Lecture of the Hon, Charles Shaler, DELIVERED REPORE THE WASHINGTON LITERARY INSTITUTE.

Pursuant to call, the Delegates appointed for Allegheny country met in Convention at the Court House, on Wednesday, 27th inst., at 11 o'clock, A. M. Convention was organized by calling Dr. The Convention was organized by calling Dr. Long Cazzin to the Chair, and appointing M. M. Cullough, Dr. James Power, Alex. Carnaham, Esq., and Charles Kent, Vice Presidents, and John with the latter any violation of right, and the refusal of compel the nation against which hostilities are no forced, to do justice. This can only be done by redeased of its territory, capturing its individual citizens have so little idea of the obligations they owe to society, as to give to the individual citizens have so little idea of the obligations they owe to society, as to give to the individual citizens have so little idea of the obligations they one to society, as to give to the individual citizens have so little idea of the obligations they one to society, as to give to the individual citizens have so little idea of the obligations they one to society, as to give to the individual citizens have so little idea of the obligations they one to society, as to give to the individual citizens have so little idea of the obligations they one to society, as to give to the individual citizens have so little idea of the obligations they one to society, as to give to the individual citizens have so little idea of the obligations they one to society, as to give to the individual citizens have so little idea of the obligations they one to society, as to give to the individual citizens have so little idea of the obligations they one to society, as to give to the individual citizens have so little idea of the obligations they one to society, as to give to the individual citizens have so little idea of the objects for which war is nitive to the individual citizens have so little idea of the objects for which war is nitive to all the purposes for which war is individual citizens have so little idea of the objects to the individual citizens have to give t MCullough, Dr. James Power, Alex. Carnahan,
Eq., and Charles Kent, Vice Presidents, and John
Coyle and James B Sawyer, Secretaires.

When the following Delegates presented their redentials and took their seats:

The sawaper, M. Kane, Jr.

1st Ward—J. B. Sawyer, M. Kane, their own strength and resources to involve them
selves in hostile measures so long as there is any
reasonable mode of obtaining redress without such
resort, and the calamities attending war carried on
in its most humane form are so terrible that naties of the every means not inconsistent with their
dignity, and glory, in order to avoid them. But
the resort overy means not inconsistent with its rights to be violated with impunity, and not to
the remaining the opposing orces, taking mem captive,
wanting in courage, in a due sense of its own
to its welfare. A nation no more than a natural

It is admitted that the Mexican nation crossed that boundary, hoisted its flag—the emblem of national trusted and whose duty it is to gain the objects of advance, there, I repeat it, is the country of the Resolved. That we are decidedly opposed to a further increase of the County Taxes, for the purpose of giving additional compensation to the war by the readiest and specifies upon what we claim as our fronting per week—and is sufficient for the duties they perform. They came into office with the promise of the County Taxes, for the purpose of giving additional compensation to the war by the readiest and specifies and whose duty it is to gain the objects of the Government and whose duty it is to gain the objects of the war by the readiest and specifiest many per week—and is sufficient for the duties they perform. They came into office with the promise of the Union. Herethere was a trespass judge of Whig sincerty.

Resolved, That we may deem proper, to aid and comfort. It is an act for which, are formed to the fair the state of the facts, it is an act for which, are formed to make the promise of the country with the War with Mexico.

**No truncation of the Union I strength and whose duty it is to gain the objects of the Goving to the duties that are now made destributed by their protectors voluntering to serve the same purposes that punishment is inficited, in societies. My object is to bring before the facts, it is an act for which are founded, in order that you may see the condition in which a state of war natural than the promise of the Goving to the war by the readiest and specifiest mans, and the war with the war within the jurisdiction, caused the war by the readiest and specifiest mans, and the war with the same floats, wherever those heroes it, is the country of the davance, there, I repeat it, is the country of the wardenes, and attempts the state of the war by the readiest and specifiest mans, and the war with marked to a speedy termination of hostilities, than those calculated to the with the war by the readiest and specifiest mans, and the were the thousands an even in the same way. The Marked of the country of their indiction. Whether on the Bay of St. Francisco, the subtries of San Juan deal wake ter

expression of the exalted estimate we place on the chivalry and daring that directed and closed the chivalry and daring that directed and closed this perilous exploit.

Resolved, That the conduct of the officers and crew of the Somers on the occasion of the loss of the loss of the some on the occasion of the loss of the that vessel, amongst whom our own Parker and his Commander Semms were eminently distin
oned, cruelly treated, in some instances deprived of countries with little remorse. But when the Brit
"Mr. Kline" Semms were eminently distindis a further lives, and in others treated with the grossest
lant little Navy.

In the authorities of that Republic, have been impriscites and plundered the inhabitants of th discipline, courage, and self-sacrificing spirit that promotes our gallant little Navy.

Resolved, That a copy of the foregoing resolutions be transmitted by the officers of this meeting to our Senators and Representatives in Congress.

On motion of R. H. Kerr, the following was additionable transmitted:

Now supposing this to be the true state of the promoted of the first non-trivial and the formula of the country of their own indicates and estates, ing the French out of the country of their own and estates, ing the French out of the country of their own and estates, ing the French out of the country of their own and estates, ing the French out of the country of their own and estates, ing the French out of the country of their own and estates, ing the French out of the country of their own and estates, ing the French out of the country of their own and estates, ing the French out of the country of their own and estates, ing the French out of the country of their own and estates, ing the French out of the country of their own and estates, ing the French out of the country of their own and ing the first name in this Commonwealth from some than 160 acres of land, and to exempt the same from alienation, unless with the joint consent of the Potragues whom they came to protect, nor sack their cities, nor support them-the same from alienation, unless with the joint consent of the Potragues and Potrugues w

It is asserted to that in numerous instances our common sense, and although they carried on their merchants, trusting to the commercial regulations of Mexico, have sent ships and cargoes of great value to that country, and that in violation of good value to that country is value to that country is value to that country is value to that coun
