Porter's *City Daguerrian Gallery*, Philo Hall, Third st., Pittsburgh, Pa., and Franklin Building, Baltimore, Md.
Mr. Porter respectfully announces that he has at considerable expense fitted up apartments, and arranged light for Daguerreotyping purposes. His long experience in this art has enabled him to overcome many of the objections too common to pictures taken by this method.
Mr. Porter is aware that the impression has gone abroad (owing to the many failures to produce good pictures,) that clear and distinct Daguerreotypes cannot be made in Pittsburgh. His experiments, however, since he has opened his Gallery, fully warrant him in saying that as good pictures can be made here as elsewhere.
Ladies and gentlemen are invited to call and examine specimens.
Instructions given, and instruments and materials furnished upon reasonable terms.
All orders from country operators promptly attended to. nov25-tf

The subscriber, having been appointed agent for the sale of the above, will receive orders and furnish them at manufacturers prices.

THE subscribers would respectfully return their thanks to their friends and the public for the very liberal patronage bestowed since the commencement of the new firm, and would earnestly solicit a continuance of the same.

Flattered by the very extensive patronage received in their business, they have, at considerable expense, made arrangements in New York, by which they will have the latest Eastern and French patterns forwarded monthly, thus giving the citizens of Pittsburgh an opportunity of patronizing home industry, and finding in their own city what they formerly would obtain only in the East. Having adopted the principle of small profits and quick sales, they will be able to sell at as low rates as any of the establishments in the Eastern Cities.
