Dr. Jackson's Pile Embrocation.

READ the following, from the editorial columns of Alexander's Weekly Messenger.

FOUND AT LAST—*A Sure Cure for the Piles!*—Physicans and Chemists have long been anxious to discover a medicine that would cure one of the most troublesome diseases, the Piles. Success has at last been the result. Dr. JACKSON'S PILE EMBROCATION not only stops all bleeding, allays pain and inflammation, subdues that intolerable itching, but effectually cures, like a charm, and in a very short time, persons, whose lives have been rendered miserable for years.

Only a few from the great number of certificates will be published. Read the following:

PILES! PILES!! PILES!!!
PHILADELPHIA, March 10, 1845. }
Western Hotel. }

DR. JACKSON—Sir: I think there are few diseases more common and troublesome than the Piles, and during the last fifteen years I have suffered from them very much, causing pain, bleeding, and immoderate itching; I used all the various remedies, but without relief, until I got a bottle of your embrocation, from Dr. Jayne, No. 8 South Third street, which has entirely cured me in three weeks!

Yours, truly, S. H. PLIMPTON.

HOT! HOT! YOUR'E GETTING BALD, ARE YOU!—Well, that is a misfortune and not a crime; but to *remain bald*, when so fine an opportunity offers to restore your hair, by a faithful and liberal use of JAYNE'S HAIR TONIC, is but little short of crime. This valuable preparation excites the scalp to a new and healthy action, cleanses it from scurf and dandruff, prevents the hair from falling off, cures those eruptive diseases which often appear upon the head, and in a majority of cases produces a fine growth of new hair. It also gives the hair a rich and beautiful appearance, unequalled by any thing of the kind.

TO GERMAN FARMERS.

890 ACRES of Farming Land, near St. Mary's settlement in Elk County. It adjoins the lands of Bensinger & Co., who are the founders of that settlement. To a few German Farmers, wishing to emigrate to that section where they can enjoy all the advantages of a new settlement, and where the ordinances of the Catholic religion are daily administered, these Lands afford the same comfort and facilities as other lands, that cost twice or three times as much. St. Mary's settlement now numbers about 2500 souls, and is increasing rapidly. Should a sufficient number unite and purchase the whole tract, an exchange will be made for other property near Pittsburgh. For further particulars apply to L. WILMARTH, Penn street,

BY LAST NIGHT'S MAIL.

From the Baltimore Sun.

FROM THE SEAT OF WAR.

ELEVEN DAYS LATER FROM MONTEREY.

The steamship Galveston, Capt. Wright, arrived at New Orleans on the 20th inst., from Brazos-Santiago, coming by way of Galveston. She has relieved our citizens of the painful suspense which they have labored under for several days.

Our advices from Monterey, came down to the 6th of October. The city is in the quiet occupation of our troops.

The report of the death of Col. McClung, of the Mississippi volunteers, is unfounded; he was improving. Lieut. Dilworth, of the first infantry, has died of his wounds Lieut. Graham, of the 4th infantry was still alive, and hopes were entertained that he would recover.

The death of Mr. Herman S. Thomas, of Harford county, Md., will be deeply felt in his native State. He had joined McCullough's Rangers to see active service, and fell in storming the second height.

Capt. Owen, formerly lieutenant of the Baltimore battalion, left Monterey on the 6th of October, and furnishes the Picayune with many interesting details. He says the American loss in the three actions is set down at 561 killed and wounded.

The Mexican loss has not been, and probably never will be ascertained with certainty. It is believed to exceed 1,000.

The steamer Col. Harney, with government stores, was lost, with fifteen lives, on the 12th inst., at the mouth of the Rio Grande.

An express had arrived at Monterey that Gen. Wool, with 3,500 men, was to leave San Antonia, the 28th of September, for Chihuahua.

[Correspondence of the N. O. Picayune.]

MONTERRY, Sept. 29, 5, P. M.

An express rider has this moment arrived from Salinas, which place he left this morning. It is only a day's ride this side of Saltillo, and he states, on the authority of the Mexicans, that Santa Anna arrived at that city yesterday morning or the evening previous, and at once commenced fortifying the place with vigor. He had no less than 13,000 men with him, which, added to those which left here under Ampudia, will swell his army to over 20,000 men.

Report further has it, that he is to erect works and batteries close by the Rinconada, the limits of our lines, by the close of the 60 days truce. If all this should prove true the army may have more bloody work to do than ever.

