THE MODOC WAR.

ANOTHER SKIRMISH WITH THE SAVAGES.

Captain Jack Repulsed.

A Large Amount of Ammunition Captured.

General Davis Pressing the Indians.

NEW YORK, May 13—A special from San Francisco, dated May 12th, says:—Reports by courier, just received from the lava beds, states that the scouting party under Captain Hasbrouck has been heard from. Captain Hasbrouck reports that his command was attacked by a party of Modocs, and four soldiers and one Warm Spring Indian were killed, and six soldiers and one Warm Spring Indian wounded. The attack was sudden, and the troops were taken completely by surprise. After the first fire of the Modocs, Captain Hasbrouck rallied his men and charged upon them in a body. The Modocs retreated under the charge, and were driven into the woods, scattering in all directions. Several volleys were fired upon them, but it is not known whether any were killed.

The troops succeeded in capturing twenty five horses belonging to the Modocs. When Captain Jack with his band of Modocs attacked the command Captain Hasbrouck's soldiers recognized the uniform of General Canby on Captain Jack. Thirty-three Modocs were engaged in the fight. There is a strong suspicion here that the Modocs are receiving aid from outside parties.

Captain Hasbrouck captured six boxes of carbine catridges from the Modocs, which had been captured by the Indians a short time ago while being sent to the front. When the last courier left General Davis' camp troops were between the lava beds and the Modocs, and the Modocs were entirely out of their lava beds stronghold.

LAVA BEDS, May 11—9 A. M., via SAN FRANCISCO, May 12—Despatches from Lieut. Bayliss' camp state that at sunrise yesterday the Modocs came into camp and fired on the picket guard.

The command of Captain Hasbrouck, after scouting all day, had returned to a lake for water, and were making efforts to secure some by digging, but none could be found. Donald McKay was sent back to Lieutenant Bayliss' camp as an escort of Battery B, of the Fourth Artillery. G and B troop of the First Cavalry, left for the scene of the fight, the distance being seventeen miles, and which occupied all night until the dawn of the next day. Captain Jack's band rode within one hundred yards of the camp, when all dismounted and charged into the camp, firing into the herd and the guards.

The first volley stampeded the herd which left for camp, and while the men were getting under arms the Modocs gave volley after volley, killing four soldiers and one Warm Spring Indian. A rally was made and the charge was sounded.

This time Donald McKay and some men united, and drove the Modocs into the timber, capturing twenty-one ponies and three pack mules. One Modoc was left on the field, and nineteen mules, packed; also, six dead bodies.

Before the retreat the trail was covered with gore. The Indians beat a hasty retreat toward the McLeod range of mountains. Captain Hasbrouck handled his men dextrously. He is now furnished with five days' supplies, but water is very scarce, which deters a long stay in the field.

Captain Jack had seven animals shot under him. He took his position on the field in as lordly a manner as if he had been a brigadier-general. No squaws were seen during the fight, nor by the scouts on the following night. It appears strange how Captain Jack got six boxes of central primed catridges. He did not capture them from our forces, and it is certain that he could not have picked up that amount after the battle of January 7. When the courier left the troops were between the lava beds and Indians, the latter being entirely out of the lava beds stronghold.

A despatch from Yreka says the Modocs are twenty-four miles from the place of the last fight, hotly pursued by the troops and Warm Spring Indians.

It was a grand mistake of the Modocs who undoubtedly thought they could stampede this force as they had stampeded others, but they met the Warm Spring Indians. These warriors started at the first fire as fast as they could get their guns, trotting in on the flank of the Modocs, which surprised them.

The cry, "Warm Springs," went through the Modoc ranks, and they were stampeded in place of the soldiers. The Warm Springs drove them steadily all day, laid on their flank last night, and will renew the fight to day.

Dr. Pierce's Pleasant Purgative Pellets

SIZE OF PELLETS.

Or Sugar-Coated, Concentrated, Root and Herbal Juice, Anti-Bilious Granules. THE "LITTLE GIANT" CATHARTIC, or Multum in Parvo Physic.

