Transportation Lines.

SUMMER ARRANGEMNNTS.

1847.

Monongahela Route,

VIA.

BROWNSVILLE AND CUMBERLAND TO BALTIMORE AND PHILADELPHIA.

Time to Baltimore.....32 hours.
Time to Philadelphia.....40 hours.
[ONLY 73 MILES STAGING.]

THE Splendid and fast running steamers Consul, Louis M'Lane and Swatara, have commenced making double daily trips. One boat will leave the Monongahela wharf every morning precisely at 8 o'clock. Passengers by the morning line will arrive in Baltimore next evening in time for the Philadelphia Mail Boats or Rail-Road cars. The evening Boat will leave the wharf daily at 4 o'clock, except Sundays. Passengers by this boat will lodge on board, in comfortable state-rooms. Leave Brownsville next morning at 6 o'clock; cross the mountains avoiding night travel altogether. The preparations on this route are ample, and the connection complete; so that disappointments or delays will be unknown upon it.

Passengers can stop on the route and resume their seats again at pleasure, and have choice of Rail Road or Steamboat between Baltimore and Philadelphia.

Coaches chartered to parties to travel as they desire.

Secure your tickets at the office, Monongahela House, or St. Charles Hotel.

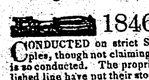
Bingham's Transportation Line.

1846.



CONDUCTED on strict Sabbath-keeping principles, though not claiming to be the only line that is so conducted. The proprietors of this old established line have put their stock in the most complete order, and are thoroughly prepared to forward produce and merchadize to and from the Eastern cities on the opening of navigation.

We trust that our long experience in the carrying business, and zealous attention to the interests of customers, will secure to us a continuance and increase of the patronage heretofore bestowed on 'Bingham's Line.'

Our arrangements will enable us to carry freight with the utmost despatch; and our prices shall always be as the lowest charged by other responsible lines.

Produce and merchandize will be received and forwarded east and west without any charge for advertising, storage or commission.

Bills of lading forwarded and every direction promptly attended to.

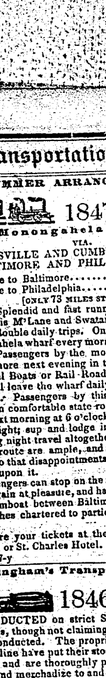
$1000 REWARD



IS offered to any person who will produce one fourth the amount of real certificates of positive cures in cases of CONSUMPTION or DISEASED *Lungs* as DR. ROGERS' LIVERWORT and TAR has made in this city or any other place where it has been introduced. Although it has not been puffed in the city papers in EDITORIAL FORM by the PROPRIETOR for the SOLE purpose of GAIN, (as most medicines are without regard to their worth) yet the demand has been enormous. In the city of Dayton alone, where this medicine has not been advertised to the amount of ten dollars, we received an order from Messrs. Ells, Claflin & Co. to the amount of one THOUSAND BOTTLES. And this too, in the summer season, when there is comparatively little or no demand for medicine of this character.

☞ This medicine still *performs* CURES that *seem* almost *incredible*, but as they are here, and are an own neighborhood testimony can be had from their own mouths, it must convince the most sceptical of the worth of this medicine.

Another REMARKABLE cure of CONSUMPTION: Mr. Gabriel Whitehead, of this city, was reduced so low that ALL HIS FRIENDS, and even his PHYSICIANS had given him up to DIE!!!

MR. A. L. SCOVILL.—As I owe my life to the use of DR. ROGER'S LIVERWORT and TAR, I feel it a duty, and shall without fear or delicacy give my testimony as evidence that others who may be afflicted with CONSUMPTION or diseased Lungs may know that this medicine is NO HUMBUG, but is worthy the most physicians' prescriptions for the disease for which it is recommended.

Last summer I was taken with a most DISTRESSING COUGH, and about the first of July my Lungs were so diseased that I bled in a short time several quarts of blood, which reduced me so low that all my friends, and even my physicians thought I must soon DIE with CONSUMPTION. My brother, however, heard of some of the *wonderful cures* made by this medicine, and procured a bottle, and before I had taken one half bottle, it seemed to go to the very *seat of the disease* and raised a LARGE QUANTITY OF MATTER and PHLEGM, and my COUGH was *stopped by a charm*. I have since used some two or three bottles, and am now able to attend to my business as well as ever.

