RIVER INTELLIGENCE.

The Louisville Democrat of the 17th says: The river has fallen 3 inches within 24 hours. There is now 4 feet 6 inches water in the mouth of the canal.

The river at St. Louis is on a stand, with 5½ feet water in the channel to Carro.

In the Missouri, the last boat down reports 3½ feet water in the channel from Weston down.

In the Upper Mississippi there is 2 feet water on the Rapids, with 3 feet in the channel from that to this port.

On the principal bars of the Illinois river there are about 20 inches water.

ACCIDENT.—The Cincinnati Commercial of Tuesday says: "The '76, on her trip up from Louisville, was snagged. One lady, a passenger, was badly injured. The boat arrived here, in due time. We hear of complaints about the treatment of this passenger which, if true, require seeing to."

Office of the Morning Post.

REVIEW OF THE MARKET FOR THE WEEK ENDING *Thursday, September 17, 1846.*

BUSINESS has improved for the last week but slightly and will continue now daily to become more animated until the fall business is fairly under way; the transacted business of the week being necessarily limited—there are few changes of any importance which we note, and we confine ourself principally to the nominal market rates.

The river are very low—at six o'clock last evening there being but two feet three inches water in the channel, and receding slowly. The dry season has too far advanced for the rivers to remain long in there present low stage and they will doubtless be up again in a few days. The amount of goods shipped since our last report, has been large, and our low water craft have been doing a pretty fair business. The canal is in excellent order, and the amount of business transacted on this portion of the State works during the present season, notwithstanding a couple of breaks, has been very heavy.

ASHES.—The demand this week has been better than for several weeks preceding, but owing to the small quantity on hand the sales have necessarily been limited. We continue to quote Pots at 3¾; Pearls 4cts cash; Schorchings are sold at 2¾@3; Saleratus brings 4@1½.

BEANS—No new arriving—small white, $1@$1,25, very little doing.

BEESWAX—Nothing doing worthy of note, we quote 24@25c for good yellow as the nominal price.

BROOMS—The market is very well supplied and but little doing, we quote 75 to $2 per doz., owing altogether to quality.

BUTTER—Good fresh roll has been selling in the market for 25 cts. per lb., from store at 18¾@20c.

EGGS—Good fresh eggs are scarce and have been selling at from 10 to 16 cts. per doz. we cannot name any certain price as it changes from day to day,

CHEESE—We still continue to give former quotations, 5@5½ and 5¾ for good Western Reserve; the demand continues very light and is principally for City use.

FRUIT—Lemons are scarce. sales of a few small lots by the box at from $2 to $5, owing entirely to quality and order. Apples have not been coming in very fast from below and sell freely at from 50 cts. to $1 per bbl., owing to size and quality. Cranberries have been selling from store at $1,50 @$1,75 per bush. We have been unable to hear of any sales of dried fruit; we note the receipt from below of a pretty considerable quantity of dried peaches.

FEED—A large quantity of bran sold readily this week at 8cts. per bushel.

FLOUR AND MEAL.—Owing to the large amount bought up and sent eastward for the purpose of exporting to Europe, flour still continues to advance, and we scarcely dare quote any nominal price.—On Tuesday sales by the wagon load were effected at $3,00, ♉ bbl. since then it has been selling readily for $3@$3,06, and yesterday a large lot of extra good brand went of readily at $3,12½. The market is at present pretty bare and but little coming in, consequently we should not be the least surprised to hear of transactions to-day of fresh ground at $3,25; sweet old has been selling from store at $3@3,12½ in a retail way, and fresh ground was held yesterday at $3,25. The amount on hand held by our merchants is extremely small.—Sales of unsifted corn meal from store have been effected at 35cts. sifted brings 40cts.

FEATHERS—Are not in very fair demand, the quantity arriving is principally for re-shipment.—We quote 27@28 as the nominal price.

FIRE BRICK.—The demand for Boliver's is fully equal to the supply. Common remain dull.

GRAIN.—The receipt of wheat has been very small; we have still to quote 50cts ♉ bush. as the nominal price. Sales of shelled corn have been made this week, by weight, at 30@32cts ♉ bushel. We hear of a pretty large sale of Oats being effected at the Monongahela river wharf boat at from 20 to 23cts ♉ bush., the receipt of oats during the last two days has been pretty heavy. In Rye the receipt has been trifling, we still continue to quote 31@33 ♉ bush. as the price.