One thing is certain, Santa Anna was hourly expected here when Gen. Taylor arrived. and many think that Ampudia's reason for wishing to retire was the fact that he found himself to be in a perfect surrounded after the successes of the 2d division, and was anxious to form a junction with his master on the best terms he could make. We shall know more about this matter in a day or two.

The following order of Gen. Taylor announcing his victory, we copy from the American Flag of the 10th inst:

ORDERS—No. 123.

Headquarters. Army of Occupation. } Camp near Monterey, Sept. 27, 1846. }

The Commanding General has the satisfaction to congratulate the Army under his command upon another signal triumph over the Mexican forces. Superior to us in numbers, strongly fortified and with an immense preponderance of artillery, they have yet been driven from point to point until forced to sue for terms of capitulation. Such terms have been granted as were considered due to the gallant defence of the town and the liberal policy of our own Government.

The General begs to return his thanks to his commanders and to the officers and men, both of the regular and volunteer forces, for the skill, the courage and the perseverance with which they have overcome manifold difficulties, and finally achieved a victory shedding lustre upon the American arms.

A great result has been obtained, but not without the loss of many gallant and accomplished officers and brave men. The Army and the country will deeply sympathise with the families and friends of those who have thus sealed their devotion with their lines.

By order of Maj. Gen. TAYLOR:

(Signed) W. W. S. BLISS, As't. Adj't. Gen.
Official: G. A. M'CALL, As't. Adj't. Gen.

CLOTHING! CLOTHING!! CLOTHING!!!

The Three Big Doors vs. The Western World!!!

150,000 WELL SELECTED GARMENTS

NOW made and ready to be offered on the most liberal terms to old customers and the public in general. The Proprietor of this far famed and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense, just completed a full and large arrangement to supply his thousands of customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other market west of the mountains. For neatness in style and workmanship, profited with the very large stock which they will be sold for, must certainly render the old unrivalled Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush that is made on this popular established ment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on the amount sold, I can afford to sell at much less profit than others could possibly think of doing if they wished to cover contingent expenses. I intend to make a clean sweep of all my present stock before the beginning of next year, coming to this conclusion, I will make it the interest of every man, who wants a cheap winter suit, to call and purchase at the Three Big Doors.

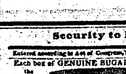
Security to Purchasers.

Entered according to Act of Congress, in the year 1846, by C. V. Clickener, in the Clerk's Office of the District Court for the Southern Dist. of New York.



Each box of GENUINE SUGAR COATED PILLS has upon it the Signature of the Original Inventor. All others are COUNTERFEIT.

CLICKENER'S SUGAR COATED VEGETABLE PILLS are the first and only Medicine ever known that will *positively cure*

Headache, Giddiness, Rheumatism, Piles, Dispepsia, Scurvy, Small Pox, Jaundice, Pains in the Back, Inward Weakness, Palpitation of the Heart, Rising in the Throat, Dropsy, Asthma, Fevers of all kinds, Female Complaints, Measles, Salt Rheum, Heartburn, Worms, Cholera Morbus, Coughs, Quinsy, Whooping Cough, Consumption, Fits, Liver Complaint, Erysipelas, Deafness, Itchings of the Skin, Colds, Gout, Gravel, Nervous Complaints,

And all other diseases originating from impurities of the blood.

☞They have cured, since their introduction, over 2,000 persons, who have been given up as hopeless cases, by the most eminent Physicians.

☞They are patronized and recommended by men of the highest distinction, among whom are—

Hon. David R. Porter, Hon. John Q. Adams, Hon. Martin Van Buren, Gen. Winfield Scott, Hon. James K. Polk, Hon. Henry Clay, Hon. Daniel Webster, Hon. J. C. Calhoun, Col. R. M. Johnson, Gen. Lewis Cass.

☞Their virtues are so infallible that the money will be returned in all cases they do not give universal satisfaction. Although but two and a half years have elapsed since these celebrated Pills were first introduced to the public, the sale of them in the Eastern and middle States has far exceeded Dr. Clickener's most sanguine expectations. During the past year, alone, no less than 10,000 gross of boxes have been sold in the State of New York, 6,000 in Pennsylvania, 4,000 in Maryland, 3,000 in New Jersey, 2,000 in Delaware, and 9,000 in the New England States, requiring the constant employment of 27 hands, exclusive of printers and engravers. In the same period, upwards of 200,000 copies of the "Family Doctor" have been ordered by agents in every section of the country. These facts must show, conclusively, that Dr. Clickener's Sugar Coated Pills, besides being the very best medicine in the world, are held in the highest estimation by the public.