I feel very thankful to the inventor of this medicine, for if it had not been for some all powerful medicine to have raised the matter and phlegm, and healed my lungs, I should without doubt have now been in my grave.

If any one will call on me on Catharine street, half a square below Linn, I will give them the particulars and refer them to numerous friends who visited me during my sickness.

Jan. 10th, 1847. GABRIEL WHITEHEAD.

STATEMENT OF DR. HIRAM COX.

Late PROFESSOR in the Cincinnati ECLECTIC MEDICAL COLLEGE, and a physician well known, who has an extensive practice, in relation to the case of Miss Belt, after having been given up to DIE with the last stage of CONSUMPTION, by a number of able PHYSICIANS.

MR. A. L. SCOVILL:—However reluctant I have been to permit my name to appear, attached to a certificate recommending *Patent Medicines, Nostrums* or *Catholicums*, I nevertheless think it my duty, not only to my patrons, but to the community, and, all afflicted with diseases requiring Cough Medicines to state, that in three particular cases of incipient CONSUMPTION, viz: Miss Belt, step daughter of Mr. John Carr of this city, a Miss Barger, sister-in-law of Mr. V. Wunder, butcher, and Mr. R. K. Cox, one of our City Council, that Dr. ROGERS' COMPOUND SYRUP OF LIVERWORT AND TAR operated more LIKE A SPECIFIC, than any remedy of a similar character in its operation than I have ever used in my *practice*. One of the cases above; viz: Miss Belt, appeared to be laboring under the *last stage of Scorfulous Consumption*, as pronounced by several PHYSICIANS who were in attendance previous to my being called to treat the case. She is at this present time in the enjoyment of as apparently good health, and from appearance, as likely to die with any other disease, as any other young lady of this city. As it respects the health of the other two cases, all the threatening premonitory symptoms seem to have subsided from the use of a few *bottles* of the *Syrup above*.

Very respectfully, &c.

RECEIVING DAYS—Tuesdays and Fridays, from 9 to 10 o'clock, A. M. Cases of accidents can be received at any time.

CHARGES—Three dollars a week in the general ward; five dollars with a private room. Medical attendance is included in these charges; payments to be made two weeks in advance.

Any physician can send patients to the Hospital, and continue to attend them there, and any patient can engage any physician he chooses. In these cases the Institution will not be responsible for the physician's fees; each person will settle with such physicians. Leeching is an extra charge.

As many free patients will be received as the means of the Institution will permit. Persons with contagious diseases will not be received until accommodations can be prepared sufficiently ample to prevent any danger that the other inmates would incur.

All the physicians will attend twice a week to visit the Hospital, and will depute one of their number to attend the sick in the meantime.

Advice will be given gratituously to out-door patients on Thursdays and Fridays at 10, A. M.

Pecuniary arrangements will be attended to by a committee of the Brotherhood of St. Josephs, which for the present consists of James Blakely, Esq., James May, John S. Cosgrave, John Coyle and Arthur Tiernan. jan5-tf

Medical.

The Press, Medical Faculty and Thousands who have used *Dr. Swayne's Compound Syrup of Wild Cherry*, all concur in pronouncing it one of the best remedies ever invented, for the cure of all PULMONARY AFFECTIONS.

CONSUMPTIVES BEWARE OF IMPOSITION.—The Wild Cherry Tree in all ages of the world, and in all countries where it is known, both among civilized as well as savage nations and tribes, is justly celebrated for its wonderful medicinal qualities.—This, combined with many other valuable vegetable extracts, and prepared by a skilful physician, who possesses the advantages of the experience and practice of his profession of nearly a quarter of a century, must be a valuable acquisition to those who are laboring under any of the dangerous diseases of the Lungs so common in our climate. Such a preparation is Dr. Swayne's Compound Syrup of Wild Cherry, prepared by himself at his labartory in Philadelphia. *Dr. Wistar*, of Philadelphia, *has not* nor *never has had* any thing to do with any preparation of Wild Cherry, but there was one got up in Philadelphia and the name of *Wistar* attached, the right of which was sold out to some merchants in the West. If you would get the genuine article, the only one prepared by a regular physician, see that the signature of Dr. Swayne, of Philada., is on each bottle.

