"The Nurseries are very correctly managed, supplying every part of the Union; a depot of which would occupy too much of our space, we therefore content ourselves with stating that the stock is very large, and in every stage of growth, consisting of FOREST AND ORNAMENTAL TREES, EVERGREENS, SHRUBS, VINES AND CREEPERS, with a collection of herbaceous plants, fruit trees of the best kind and most healthy condition, large beds of fine superior established, and furnished it anew throughout, with new beds, new bedding and new furniture. He feels altogether at liberty to promise his visitors a comfortable and cleanly abode, liberal entertainment, and a hearty welcome, at a moderate expense. ALLEN BROWN.

"GARDEN SEEDS of the finest quality have been scattered over the country from these grounds, and may always be depended upon. The seed establishment of these Horticulturists is one of the most extensive in the Union, and its reputation is well sustained from year to year.

"To obviate the chance of mixture of the farina of the plants of the same family, they have established another nursery at a suitable distance, so that degeneration cannot take place, and which secures to the purchaser a 'genuine article.' Knowing thine the importance and process of culture of every plant, the supply from their grounds is recommended with great confidence."

"Since the date of the 'Report' from which the above is extracted, the entire establishment has been greatly enlarged. The collection of Camellias embraces all the finer kinds, and consists of some thousands of various sizes; so likewise with Roses, and other desirable plants, both tender and hardy; fruit trees, &c.

The Seed Gardens alone cover fifty acres, and the whole is, as it has been for more than half a century, under the successive management of father and son, the most prominent in America.

University Law School.

THE FALL SESSION of this department of the Western University, will commence in the new University Building, on the FIRST MONDAY OF NOVEMBER next, and the SPRING SESSION of 1847, will commence on the FIRST MONDAY OF FEBRUARY following.

This institution having so far recovered from the effects of the great fire of April last year, as to have the new building nearly completed with increased accommodations for all its departments, it is hoped that the Law School will be found to present increased facilities and attractions to those who desire to pursue a regular and thorough course of legal education, and to prepare themselves creditably for admittance to the bar.

There will be daily recitations by the classes on assigned lessons, so arranged as to embrace, within a two years course, all the principal and most important branches of the law. Occasional lectures on law and equity, will also be delivered as part of the course.

The Moot Court, designed for assisting students in acquiring knowledge and readiness in the practice of the law will be resumed as soon as the number of students will justify. The degree of Bachelor of Law will be conferred on students of the institution, according the rules usual in such institutions.

Any further information that may be required can be obtained on application to the Professor, WALTER H. LOWRIE, who has his office on 4th above Smithfield street, Pittsburgh.
