PENNA. R. R. TIME TABLE.

Table with columns for destination (e.g., Philadelphia, Harrisburg) and time (e.g., 1:10 a.m., 4:05 a.m.).

LOCAL INTELLIGENCE.

County has a cavalry company. Huntington Presbytery holds its sessions at Alexandria this week. Tanners of this State talk of establishing an insurance company. Paper on the river above us note the introduction of black bass in the river. More second crop hay has been made in this county this season than in many years past. The chief of police of Altoona shoots dogs on the streets of that town with a revolver. The pastor of the Presbyterian church at McVeytown gets thirteen hundred dollars per annum. A salmon weighing 12 pounds was caught in the West Branch of the Susquehanna at Williamsport some days ago. Two Lewistown children each had an arm broken last week. The one fell off a "see-saw," the other out of a baggy. Marrying in Pottsville is lively, three hundred couples having within the past two months been married in one church—Catholic. Pottsville is becoming quite belligerent. On Saturday, G. W. Jacobs, a prominent citizen of that town, was knocked down by a fellow citizen. A city banker sent \$4,000 in fractional currency to Russell's bank at Lewistown. The banker of that institution sent it back. He wouldn't take the time to count it. Fred Espenheide, of the firm of Tilden & Espenheide, has been prospecting for iron ore near Tuscarora mountain, in Turbot township, and been fortunate enough to find a vein four feet in thickness. Advertisers who do not wish their advertisements to appear in the SENTINEL AND REPUBLICAN should demand their discontinuance. If not ordered out they will be continued and charged for. Last Friday William Messerman, in a woods in Beale township, before dinner shot eleven squirrels and a turkey. The Lewistown Gazette hunter may put that in his pipe and smoke a while at it. Two members of the Francis family in Armagh township, Millin county, died recently from the effects of crock-poisoned apple butter, eaten three months ago. The apple butter was made one year ago. One night last week Dan Updegraff, while gigging in the river above Dowart enclosure, captured a school of salmon and succeeded in capturing a dozen fine fish, two of them weighing over ten pounds each—Miltoona. If our patrons stop a moment for thought and realize how we lost by the fire, and how we have incurred heavy expense in the purchase of the REPUBLICAN, they will not be tardy in paying their subscriptions and other indebtedness. Now is the time to help us. Don't let us "dum."
