Landreth's Warranted Garden Seeds,
DIRECT FROM PHILADELPHIA. Each paper bears the label and warranty. DAVID LANDRETH. For sale by F. L. SNOWDEN, No. 29 Wood st., at the stand formerly occupied by Geo. A. Berry. Extract from the 'Report of the Visiting Committee of the Pennsylvania Horticultural Society,' unanimously adopted and ordered to be printed.
LANDRETHS NURSERIES AND GARDENS.
"These extensive grounds are on Federal street, near the Arsenal. * * * The earliest collection of Camellias was made here. Some of those now in possession of those distinguished nurserymen are ten feet high. * * * The selection of GREEN-HOUSE PLANTS is valuable and extensive.
"The Nurseries are very correctly managed, supplying every part of the Union, a detail of which would occupy too much of our space, we therefore content ourselves with stating that the stock is very large, and in every stage of growth, consisting of FOREST AND ORNAMENTAL TREES, EVERGREENS, SHRUBS, VINES AND CREEPERS. There is a collection of herbaceous plants, fruit trees of the best kind and most healthy condition, large beds of seedling apples, pears, plums, &c., as stocks for budding and grafting; a plan very superior to that of working upon suckers, which carry with them into the graft all the diseases of the parent stock. * * *
"GARDEN SEEDS of the finest quality have been scattered over the country from these grounds, and may always be depended upon. The seed establishment is one of the most extensive in the Union, and its reputation is well sustained from year to year.
"To obviate the chance of mixture of the farina of the plants of the same family, they have established another nursery at a suitable distance, so that degeneration cannot take place, and which secures to the purchaser a 'genuine article.' Knowing this to be the case, the taste and process of culture of every plant, the supply from their grounds is recommended with confidence."
*** Since the date of the 'Report' from which the above is extracted, the entire establishment has been greatly enlarged. The collection of Camellias embraces all the finer kinds, and consists of some thousands of various sizes; so likewise with Roses, and other desirable plants, both tender and hardy; fruit trees, &c.
The Seed Gardens alone cover fifty acres, and the whole is, as it has been for more than half a century, under the successive management of father and son, the most prominent in America.
☞ Orders received by F. L. SNOWDEN, from whom catalogues may be received gratis. mar9-y

CLOTHING! CLOTHING!! CLOTHING!!!
The Three Big Doors vs. The Western World!!!
150,000 WELL SELECTED GARMENTS
NOW made and ready to be offered on the most liberal terms to my old customers and the public. The Proprietor of this far famed and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other market west of the mountains. For neatness in style and workmanship, combined with the very low price which they will be sold for, must certainly render the old unrivalled Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush that is made on this popular establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on the amount sold, I can afford to sell at much less profit than others could possibly think of doing if they wished to cover contingent expenses. I intend to make a clean sweep of all my present stock before the beginning of next year; coming to this conclusion, I will make it the interest of every man, who wants a cheap winter suit, to call and purchase at the Three Big Doors.

University Law School.
THE FALL SESSION of this department of the Western University, will commence in the new University Building, on the First Monday of DECEMBER next, and the SPRING SESSION of 1847, will commence on the FIRST MONDAY of FEBRUARY following.
The institution having so far recovered from the effects of the great fire of April last year, as to have the new building nearly completed with increased accommodations for all its departments, it is hoped that the Law School will be found to present increased facilities and attractions to those who desire to pursue a regular and thorough course of legal education, and to prepare themselves creditably for admittance to the bar.
There will be daily recitations by the classes on assigned lessons, so arranged as to embrace, within a two years course, all the principal and most important branches of the law. Occasional lectures on law and equity, will also be delivered as part of the course.
The Moot Court, designed for assisting students in acquiring knowledge and readiness in the practice of the law will be resumed as soon as the number of students will justify. The degree of Bachelor of Law will be conferred on students of the institution, according the rules usual in such institutions.
Any further information that may be required can readily be obtained on application to the Professor, WALTER H. LOWRIE, who has his office on 4th above Smithfield street, Pittsburgh.