GINSENG—Crude has been selling in small lots at 29 cts. The amount arriving is scarcely worthy of note.

HAY—Loose Timothy brings $7@$9 per ton delivered

HONEY—Good Comb has been selling in the market for 18@20 per bbl.

GROCERIES.—There is considerable activity, confined principally to the city trade, there being but few buyers in from the country—coffee is in fair request at for good grades Rio say, 8@8½, not many transactions. Sugar is very fair at advanced prices, 8 cents by the hhd has been refused for a considerable lot, yet we heard of small sales at that rate, it commands 8¼ in bbls. The supplies of teas in this market was never better than at present, embracing the usual range of grades from 40 to 80 cts, and composed principally of recent importations. There is no change in the price of molasses—the supply is good, and we continue to quote 30@32 cts.

SEEDS—A large quantity of mustard seed has been sold readily at $2@2,25 ♉ bush. and the demand still continues good. Flaxseed is in liberal demand at 62½cts. ♉ bush. and Timothy will bring $1,18@$1,25.

SALT—Delivered 90 cts. boat price 80cts. very little doing and the market generally dull.

WHISKEY—Common is still held at 17cts. ♉ gal. Rectified brings 18.

PIG METAL—The feeling in the market during the past week has been decidedly better than for several weeks preceding; the panic it appears has not had the effect on pig metal wished for by dishonest speculators; and buyers are now coming forward pretty freely. Sales have been made during the last few days in pretty large quantities of the different qualities of pig metal at from $25@30 to $31 per ton on time.

WOOL—still continues at former quotations—the demand has not been quite so good this week, owing principally to the slight depression in the Eastern market.

H. Williams' Select School,

NORTH East corner of Federal and Robinson streets, Allegheny, will commence its Fall session on Monday the 31st inst.

TESTIMONIALS.

From Professor R. H. Lee, Washington College, and others.

Having attended an examination of the school taught by Mr. Williams, we take pleasure in bearing our testimony to the evidence afforded by it of the unusual skill and labor of Mr. Williams. The understanding of the *principle* of the subjects which the scholars had been studying, shown by their clear answers to questions asked by others than the teachers, prove the excellence of the New England modes of teaching, in which Mr. Williams seems to be proficient.
R. H. LEE,
J. WISHART, &c.

From the Rev. Mr. Preston, Doctor Hunt, &c.

Having attended an examination of the Select School under the care of Mr. Henry Williams, held recently in his school room, corner of Federal and Robinson streets, Allegheny city, we wish to call public attention to this institution. We were highly gratified with the progress and order of his school.—This manner of simplifying and illustrating the different branches is peculiarly happy, and well calculated to give interest to the pupils. His mode of teaching them to read struck us as novel, and one that cannot fail to make good readers.

From the knowledge that we have of Mr. Williams' character as a teacher, his zeal, fidelity and success, we cordially recommend him to the patronage of the public. His location is elegible for both cities.
DAVID HUNT;
RICH'D BARD,
RICH'D BEESON.

I attended the above examination, and can truly say I was much gratified with the attainment of the pupils.

University Law School.

THE FALL SESSION of this department of the Western University, will commence in the new University Building, on the FIRST MONDAY OF SEPTEMBER next, and the SPRING SESSION of 1847, will commence on the FIRST MONDAY OF FEBRUARY following.

This institution having so far recovered from the effects of the great fire of April last year, as to have the new building nearly completed with increased accommodations for all its departments, it is hoped that the Law School will be found to present increased facilities and attractions to those who desire to pursue a regular and thorough course of legal education, and to prepare themselves creditably for admittance to the bar.

There will be daily recitations by the classes on assigned lessons, so arranged as to embrace, within a two years course, all the principal and most important branches of the law. Occasional lectures on law and equity, will also be delivered as part of the course.

THE MOOT COURT, designed for assisting students in acquiring knowledge and readiness in the practice of the law will be resumed as soon as the number of students will justify. The degree of BACHELOR OF LAW will be conferred on students, of the institution, according the rules usual in such institutions.