More Home Testimony.

PHILADELPHIA, Sept. 28, 1843.

Dr. H. Swayne:—Dear Sir—Having seen the "astonishing cure" performed on Mr. Thomas by your *Compound Syrup of Wild Cherry*, I was induced to try it on myself. I was taken with a violent cough, spitting of blood, shortness of breathing, together with violent attacks of Asthma. I overdone myself in a manner which I was not able to perform, which prostrated my system to a great extent. I commenced the use of your Comsound Syrup of Wild Cherry, together with your Extract of Sarsaparilla and Tar Pills, which gave me almost immediate relief, and I am glad to give my testimony to all who may be afflicted in a similar way. I am now able to resume my daily labor. It would do well to see that the signature of Dr. H. SWAYNE is on each bottle of Wild Cherry. My residence is in Thirteenth street two doors from the corner of Willow, where I shall be glad to have an interview with all similarly afflicted.

WM. R. WALTON.

Letter from the Rev. R. Jackson.

Formerly Pastor of the First Presbyterian Church, New York.

CINCINNATI, Feb. 15, 1846.

Dr. Swayne—Dear Sir—Permit me to take the liberty of writing to you at this time, to express my opinion, and recommend to the attention of heads of families and to others your valuable medicine—your Compound Syrup of Wild Cherry. In my travels of late, I have seen in a great many instances, the wonderful effects of your medicine in relieving children of very obstinate complaints, such as coughing, wheezing, choking with the phlegm, asthmatic attacks, &c. I should not have written this letter however at present, although I feel it my duty to add my testimony to it for some time, had it not been for a late instance where the medicine above alluded to was instrumental in restoring to perfect health an only child, whose case was almost hopeless, in a family of my acquaintance. 'I thank heaven,' said a doting mother, 'my child is saved from the jaws of death.'

Beyond all doubt, Dr. Swayne's Compound Syrup of Wild Cherry is the most valuable medicine in this or any other country. I am certain I have witnessed more than one hundred cases where it has been attended with complete success. I have used it myself in an asthmatic attack of the bronchitis, in which it proved effectual in an exceedingly short time, considering the severity of the case. I can recommend it in the fullest confidence of its superior virtues. I would advise that no family should be without it. It is very pleasant, and at all ways beneficial; worth double and often ten times its price. The public are assured there is no quackery about it.

R. JOHNSON, D. D.

Reader! are you suffering from a cold or disease of the lungs? Try this remedy! you will not, perhaps, regret it. It will arrest all those disagreeable symptoms which strike so much terror to the mind, and prolong your days; beware of all preparations purporting to contain Wild Cherry, except that bearing the signature of Dr. H. Swayne, on the outside wrapper of the bottle as they are quite likely destitute of the article from which they borrow a name.

Prepared and only by Dr. Swayne, *whose office has been removed to the N. E. Corner of Eighth and Race Streets*, Philadelphia.

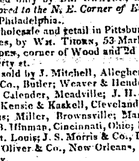
Medical and Surgical Office.

Health is the charm of life, without it gold.
Love, letters, friends, all, all, are unenjoyed.



DOCTOR BROWN, a regularly educated physician from the eastern cities, respectfully announce, to the citizens of Pittsburgh, Allegheny and vicinity, that he can be consulted privately and confidentially, every day and evening at his office on Diamond Alley, a few doors from Wood street towards the market.

Dr. Brown gives his particular attention to the treatment and investigation of the following diseases:

All diseasesarising from Impurities of the Blood, scrofula, syphilis, seminal weakness, impotency, salt rheum, diseases of the eye and ear, rheumatism, piles, palsey.

Dr. Brown has much pleasure in announcing to the public, that he is in possession of the latest information and improvement in the treatment of secondary syphilis, practised in the Paris Lock Hospital. The modern researches on syphilis, its complications and consequences, and the improved modes of practice which have been made known to the public but recentley, and to those chiefly who make this branch of Medicine, their particular study and practise.

