THE poisonous effect on the skin of common prepared chalk is not generally known by ladies;
how yellow rough and unhealthy it makes the skin in
time; besides, what a corpse like, palid look it gives
when applied. They should use a beautiful preparation, purely vegetable, which gives the face arms or

THE SKIN AND COMPLEXION, at this (and, indeed, every other) season, is often repulsive in appearance, caused, in eight cases out of ten, by the atmosphere; and what persons suppose disease of the blood, is simply a disease of the skin. If some of the thousands who take purgative medicine, pills, and useless Sarsaparille, were to use on their skin a softening and clearing balm, that opens the pores, whitens the skin, and causes a healthy perspiration, that, be the skin never so disfigured, unhealty, or diseased with pimples or freekles, sunburn, tan and morphew, the true and genuine JONES'S ITALIAN CHEMICAL SOAP never fails to care and dispol them, and to make the skin clear and lovely. It acts so mildly and soothingly on the piles, palsey.
