Transportation Lines.

Pittsburgh Portable Boat Line,

1846.

FOR the transportation of freight between Pittsburgh and the Atlantic cities, via Pennsylvania Improvements and Baltimore and Susquehanna railroad.

The Proprietors of this old established line, having completed their arrangements, are prepared to forward goods to and from the East (on the opening of the canal navigation,) on as reasonable terms as any other responsible line, and are determined that no care or attention on their part shall be wanting to secure a continuance of that patronage so liberally bestowed upon them for several years past.

The decided success of the portable boat system, so manifest in the regularity and despatch experienced in the delivery of goods, the absence of all risk of delay, breakage or other damage, incident to the old system, where goods have to be hurriedly transhipped three times on the way, and the merchantable order in which produce has been avowedly delivered by them, has induced the proprietors to increase their stock considerably this season. Their extensive warehouses at each point, (unequalled by any other line,) affords them facilities to conduct their business with despatch, and to shippers the convenience of free storage, if required, until their arrangements are complete—while their long experience in the carrying trade, it is presumed, will be sufficient guarantee to their patrons and the public that they will successfully exert themselves to give general satisfaction.

Produce received forwarded, steamboat charges paid, and bills lading transmitted free of charge for commission, advancing or storage, and all communications to the following agents promptly attended to:

TAAFFE & O'CONNOR, Cor. Penn and Wayne sts., Pittsburgh.
THOMAS BORBIDGE, 278 Market street, Philadelphia.
O'CONNORS & Co., North st., Baltimore.

Bingham's Transportation Line.

1846.

CONDUCTED on strict Sabbath-keeping principles, though not claiming to be the only line that is so conducted. The proprietors of this old established line have put their stock in the most complete order, and are thoroughly prepared to forward produce and merchandize to and from the Eastern cities on the opening of navigation.

We trust that our long experience in the carrying business, and zealous attention to the interests of customers, will secure to us a continuance and increase of the patronage heretofore bestowed on 'Bingham's Line.'

Our arrangements will enable us to carry freight with the utmost despatch; and our prices shall always be as low as the lowest charged by other responsible lines.

Produce and merchandize will be received and forwarded east and west without any charge for advertising, storage or commission.

Bills of lading forwarded, and every direction promptly attended to.

EXTRAORDINARY DISCLOSURES. BEWARE OF FRAUDS. TO DRUGGISTS.

SOME Druggists are misled into the error of buying a miserable imitation of Dr. Smith's Sugar-Coated Indian Vegetable Pills, simply because they can purchase the spurious *cheaper*. We shall in all cases expose such dealers throughout the country, who, after being *duly informed* of the rascality of these imitators, buy and attempt to impose upon the public with such worthless trash. It is not the Sugar coating alone that constitutes the value of my Pills, but it is *my invention*, for which I claim the right.

Man's Inventions Outdone by Nature.

READ, REFLECT, BE WISE, AND USE NATURE'S GREAT REMEDY, THE AMERICAN OIL, A MEDICINE OF NATURE.

THIS Oil is obtained from a well near Burksville, Kentucky, at the depth of 185 feet below the surface of the earth, and 170 feet through solid rock. Its curative properties are truly astonishing, and as a Remedial Agent it may well be pronounced wonderful. Since the discovery of this Panacea of Nature, numbers of remarkable cures have been effected by its use. It is Innocent—Powerful—Safe and Certain in its effects. It has been used with unparalled success in the treatment of the following diseases: Inflammatory Rheumatism, Burns and Scalds, Cholic, Piles, Flatulence, Inflammation of the Kidneys, Deafness, Consumption, Liver Complaint, Phthisic, Scald Head, Cancers, Weak and Sore Eyes, Bruises, Fresh Cuts and Wounds, Sprains and Strains, Dropsy, Pains in the Breast and Side, Tetter, Influenza, Ulcerated Sore Throat, Consumption, Bronchitis, Spasms, Ulcers, Spinal Affections, Scrofula or King's Evil, Coughs, Syphilis, Ringworm, all Bowel Complaints, all Chronic diseases, Impurities of the Blood and General Debility. It is likewise very beneficial for Female Complaints in general; acts as a great Restorative from Languor, weakness of Back and Chest, Low Spirits and Excessive Debility.