We might extend this publication to an indefinite length, if we deemed it expedient to publish all testimonials we have received, not only from agents but individuals and families, who have experienced the benficial effects of Clickener's Sugar Coated Pills, but we deem it unnecessary. The most incontestible evidence of their unprecedented success, are the nimberless Imitations and Counterfeits which have already appeared, notwithstanding the brief period they have been before the public. Even some of our staunchest pill makers have had the audacity to imitate the Capsule of Sugar, in order to disguise the ingredients of their vile compounds, and palm them off for the "real simon pure." Such paltry shifts cannot long without exposing their hideous deformity. Truth and honesty must inevitably prevail over rascality and deception.

For sale in Pittsburgh by WM. JACKSON, *at his Patent Medicine Warehouse*, No. 89, Liberty street, head of Wood st., Pittsburgh. Price, 25c. per box.

Dr. Clickener's principal office is 81 Barclay street, New York.

☞Beware of an imitation article called Improved Sugar Coated Pills, purporting to be patented, as both the pills and the pretended patent are forgeries, got up by a miserable quack in New York, who, for the last four or five years, has made his living by counterfeiting popular medicines.

☞Remember, Dr. C. V. Clickener is the original inventor of Sugar Coated Pills, and that nothing of the sort was ever heard of until he introduced them in June, 1843. Purchasers should, therefore, always ask for Clickener's Sugar Coated Vegetable Pills, and take no other, or they will be made the victims of a fraud. oct 19-dly

Dr. Osborne's Indian Vegetable Restorative Pills.

Prepared by Dr. George Bennett, of New York city.

THE unprecedented success that has attended the use of these pills in the practice of the proprietor for the last six or eight years, has induced him to yield to the importunities of many who have used and been benefitted by them, and make arrangements to place them within the reach of the public generally. In doing so he feels called upon to say that the Indian Vegetable Restorative Pills is decidedly superior to any with which he is acquainted. They combine the properties of many of the best vegetable medicines used in no other pills in such a manner as to afford not only immediate and temporary but permanent relief.

The valuable tonic which enters into their composition, by their action upon the secretory organs hold in check the purgative principle, and induce a gentle and natural operation, without inconvenience or pain, and while they restore a natural and healthy action of the stomach, liver and bowels, they increase instead of diminishing the strength of the patient. The general opinion that a powerful and violent purgative is necessary is founded in error; they in general irritate the stomach and, bowels, derange the secretions, and are productive of very serious consequences, and it should be known that the great mass of pills in general use are composed of the most powerful and irritating purgatives, and act with too great a degree of violence, producing that derangement in the system that is followed by constigation of the bowels, indigestion and costiveness. From these facts the natural inference would be that to maintain uniform health it is necessary to correct unhealthy secretions, expel morbid humors and purify the system, by the use of a medicine that will act efficiently yet mildly, assist instead of deranging the organs of the system, and thus, bring nature in its proper and healthy channel, to accomplish which no medicine is superior to the Indian Vegetable Restorative Pills; their operation is, in ordinary doses, to promote a natural and easy evacuation, and at the same time by their tonic property impart vigor and health to the system, but when a powerful and speedy operation is necessary, it will be accomplished by increasing the dose, which may be done with perfect safety, as they are entirely *Vegetable.*

They have been used as a family medicine for years by many of the first respectability, and those they are not recommended to "heal all the ills that flesh is heir to," yet it has been found very rare that it has been found necessary for those using them to employ any other medicine, and their occasional use will almost invariably prove an effectual preventive to disease. They are exactly adapted to the use of families, travelers and seamen; they cleanse the blood, causing a free circulation—open the obstructions and promote the secretions of healthy bile, and consequently are an excellent medicine for nausea, indigestion, nervous disorders, dejection, liver complaint, pains in the head, side and breast, costiveness, loss of appetite, urinary obstructions, ague and fever, bilious and intermittent fever, dysentery, rheumatism, scorfula, and are eminently useful in all female complaints—and in one word, all diseases arising from unhealthy secretions and impurity of the blood. Numerous testimonials of their efficacy in particular cases might be added, but the proprietor prefers presenting a few certificates of their general character, from persons of unquestionable candid and veracity, who would not in any degree lend their influence to promote anything that is not of decided utility, and rely upon
