DESPAIR! YOU CAN BE CURED.

LAMBERTSVILLE, N.J., June 10, 1846.

June No 8 South Third st., Philadelphia—have this day had an interview with the of whom I made mention to you at interview or Expectorant with such decided effect, ectable farmer, living a few miles from so much interested in a detailed account of his cough and cure, that I embraces sure moment to communicate it to you are is as radical as it appears to be, it is markable one I have ever known. For er having the measles) he has been suffer a cough of the most distressing kind, gets is he advanced in years; he is now 65, mas of coughing and difficulty of breatherom an hour to an hour and a half, would him with such severity as to exhaust him ing until his eyes became bloodshot. He do f being cured having tried physicians and things without reliel. For nine weeks previous to taking the Expectorant, he is able to go to his burn although there at urgent necessity for him to do so.

e nine weeks he was under the care of physician, and he finally just got able to came to my store, and hearing his cough, died to him your Expectorant. He first ried so many things that he had no configured having the last got able to came to my store, and hearing his cough, at himsel to make a full hand on his farm flow nearly two mon his! He told mo for the last feek he had cut and split a ls, or made a hundred panels of Pence per cut in the water to weak his sheep, and knowled, it having entirely disappeared set of all, one-third of a bottle has professed, without the least symptom of a ls, or made a hundred panels of Pence per cut in the water to weak his sheep, and knowled and left:

minative Balsam I have used or recombers for the last ten years; with the most etc. Respectfully yours.

I OHN H. Anderson.