Read the following Certificates, all of which are authentic; all the persons therein named are now living, and well known in Cincinnati and Pittsburgh:

PITTSBURGH, Aug 22, 1846.

This is to certify that we have used the American Oil for the whooping cough, among our children, by giving them from 20 drops to a small tea spoonful at night, which always enabled them to rest well through the night. I also applied it to one of the children that got her arm burnt by turning over a tea cup of hot coffee on it, the child ceased crying by the time the arm was dressed and bound up, and has never complained of it since. I also was afflicted with a pain in my side and breast, and have been so for 16 years. I commenced using the Oil by taking a teaspoonful twice a day and in 3 or four days using of the oil I have ben very much relieved, and do really believe that it is the best family medicine that I have ever seen. I applied it to one of my neighbor's for a strained ancle, which relieved her in a few minutes. We have also used the oil for a strained joint in our own family, which gave ease in a very short time. We live on the east side of Penn st., 3 doors south of Walnut, I am now as well as I ever was in my life.

MARGARET H. SMITH.

PITTSBURGH, Aug. 14, 1846.

This is to certify, that my son has had the Plethisic for seven years, and was very bad with it; and about 12 or 15 days since, I commenced giving to him about 20 or 25 drops of the American Oil, twice a day, which relieved him in a day or two of his difficulty of breathing, and he is now entirely relieved of his cough; our boy is 10 years of age. We live in King's Alley. NANCY KING.

CINCINNATI, July 1st, 1846.

Sir: Having been cured of a very severe disease of the eyes and head by the use of the American Oil, I feel it my duty to the public, as well as to you, to send you the following certificate:

I hereby certify that I was severely afflicted one year ago last winter, with inflamed sore eyes and a very severe pain in my head from my eyes up to the top of my head, and continued so for several weeks. My eyes were so much inflamed and sore that I could not see to attend any business, nor could I tell one object from another a few yards from me. I called in a physician, but still got worse. I also tried a good many remedies that had cured others; but in my case they failed. In April, 1845, I heard of the American Oil. I procured a bottle, and before I had used a half a bottle I was entirely well, and still continue so. I will not be without it in my house as long as I can get the genuine article. I also gave it to one of my men that was working for me, that had the tetter in his hands so bad that when he would grip anything tight in them the blood would burst out, and the use of half a bottle cured us both. I would advise all that are afflicted in any way to give the Oil a fair trial, and I think they will be pleased with the effect it will have, &c.

A POSITIVE AND PERMANENT CURE FOR RHEUMATISM AND ALL NERVOUS COMPLAINTS.

"What though the *causes* may not be explained,
Since their *effects* are duly ascertained,
Let not delusion, prejudice, or pride,
Induce mankind to set the means aside;
Means which, tho' simple, are by Heaven design'd
To alleviate the ills of human kind."

DR. CHRISTIE'S GALVANIC RINGS AND MAGNETIC FLUID.

THIS remarkable invention, which has received the universal approbation of the medical profession of Great Britain, comprises an entirely new application of Galvanism, as a remedial agent, by means of which the ordinary Galvanic Batteries, Electric and Magnetic Machines, &c., are entirely dispensed with, and the mysterious power of Galvanism applied without any of the objections which are inseparable from the general mode now in use. The strong doses, and irregular intervals, in which Galvanism is applied by the Machines, has been pronounced, after a fair and impartial trial, to be *decidedly injurious*, and it was to remedy this radical defect that this new application was projected, which, after unceasing toil, and perseverance, has been brought to its present state of perfection. The *Galvanic Rings* answer all the purposes of the most expensive Machines, and in many other respects are more *safe* and *certain* in accomplishing the desired effect.

The *Galvanic Rings* used in connection with the *Magnetic Fluid*, are confidently recommended in *all disorders which arise from an enfeebled and unhealthy state of the nervous or vital system*, and these complaints are among the most painful and universal to which we are subject. They arise, without exception, from one simple cause—a derangement of the Nervous System—and it was in these cases that other 'remedies' having so often failed, a new agent was greatly needed, which it is confidently believed, has been found in the proper and judicious application of Galvanism.