Any further information that may be required can readily be obtained on application to the Professor, WALTER H. LOWRIE, who has his office on 4th above Smithfield street, Pittsburgh.

TERMS—Seventy-five dollars a year, or thirty-seven and a half dollars a session. aug6-d3m

Security to Purchasers.

Entered according to Act of Congress, in the year 1844, by C. V. Clickener, in the Clerk's Office of the District Court for the Southern Dist. of New York.

Each box of GENUINE SUGAR COATED PILLS has upon it the Signature of the Original Inventor. C. V. Clickener. ALL others are COUNTERFEIT.

CLICKENER'S SUGAR COATED VEGETABLE PILLS are the first and only Medicine ever known that will *positively cure*

Headache, Giddiness,	Measles, Salt Rheum,
Rheumatism, Piles,	Heartburn, Worms,
Dispepsia, Scurvy,	Cholera Morbus,
Small Pox, Jaundice,	Coughs, Quinsy,
Pains in the Back,	Whooping Cough,
Inward Weakness,	Consumption, Fits,
Palpitation of the Heart,	Liver Complaint,
Rising in the Throat,	Erysipelas, Deafness,
Dropsy, Asthma,	Itchings of the Skin,
Fevers of all kinds,	Colds, Gout, Gravel,
Female Complaints,	Nervous Complaints,

And all other diseases originating from impurities of the blood.

☞ They have cured, since their introduction, over 2,000 persons, who have been given up as hopeless cases, by the most eminent Physicians.

☞ They are patronized and recommended by men of the highest distinction, among whom are—

Hon. David R. Porter,	Hon. Henry Clay,
Hon. John Q. Adams,	Hon. Daniel Webster,
Hon. Martin Van Buren,	Hon. J. C. Calhoun,
Gen. Winfield Scott,	Col. R. M. Johnson,
Hon. James K. Polk,	Gen. Lewis Cass.

☞ Their virtues are so infallible that the money will be returned in all cases they do not give universal satisfaction. Although but two and a half years have elapsed since these celebrated Pills were first introduced to the public, the sale of them in the Eastern and middle States has far exceeded Dr. Clickener's most sanguine expectations. During the past year, alone, no less than 10,000 gross of boxes have been sold in the State of New York, 6,000 in Pennsylvania, 4,000 in Maryland, 3,000 in New Jersey, 2,000 in Delaware, and 9,000 in the New England States, requiring the constant employment of 27 hands, exclusive of printers and engravers. In the same period, upwards of 200,000 copies of the "Family Doctor" have been ordered by agents in every section of the country. These facts must show, conclusively, that Dr. Clickener's Sugar Coated Pills, besides being the very best medicine in the world, are held in the highest estimation by the public.

We might extend this publication to an indefinite length, if we deemed it expedient to publish all tersimonials we have received, not only from agents but individuals and families, who have experienced the beneficial effects of Clickener's Sugar Coated Pills, but we deem it unnecessary. The most incontestible evidence of their unprecedented success, are the numberless Imitations and Counterfeits which have already appeared, even during the brief period they have been before the public. Even some of our staunchest pill makers have had the audacity to imitate the Capsule of Sugar, in order to disguise the ingredients of their vile compounds, and palm them off for the "real simon pure." Such paltry shifts cannot last long without exposing their hideous deformity. Truth and honesty must inevitably prevail over rascality and deception.

For sale in Pittsburgh by WM. JACKSON, *at his Patent Medicine Warehouse,* No. 89, Liberty street, head of Wood st., Pittsburgh. Price, 25c. per box.

Dr. Clickener's principal office is 81 Barclay street, New York.

☞ Beware of an imitation article called Improved Sugar Coated Pills, purporting to be patented, as both the pills and the pretended patent are forgeries, got up by a miserable quack in New York, who, for the last four or five years, has made his living by counterfeiting popular medicines.