The novelty of modern Medical, Chemical and Pharmaceutical Science. No use of any longer taking the large, repulsive and nauseous pills, composed of cheap, crude, and bulky ingredients, when we can by a careful application of chemical science, extract all the cathartic and other medicinal properties from the most valuable roots and herbs, and concentrate them into a minute Granule, **scarcely larger than a mustard seed**, that can be readily swallowed by those of the most sensitive stomachs and fastidious tastes. Each little **Purgative Pellet** represents, in a most concentrated form, as much cathartic power as is embodied in any of the large pills found for sale in the drug shops. From their wonderful cathartic power, in proportion to their size, people who have not tried them are apt to suppose that they are harsh or drastic in effect, but such is not at all the case, the different active medicinal principles of which they are composed being so harmonized and modified, one by the others, as to produce **a most searching and thorough, yet gently and kindly operating cathartic.**

$500 Reward is hereby offered by the proprietor of these Pellets, to any chemist who, upon analysis, will find in them any Calomel or other forms of mercury or any other mineral poison.

Being entirely vegetable, no particular care is required while using them. They operate without disturbance to the constitution, diet, or occupation. For **Jaundice, Headache, Constipation, Impure Blood, Pain in the Shoulders, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in mouth, Bilious attacks, Pain in region of Kidneys, Internal Fever, Bloated feeling about Stomach, Rush of Blood to Head, High Colored Urine, Unsociability and Gloomy Forebodings**, take **Dr. Pierce's Pleasant Purgative Pellets.** In explanation of the remedial power of my Purgative Pellets over so great a variety of diseases, I wish to say that **their action upon the animal economy is universal, not a gland or tissue escaping their sanative impress.** Age does not impair them; their sugar-coating and being enclosed in glass bottles preserve their virtues unimpaired for any length of time, in any climate, so that they are always fresh and reliable, which is not the case with the pills found in the drug stores, put up in cheap wood or paste-board boxes. Recollect that for all diseases where a **Laxative, Alterative or Purgative** is indicated, these little Pellets will give the most perfect satisfaction to all who use them.

They are sold by all enterprising Druggists at 25 cents a bottle.

Do not allow any druggist to induce you to take anything else that he may say is just as good as my Pellets because he makes a larger profit on that which he recommends. If your druggist cannot supply them, enclose 25 cents and receive them by return mail from

They are the Great Blood Purifier and a Life-giving Principle, a Perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition, enriching it, refreshing and invigorating both mind and body. They are easy of administration, prompt in their action, certain in their results, safe and reliable in all forms of disease.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

Dyspepsia or Indigestion. Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. In these complaints it has no equal, and one bottle will prove a better guarantee of its merits than a lengthy advertisement.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that a marked improvement is soon perceptible.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver and Visceral Organs, and in Bilious Diseases.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Grateful thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist: There is scarcely an individual upon the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No system of Medicine, no vermifuges, no anthelmintics, will free the system from worms like these Bitters.

Mechanical Diseases. Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, will be subject to paralysis of the Bowels. To guard against this take a dose of WALKER'S VINEGAR BITTERS once or twice a week, as a Preventive.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. There are always more or less obstructions of the liver, a weakness and irritable state of the stomach, and great torpor of the bowels, being clogged up with vitiated accumulations. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goiter, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc., etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

Dr. Walker's California Vinegar Bitters act on all these cases in a similar manner. By purifying the Blood they remove the cause, and by resolving away the effects of the inflammation (the tubercular deposits) the affected parts receive health, and a permanent cure is effected.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic and Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

The Aperient and mild Laxative properties of DR. WALKER'S VINEGAR BITTERS are the best safeguard in all cases of eruptions and malignant fevers, their balsamic, healing, and soothing properties protect the humors of the fauces. Their Sedative properties allay pain in the nervous system, stomach, and bowels, either from inflammation, wind, colic, cramps, etc. Their Counter-Irritant influence extends throughout the system. Their Diuretic properties act on the Kidneys, correcting and regulating the flow of urine. Their Anti-Bilious properties stimulate the liver, in the secretion of bile, and its discharges through the biliary ducts, and are superior to all remedial agents, for the cure of Bilious Fever, Fever and Ague, etc.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus forearmed. The liver, the stomach, the bowels, the kidneys, and the nerves are rendered disease-proof by this great invigorant.

Directions.—Take of the Bitters on going to bed at night from a half to one and one-half wine-glassfull. Eat good nourishing food, such as beef steak, mutton chop, venison, roast beef, and vegetables, and take out-door exercise. They are composed of purely vegetable ingredients, and contain no spirit.