The Galvanic Rings have been used with entire success in all cases of RHEUMATISM, acute or chronic, applying to the head, face or limbs, *Gout, Tic-Doloreux, Toothache, Bronchitis, Vertigo, Nervous Sick Headache, Indigestion, Paralysis, Palsy, Epilepsy, Fits, Cramp, Palpitations of the Heart, Apoplexy, Stiffness of Joints, Spinal Complaints, Lumbago, Neuralgia, Nervous Tremors, Dizziness of the Head, pain in the Chest and Side, General Debility, Deficiency of Nervous and Physical Energy,* and all NERVOUS DISORDERS. In cases of confirmed Dyspepsia, which is simply a nervous derangement of the digestive organs, they have been found equally successful. Their extraordinary effects upon the system must be witnessed to be believed, and as a certain preventive for the preceding complaints they are equally recommended. The Rings are of different prices, being made of all sizes, and of various ornamental patterns, and can be worn by the most delicate female without the slightest inconvenience. In fact, the sensation is rather agreeable than otherwise.

The Galvanic Belts, Bracelets, Bands, Garters, Necklaces, &c.

In some cases of a very severe character, and of long standing, the power as applied by the Galvanic Rings is not sufficient to arrest the progress of disease and ultimately restore health. The improved modification in the Galvanic Belts, Bracelets, &c., entirely remedies this objection; any degree of power that is required can readily be obtained, and no complaint which the mysterious agent of Galvanism can effect will fail to be permanently relieved. These articles are adapted to the waists, arms, wrists, limbs, ancles, or any part of the body, with perfect convenience. The Galvanic Necklaces are used with greater benefit in cases of Bronchitis or affections of the throat generally; also in cases of Nervous Deafness; and with almost uniform success as a preventive for Apoplexy, Epileptic Fits, and similar complaints.

Christie's Magnetic Fluid

is used in connection with the Galvanic Rings and all their modifications. This composition has been pronounced by the French Chemists to be one of the most extraordinary discoveries of modern science. It is believed to possess the remarkable power of *rendering the nerves sensitive to galvanic action* by this means causing a concentration of the influence, at the seat of disease, thus giving rapid and permanent relief. No other composition in chemistry is known to produce the same effect, or to impart a similar property to the nervous system, by means of an outward local application. The Magnetic Fluid contains nothing capable of the slightest injury; its application is agreeable, and it is as harmless in its action as it is beneficial in its results. Full explanations and directions accompany it. The combined inventions are in every way perfectly harmless; they are sold at prices within the reach of all and the discoverer only requests a fair trial as a test of their surprising efficacy and permanent benefit.

Christie's Galvanic Strengthening Plasters.

These articles form another valuable application of the mysterious influence of Galvanism. They are an important adjunct to the genuine Galvanic Rings and their modifications, acting upon the same principle, but having the advantage of more local application. They are confidently recommended as a valuable addition in the speedy cure of Rheumatism, acute or chronic; in all nervous complaints, and as a positive remedy in cases of *Pain and Weakness in the Chest or Back, Pain in the Side, in Asmatic Affections,* and in *Weakness or Oppression of the Pulmonary Organs.* In Spinal Complaints their effects are of the most decided character, and they have often been used with complete success. They are also of the greatest advantage in Pains and Weakness of the Breast, and are highly recommended for many of those complaints to which females are especially liable. As an effectual means for strengthening the system when debilitated with disease or other causes; as a certain aid in Constitutional Weakness, as a Preventive of Colds, and in all affections of the Chest, generally, the Galvanic Strengthening Plaster will be found of great and permanent advantage. In a few words; it embraces all the virtues of the best tonic preparation, with the important addition of the galvanic influence, which is neither impaired nor exhausted, while the action continues. These articles will be found entirely free from those objections which are a constant source of complaint with the ordinary plasters in common use.

CAUTION.

CERTIFICATES AND TESTIMONIALS,

Of the highest and most respectable character, are constantly received, regarding the extraordinary value and success of the above articles. It is believed that in the city of New York alone, upwards of EIGHT THOUSAND PERSONS during a period of less than a year, have been entirely relieved of the most painful chronic disorders, some of which have completely baffled all former efforts of medical art, indeed many of the first physicians of this city, who disapprove of the Galvanic and Magnetic Machine, constantly recommend this application in their practice, and with the exception of those who are too prejudiced to give it a trial, the invention has received unanimous favor with the most intelligent among the American Faculty. Dr. Christie is at all times ready and most happy to give every facility to physicians, and all interested, for testing the truth of his assertions and the efficacy of his discovery.

