COLLAR BONE BROKEN - A man named Sharp, from Thompsontown, while in the discharge of his duties as a railroad hand in the shifting yard in Patterson, on Saturday, had his left collar bone broken by a telegraph pole falling on him Dr. Banks was summoned and adjusted the fracture.

were all aglow over the prospect of "first rate rabbit hunting" on Saturday morning. The wind rose during the night, and thus were the bright anticipations of the boye blown away. A new lease of life to many rabbits.

ciscus' Hardware Store

On Friday last the engine of a freight train ran into the rear end of another freight train while going down grade be tween Lewistown and McVeytown. The engine, tender, and one or two cars were so badly demolished as to be considered beyond repair. The hindmost car on the train that was run into was also consideratly broken. The engineer and fire man escaped by jumping off.
