that by setting a glass jar on a folded towel, thoroughly soaked in cold water, the fruit can be poured in boiling hot with no danger of breaking than with a tin can.

Not wishing to muss up the premises burglars at Mount Vision, N. Y., removed from a store a safe weighing fifteen hundred pounds, and "blowed" it in the rear of a church. Their tender thoughtfulness was rewarded with \$1200 in bonds and \$800 in currency.

A few weeks ago the creek under the great Natural Bridge in Virginia suddenly disappeared, and subsequent investigation demonstrated the fact that the stream emptied itself into the earth through a number of newly formed fissures of unknown depths.

The London Times, of the 20th ult., says, the foot and mouth disease is increasing among the cattle to an alarming extent, notwithstanding all the precautions adopted. Official returns show an increase of over four thousand cases in the infected districts for the past week.

Those big trees at Mariposa and Calaveras are not the best that California can do, after all. They have found one at Nevada forty feet in diameter with the bark off, and the bark had six feet of thickness. It is strange that these slender saplings have been overlooked so long.

Paper is now found to be applicable to the art of war. Cuirauses which will turn the stroke of a sword, thrust of a bayonet, or the impact of a rifle ball, are now made of this material, and the inventor claims that it will furnish a plating for war vessels of greater power of resistance than plating of iron.

A couple in Indiana, just recovered from a severe illness, published a card of thanks to their friends for the care and attention bestowed upon them, and concluded by specially thanking the South Bend Cornet Band for so kindly discounting their practice during our illness.

A gentleman addicted to scientific inquiry has discovered that thirty-three days complete the cycle of the potato leaf generation; that 700 of the potatoes are the average product of the female, from which the family grows in the second generation to 545,000, and in the third to 85,703,600.

In Mobile there are twin sisters who cannot be punished for any offence, because neither can be identified. Recently one of these young ladies put to flight two dog-catchers and a policeman. In court she proved to be her sister. A policeman accompanied her home to arrest the other, but on arriving could not tell which he had brought and which had already been there, and went away scowling without either.

An ingenious mechanic has invented a travelling trunk. Taking hold of the handle and lifting one end from the floor a sharp pull drags out a hand-bar similar to those by which a hand cart is drawn or propelled, and at the same time two strong wheels drop beneath.

The trunk is so once a box on wheels and the traveler can draw it away independent of the person or expressman.

The German Band, which played at the Jubilee are having a row in Berlin upon the division of the money made in this country. Herr Saro, the leader, claims so large a portion as his share that the matter and the money is now in the hands of the authorities, with some prospect that the latter may appropriate the whole amount for the benefit of the public service.

Boots and Shoes.