Dr. Osborne's Indian Vegetable Restorative Pills.

Prepared by Dr. George Bennett, of New York city.

THE unprecedented success that has attended the use of these pills in the practice of the proprietor for the last six or eight years, has induced him to yield to the importunities of many who have used and been benefitted by them, and make arrangements to place them within the reach of the public generally. In doing so he feels called upon to say that the Indian Vegetable Restorative Pills is decidedly superior to any with which he is acquainted. They combine the properties of many of the best vegetable medicines (used in no other pills) in such a manner as to afford not only immediate and temporary but permanent relief.

The valuable tonic which enters into their composition, by their action upon the secretory organs hold in check the purgative principle, and induce a gentle and natural operation, without inconvenience or pain, and while they restore a natural and healthy action of the stomach, liver and bowels, they increase instead of diminishing the strength of the patient. The general opinion that a powerful and violent purgative is necessary is founded in error; they in general irritate the stomach and bowels, derange the secretions, and are productive of very serious consequences, and it should be known that the great mass of pills in general use are composed of the most powerful and irritating purgatives, and act with too great a degree of violence, producing that derangement in the system that is followed by constipation of the bowels, indigestion and costiveness. From these facts the natural inference would be that to maintain uniform health it is necessary to correct unhealthy secretions, expel morbid humors and purify the system, by the use of a medicine that will act efficiently, yet mildly, assist instead of deranging the organs of the system, and thus bring nature in its proper and healthy channel, to accomplish which no medicine is superior to the Indian Vegetable Restorative Pills; their operation is, in ordinary doses, to promote a natural and easy evacuation, and at the same time by their tonic property impart vigor and health to the system, but when a powerful and speedy operation is necessary, it will be accomplished by increasing the dose, which may be done with perfect safety, as they are entirely *Vegetable*.

They have been used as a family medicine for years by many of the first respectability, and although they are not recommended to "heal all the ills that flesh is heir to;" yet it has been found very rare that it has been found necessary for those using them to employ any other medicine; and their occasional use will almost invariably prove an effectual preventive to disease. They are exactly adapted to the use of families, travelers and seamen; they cleanse the blood, causing a free circulation—open the obstructions and promote the secretions of healthy bile, and consequently are an excellent medicine for nausea, indigestion, nervous disorders, dejection, liver complaint, pains in the head, side and breast, costiveness, loss of appetite, urinary obstructions, ague and fever, bilious and intermittent fever, dysentery, rheumatism, scorfula, and are eminently useful in all female complaints—and in one word, all diseases arising from unhealthy secretions and impurity of the blood. Numerous testimonials of their efficacy in particular cases might be added, but the proprietor prefers presenting a few certificates of their general character, from persons of unquestionable candor and veracity, who would not in any degree lend their influence to promote anything that is not of decided utility, and rely upon their intrinsic merits to gain them a reputation, feeling a perfect confidence that none will abandon their use who give them a fair trial.

Heads of families should always keep a quantity of Dr. Osborne's Indian Vegetable Restorative Pills in the house; they never fail. For those who are subject to fits, headache, giddiness, dimness of sight or drowsiness arising from too great a flow of blood to the head, should take these pills in preference to anything else, as they are a sure remedy.

Females who value good health should never be without Dr. Osborne's Indian Vegetable Restorative Pills, as they purify the blood, remove obstructions, and give the skin a beautiful, clear, healthy and becoming appearance. It has been admitted by a number of physicians that females cannot too highly value these pills.

CERTIFICATES.

The following certificates are from the Rev. Thos. Newman and the Rev. David Webster, ministers in the Methodist E. Church, New York Conference.

NEW PALTZ, Sept. 5th, '45.

Dr. Osborn—Dear Sir: I have used your Indian Vegetable Restorative Pills myself, and made use of them in my family, and most cheerfully recommend them as a very valuable family medicine.

Respectfully, THOMAS NEWMAN.

MARLBORO, August 3d, '45.

