RICH.—We had a great treat in reading the account of the Breach of Promise case in Louisville —Miss Nano Hayes vs. John Hays, a rich old bachelor. Miss Nano received a verdict of $6,000. On Tuesday last, Judge Pirtle, leading counsel for Miss Nano, presented the following check, and it was immediately cashed:

LOUISVILLE, Dec. 6, 1846.

$6,000. JOHN HAYES.

Important to Consumptives.—Strange! that so many who are afflicted with a Cough that is gradually wearing them down, and slowly but surely, stealing them into that *dreadful disease Consumption*—that disease which carries off thousands daily —are doing nothing, or, what is worse than nothing, are gorging themselves with nostrums that are puffed to the skies or which they are said to have effected on some foreign or unknown persons, when they can be positively cured by using Dr. Rogers' compound Syrup of Liverwort and Tar, which continues to make the most remarkable cures ever recorded in the annuals of Medicine; which is proved by reference to the vast number of certificates from the first and most respectable citizens,—such as the Hon. Judge William Burke, the wife of the Rev. Geo. Maley; Doctor Wm. Richards; Mrs. Hiram Plummer; Devinney Ludlow, Esq., of Cincinnati; and a great number of others in this city.—Certificates of not only of remarkable cures of distressing Cough, but cases of Consumption positively cured, after physicians of the highest standing have given them up to die!

For sale by D. C. Kneeland, principal agent Grant street, one door below 2d.

See advertisement of Dr. Rogers' Liverwort and Tar, in another column. dec1