☞ Remember, Dr. C. V. Clickener is the original inventor of Sugar Coated Pills, and that nothing of the sort was ever heard of until he introduced them in June, 1843. Purchasers should, therefore, always ask for Clickener's Sugar Coated Vegetable Pills, and take no other, or they will be made the victims of a fraud. may9

PILES! PILES!! PILES!!!—DR. JACKSON'S PILE AND TETTER EMBROCATION is the only medicine that will cure this so very common and troublesome disease. It not only immediately allays inflammation, stops all bleeding, subdues that intolerable itching, but effectually cures, in a very short time, persons whose lives have been rendered miserable for years. Its application produces no pain, but rather an agreeable and pleasant sensation. If persons afflicted will only call and hear of the great number of cases that have been cured, they will be astonished. A gentleman of this city, who had been under the knife of the surgeon two or three times, without being cured, has, by using two bottles of this *Embrocation,* been radically cured! It sells beyond all precedent!

TETTER, RINGWORM, SALT RHEUM, and all Diseases of the skin, particularly those that are attended with disagreeable and troublesome itching, are readily cured, by anointing the parts effected, night and morning, with a small quantity of Dr. Jackson's Embrocation. Astonishing cures have been effected by this medicine. For sale by Dr. D. Jayne, No. 8 South Third st., Philadelphia.

THE poisonous effect on the skin of common prepared chalk is not generally known by ladies; how yellow rough and unhealthy it makes the skin in time; besides, what a corpse like, palid look it gives when applied. They should use a beautiful preparation, purely vegetable, which gives the face arms or neck, a natural life-like whiteness, and makes it smooth. It is called Jones' Spanish Lilly White, and is sold at JACKSON'S Patent Medicine Warehouse, 89 Liberty street, head of Wood; at the same place is sold Jones' Coral Hair Restorative, Italian Chemical Soap and unrivalled shaving soap.

Man's Inventions Outdone by Nature.

READ, REFLECT, BE WISE, AND USE NATURE'S GREAT REMEDY, THE AMERICAN OIL, A MEDICINE OF NATURE.

THIS Oil is obtained from a well near Burksville, Kentucky, at the depth of 185 feet below the surface of the earth, and 170 feet through solid rock. Its curative properties are truly astonishing, and as a Remedial Agent it may well be pronounced wonderful. Since the discovery of this Panacea of Nature, numbers of remarkable cures have been effected by its use. It is Innocent—Powerful—Safe and Certain in its effects. It has been used with unparalleled success in the treatment of the following diseases: Inflammatory Rheumatism, Burns and Scalds, Cholic, Piles, Flatulence, Inflammation of the Kidneys, Deafness, Consumption, Liver Complaint, Phthisic, Scald Head, Cancers, Weak and Sore Eyes, Bruises, Fresh Cuts and Wounds, Sprains and Strains, Dropsy, Pains in the Breast and Side, Tetter, Influenza, Ulcerated Sore Throat, Consumption, Bronchitis, Spasms, Ulcers, Spinal Affections, Scrofula or King's Evil, Coughs, Syphilis, Ringworm, all Bowel Complaints, all Chronic diseases, Impurities of the Blood and General Debility. It is likewise very beneficial for Female Complaints in general; acts as a great Restorative from Languor, weakness of Back and Chest, Low Spirits and Excessive Debility.

Read the following Certificates, all of which are authentic; all the persons therein named are now living, and well known in Cincinnati:

PITTSBURGH, Aug 22, 1846.

This is to certify that we have used the American Oil for the whooping cough, among our children, by giving them from 20 drops to a small tea spoonful at night, which always enabled them to rest well through the night. I also applied it to one of the children that got her arm burnt by turning over a tea cup of hot coffee on it, the child seased crying by the time the arm was dressed and, bound up, and has never complained of it since. I also was afflicted with a pain in my side and breast, and have been so for 16 years. I commenced using the Oil by taking a teaspoonful twice a day and in 3 or four days using of the oil I have been very much relieved, and do really believe that it is the best family medicine that I have ever seen. I applied it to one of my neighbor's for a strained ancle, which relieved her in a few minutes. We have also used the oil for a strained joint in our own family, which gave ease in a very short time. We live on the east side of Penn st., 3 doors south of Walnut, I am now as well as I ever was in my life.
MARGARET H. SMITH.

PITTSBURGH, Aug. 14, 1846.

This is to certify, that my son has had the Phthisic for seven years, and was very bad with it, and about 12 or 15 days since, I commenced giving to him about 20 or 25 drops of the American Oil, twice a day, which relieved him in a day or two of his difficulty of breathing, and he is now entirely relieved of his cough; our boy is 10 years of age. We live in King's Alley. NANCY KING.