D. T. Osborn—Dear Sir: I have for some time past made use of your Indian Vegetable Restorative Pills, both myself and in my family, and do most cordially recommend them as a superior family medicine. Their action is exceedingly mild and efficacious, and so far as my experience goes, they are all that you recommend them to be.

Respectfully, DAVID WEBSTER.

Letter from the Rev. George Bowes,

ELK HORN, Walworth county, Wis.

Dr. Osborn.—It is with pleasure I inform you of the great benefit which I have derived from your pills. I have been in a decline for some time, which has greatly alarmed me, more especially as my complaint was a consumptive one, and I have also been very billious, and have labored severely with pains in my head, and my eyes have been so affected as to turn of a cloudy, sallow and other disagreeable complexions. My wife had suffered also from great weakness and severe pains, and as your pills have so wonderfully relieved us, we have sounded the name of them all over our neighborhood; and wherever my extraordinary cure is known, as the most valuable preparation for purifying the blood and regulating the system. I should not have known the worth of your pills had it not been for the Rev. W. F. Dewit, of Cuddebackville, Sullivan county, N. Y., who with great kindness sent me a box to try them, and to that box of pills I owe my health; and as the agent here is out of your pills, I wish you would send me a package of boxes as soon as possible.

Respectfully, GEORGE BOWES.

DIRECTIONS.—Dr. Osborne's Indian Vegetable Restorative Pills should be taken every night for a week, less or more, as the obstinacy of the disease, or circumstances are. The usual dose is from 2 to 5, according to the constitution of the person, but they should be taken in sufficient quantities to operate two or three times on the bowels. Very delicate persons should begin with but two, and increase as the nature of the case may require. Those more robust or of very costive habit, may begin with three and increase to six, or even more if it shall be found necessary, and they will effect a sufficiently happy change to guide the patient in their future use.

Each box contains from 35 to 40 pills—Price 25 cts. Sold, wholesale and retail, at W. JACKSON'S Patent Medicine Warehouse, No. 89, Liberty st., head of Wood, the only place in Pittsburgh where the genuine Dr. Osborn's Indian Vegetable Restorative Pills can be obtained. oct19-d&w6m

MORE PROOF OF THE EFFICACY OF DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY, THE ORIGINAL AND GENUINE PREPARATION!

CONSUMPTION

Coughs, Colds, Asthma, Bronchitis, Liver Complaint, Spitting Blood, Difficulty of Breathing, Pain in the Side and Breast, Palpitation of the Heart, Influenza, Croup, Broken Constitution, Sore Throat, Nervous Debility, and all diseases of Throat, Breast and Lungs, the most effectual and speedy cure ever known for any of the above diseases is

DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY.

A Truly Wonderful Cure!

DR. SWAYNE: Dear Sir—In October last, while engaged with Mr. Joseph Smith, in a saw mill, near Waynesburg, I was attacked with a cough, from being exposed at night, which gradually increased, attended with spitting of blood and a severe pain in the breast, loss of appetite, fever, &c. &c., which was scarcely supportable. I had a family, who were wholly dependent on my exertions for support, yet was obliged to leave my business and return home. I was then attended by several Physicians, both still grew worse, until my medical attendants gave me up as incurable. Subsequently, my wife, observing in one of the public prints, an advertisement of Dr. Swayne's Compound Syrup of Wild Cherry, procured me one bottle from Francis M'Clure, your agent in Lewistown, which relieved me. I continued until I had taken five bottles. I am now able to return to my work again. I write this to offer you my sincere thanks, and you are at liberty to make it known, so that if any human being is suffering as I have been, he may have recourse to your invaluable medicine.

Yours, JOHN P. BOYNE.
Lewistown, Del.

CONSUMPTION, which has baffled the skill of eminent Medical practitioners, where invalids have been given up hopeless, by having recourse to, and persevering in, this unequalled remedy, have been radically cured. There are now in the hands of the proprietor numerous certificates of cures, which would astonish credulity itself, were they made known to the world. To those who are afflicted with any of the above diseases, we say, give this medicine a fair trial; you will then be convinced this is no miserable compound, but a safe and powerful remedy, and that its curative powers stand alone and equalled by none.

