Man Killen.-On last Thursday af ernson, a man named Rolan, while valking or the railroad track in the Nar ows, was struck by a freight train and so seriously injured that he died a short time after the accident. Mr. R it seems ad been out West on a visit to his laughter, and was returning to Lewis own, where he has two sons living. He y some means failed to get off the train at the above place, and then got off at Patterson Being anxious to get to Lew town as soon as possible, he concluded to wait on the next train but to walk be distance. He had nearly reached Bixler's water plug, a few miles this side Lewistown, when the fatal accident occurred. When he was picked up it was found that his forebead had been emashed in, but was not much manilated therwise. He was brought to Patteron, and afterwards his remains were taken to Lewistown for interment. He

HUNTINGBON C. UNITY

contains the following: The stable of

there was no way of accounting for the

origin of the fire but by attributing it to

an incendiary or to spontaneous combu-

tion. The men engaged in painting and

finishing Mr. Metzer's new house has

been graining shutters for the house, in

the stable, during the day before the fire

but it was scarcely thought possible that

the fire could have originated from that

source. The stable having been burned

evening the inmates of the house dis-

covered smoke and a smell of burning

cotton or paper issuing from the cellar

An examination disclosed the fact that

the oily rags used by the painters in

graining had been thrown together in a

corner and had ignited by spontaneous

combustion, and were just bursting into

a flame. This timely discovery saved

the house and settled the question as to

the origin of the fire in the stable. Next

day a nail keg was partly fi led with the

oiled rags cast away by the painters, and

et in the sunshine in the yard. In a

few hours the rags and keg were found

to be on fire. Very few people are aware

of the danger arising from such a source

Valley, accidentally shot himself in the

> TEACHER . INSTITUTE - The sixth innual meeting of the Teachers' Institote of Juniata county will convene at Perrysville, on Monday, November, 25th, to continue in session during the week The meeting promises to be very large, interesting and profitable. Arrangements have been made to secure the services of able and distinguished Institute instructors from abroad, such as Prof. J. H Shumaker, A. M., of Chambers burg, Pa , Prof. F A Allen, A. M., of Mansfield, Pa., and Prof H. I. Gourley, of Pittsburgh, Pa, in addition to the Red local talent of Juniata county, which is not less than that of any other county in Cloverseed. the State. All the High School teachers Timothy seed of the county will be present to take an active part in the exercises. Directors are very respectfully lavited to be pressilled ent and express their views on educaional matters in the county. Wednesday will be Directors' day. The Public School teachers are all expected to be here, as upon their attendance depends the success of the Institute. For them whitepine worked Flooring..... it is held; and it is expected that no one. without a reasonable excuse, will absent himself or herself from the annual gathering of the Profession.

Teachers, come to the Institute, and show that you are alive in the great cause of education. Come, and you will retorn to your schools profited and improyed; and what is above all, and what - simed at, you will teach better schools. and the bays and girls in school under conreare will be better taught in the uture, and thus be benefitted by your attendance at the Institute.

The morning and afternoon sessions The Hantingdon Gl be of last week will be given to discussions on methods of teaching, &c., the evening sessions to Mr. Metzger, in this borough, took finoldresses, lectures, reading and music yellow at 63c and mixed at 61c. Outs at The hotel charges will be moderate—the usual Institute rate, \$1 00 per day. All had been used about the building, and are very cordially invited to come. DAVID E. ROBISON.