CINCINNATI, July 1st, 1846.

Sir: Having been cured of a very severe disease of the eyes and head by the use of the American Oil, I feel it my duty to the public, as well as to you, to send you the following certificate:

I hereby certify that I was severely afflicted one year ago last winter, with inflamed sore eyes and a very severe pain in my head from my eyes up to the top of my head, and continued so for several weeks. My eyes were so much inflamed and sore that I could not see to attend any business, nor could I tell one object from another a few yards from me. I called in a physician, but still got worse. I also tried a good many remedies that had cured others; but in my case they failed. In April, 1845, I heard of the American Oil. I procured a bottle, and before I had used a half a bottle I was entirely well, and still continue so. I will not be without it in my house as long as I can get the genuine article. I also gave it to one of my men that was working for me, that had the tetter in his hands so bad that when he would grip anything tight in them the blood would burst out, and the use of half a bottle cured us both. I would advise all that are afflicted in any way to give the Oil a fair trial, and I think they will be pleased with the effect it will have, &c.
JOHN MURPHY.

Sold at One Dollar per Bottle at Jackson's Patent Medicine Warehouse, 89 Liberty, head of Wood st., Pittsburgh. THE ONLY PLACE IN PITTSBURGH where the *Genuine American Oil* can be obtained.

W. Jackson respectfully informs the Public that D. Hail & Co., the proprietors of the American Oil, have appointed him their SOLE AGENT for Western Pennsylvania.

All persons wishing Sub-agencies will apply at 89 Liberty street, as above.

PURIFY THE BLOOD AND CLEANSE THE BODY.—It is an astonishing fact, that a very large class of diseases can only be cured by such remedies as will enter into the BLOOD, and circulate with it, through every portion of the body, for only by this means can the remedy be brought into immediate contact with the disease; and to attain this desirable end, no preparation has been so uniformly successful as DR. JAYNE'S ALTERATIVE. *Scrofula, Kings' Evil, Cancer and Cancerous Tumours, White Swellings, Enlargement of the Bones, Chronic Rheumatism and Gout,* Eruptive diseases of the *Skin,* old and indolent Ulcers, *Goitrous Swellings of the Throat* &c., are cured with a certainty, that has astonished every beholder. It is, besides, one of the most pleasant articles that can be taken into the stomach, operating as a tonic, and removing Dyspeptic and Nervous affections, and imparting a glow of animation and health, unequaled by any thing in the whole Materia Medica. For sale at No. 8 South Third st.—Price $1 per bottle, or $10 per dozen.

THE SKIN AND COMPLEXION; at this (and, indeed, every other) season, is often repulsive in appearance, caused, in eight cases out of ten, by the atmosphere; and what persons suppose disease of the blood, is simply a disease of the skin. If some of the thousands who take purgative medicine, pills, and useless Sarsaparilla, were to use on their skin a softening and clearing balm, that opens the pores, whitens the skin, and causes a healthy perspiration, that, be the skin never so disfigured, unhealthy, or diseased with pimples or freckles, sunburn, tan and morphew, the true and genuine JONES'S ITALIAN CHEMICAL SOAP never fails to cure and dispel them, and to make the skin clear and lovely. It acts so mildly and soothingly on the skin, that physicians use it on ladies and infants, in old cases of scurvy, erysipelas, salt rheum, sore head, ringworm, and it (mind, the genuine Jones' soap) has often effected a cure when every other remedy failed. It is indeed a blessed remedy.

TO RENDER THE HUMAN HAIR SILKY, SOFT, FINE AND CLEAN; to make the scalp healthy, smooth, white and fruitful, so that a good crop may spring therefrom, persons have but to expend thirty seven and a half cents. And, reader, our only object for selling the article at that price, is knowing it to be all we state, that when you once try this you never will use aught else, whether it be merely to embelish, to dress, beautify, and preserve, to force growth, stop falling off, and cure scrufs or dandruffs, the JONES' CORAL HAIR RESTORATIVE will never fail to do all this, as hundreds will tell you with gratitude. It dresses the hair beautifully, and *makes red or grey hair grow dark from the roots.*