Dr. Swayne's Syrup is the only true and genuine article of Wild Cherry before the public, and we would say to the afflicted, always look for the written signature of Dr. SWAYNE on each bottle before your purchase. Beware, and be not deceived!

Some persons may tell you that some other preparation is as good. Heed them not. One trial of the genuine Dr. Swayne's Syrup of Wild Cherry will convince you that it is the most valuable medicine discovered.

From the increasing demand for the above article, Druggists, Merchants, and dealers generally, will find it to their advantage to have a full supply of this valuable medicine. Remember to enquire for DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY, as there have been some individuals with the assumed names of physicians making great efforts to push a spurious article into the market under a fictitious name.

The (original and only) genuine article is only prepared by DR. SWAYNE, N. W. corner of Eighth and Race streets, Philadelphia.

Let the advice be repeated, do not neglect a *slight cough*; if you do, you may have occasion to regret it. Why run any risk! Delay has, and may again lead to serious consequences.

IMPURITY OF THE BLOOD.—An excellent Spring Medicine. Dr. SWAYNE'S COMPOUND SARSAPARILA AND EXTRACT OF TAR PILLS. These great purgative and purifying Pills are celebrated for the cure of Dyspepsia, Sick Headache, Loss of Appetite, Low Spirits, Blotches or Pimples on the face, or any disease where a purgative or purifying medicine is required. These pills neither gripe, produce nausea, or any other unpleasant sensation, and as a Spring Medicine for purifying the blood and cleansing the body of disease, they are unsurpassed by any medicine ever yet introduced to the public.

Wilson's Pills.

THE WILSON PILLS, as a remedy peculiarly adapted for headaches and dyspeptic affections, are pretty generally known and esteemed in this community; and the proprietor, so often as he has occasion to write or speak of them, can scarcely refrain from an expression of his grateful acknowledgments to his friends for their patronage and kindness to him. His feelings are the warmer from observing the "beginning and the ending"—thrown almost in juxtaposition—of so many nostrums and kindred preparations equally loud in their pretensions, and much more industriously presented to the public; while his preparation noiselessly advances, even to remote places, soothing and comforting the afflicted, and permanently grafting itself upon the affections of new friends, thus continually widening the circle of its usefulness. Although well satisfied that his medicine has, as it were, a principle of perpetuity in it, yet he is obliged to his friends for the most *substantial* evidence of the fact.

In its natural history, if you please, the Wilson Pill differs from most other preparations in not being originally made for sale, or with a view to pecuniary profit; while as every body knows, the greatest tyro (as a general thing) no sooner begins to dabble in drugs than he casts about for some cheap preparation, or must get up, as the phrase is, something—anything that will sell. Often he attempts it under an assumed or fictitious name, as though conscious his own were insufficient to sell it. The difference then between the Wilson Pill and the preparations I have just indicated, would appear to be this: The consciousness of the value of my pill originated the idea of putting them on sale for money, and at price. The consciousness of the value of *money* originates in most instances the many preparations I have alluded to; and the *price* most likely to take is always first carefully considered, and the pill or other preparation made and graduated to suit it. The one is a DISCOVERY, and comes from the great Arcana of Universal Nature; the other a *trick* or *invention*, and comes from a not very popular quality of INDIVIDUAL Nature. Reader! the difference here is great. In one instance the *value* attached to the PILL is the starting point; in the *other*, the MONEY. But it is not probable that some of the many preparations having even *such* paternity were *accidentally good*, but that possibly by this process of "getting up" as they call it, by puffing and blowing, as we clean wheat, they have been "got up" too high before their specific gravity had been carefully ascertained, and have blown off never to be heard of, with other chaff—some lighter, some heavier.

Whatever may be the *rationale*, I must repeat it, that I am most profoundly thankful to my friends for their discrimination in not consigning my discovery to that compendious category of "inventions that did not answer"—of "tricks that won't win."

The Wilson Pills are useful as a GENERAL remedy, and may be kept and taken, in proper doses, in families, as a preventative of general ill health, or disease of whatever name, by any member of the family, without any fear of the consequences of exposure in the ordinary pursuits of business.

☞ They may always be had in any quantity of the proprietor, in Penn street, below Marbury, and of the principal Druggists of this city and Allegheny.