Dr. Emanuel's Lung Jelly.

I WOULD speak an honest and conscientious word of advice to those of you who are not too wise to reason, and who can appreciate and distinguish between the cruel and dishonest puffing of the day, (in reference to pulmonary diseases,) and the following straight-forward statement, by one who would not offer a misrepresentation to you, where life and death are so dearly concerned as in any of the diseases or ailments which lead to Consumption.

I can assure you that the remedy here offered, has given a heavenly relief, and often effected a permanent cure, when every other remedy has failed. It is pleasant, indeed, beautiful to taste; and for those who are weak, languid, and emaciated, it will form an agreeable article of food, as it is in the form of a beautiful, flavored balsamic jelly. It can, therefore, in truth and honor, be offered to all those afflicted with *Bronchitis, Asthma, Obstinate or Common Coughs and Colds, spitting of Blood, Bleeding of the Lungs, Whooping-cough, Croup, Difficulty of Breathing, Sore Throat, Hoarseness, First Stages of Consumption, and all other Pulmonary and Liver Complaints.* It is known as DR. EMANUEL'S BALSAMIC LUNG AND COUGH JELLY.

The materials of this Jelly are purely vegetable and balsamic, and are the invention of an eminent physician, from which the proprietor has purchased the recipe. It is certainly worth its weight in gold, but is put at a price to be within the reach of rich or poor.

A POSITIVE AND PERMANENT CURE FOR RHEUMATISM AND ALL NERVOUS COMPLAINTS.

"What though the *causes* may not be explained,
Since their *effects* are duly ascertained,
Let not delusion, prejudice, or pride,
Induce mankind to set the means aside;
Means which, tho' simple, are by Heaven design'd
To alleviate the ills of human kind."

DR. CHRISTIE'S GALVANIC RINGS AND MAGNETIC FLUID.

THIS remarkable invention, which has received the universal approbation of the medical profession of Great Britain, comprises an entirely new application of Galvanism, as a remedial agent, by means of which the ordinary Galvanic Batteries, Electric and Magnetic Machines, &c., are entirely dispensed with, and the mysterious power of Galvanism applied without any of the objections which are inseparable from the general mode now in use. The strong doses, and irregular intervals, in which Galvanism is applied by the Machines, has been pronounced, after a fair and impartial trial, to be *decidedly injurious*, and it was to remedy this radical defect that this new application was projected, which, after unceasing toil, and perseverance, has been brought to its present state of perfection. The *Galvanic Rings* answer all the purposes of the most expensive Machines, and in many other respects are more *safe* and *certain* in accomplishing the desired effect.

The *Galvanic Rings* used in connection with the *Magnetic Fluid*, are confidently recommended in *all disorders which arise from an enfeebled and unhealthy state of the nervous or vital system*, and these complaints are among the most painful and universal to which we are subject. They arise, without exception, from one simple cause—a derangement of the Nervous System, and it was in these cases that other 'remedies' having so often failed, a new agent was greatly needed, which it is confidently believed, has been found in the proper and judicious application of Galvanism.

The Galvanic Rings have been used with entire success in all cases of RHEUMATISM, acute or chronic, applying to the head, face or limbs, *Gout, The Dolorex, Toothache, Bronchitis, Vertigo, Nervous Sick Headache, Indigestion, Paralysis, Palsy, Epilepsy, Fits, Cramp, Palpitations of the Heart, Apoplexy, Stiffness of Joints, Spinal Complaints, Lumbago, Neuralgia, Nervous Tremors, Distraction of the Head, Pain in the Chest and Side, General Debility, Deficiency of Nervous and Physical Energy, and all* NERVOUS DISORDERS. In cases of confirmed Dyspepsia, which is simply a nervous derangement of the digestive organs, they have been found equally successful. Their extraordinary effects upon the system must be witnessed to be believed, and as a certain preventive for the preceding complaints they are equally recommended. The Rings are of different prices, being made of all sizes, and of various ornamental patterns, and can be worn by the most delicate female without the slightest inconvenience. In fact, the sensation is rather agreeable than otherwise.

The Galvanic Belts, Bracelets, Bands, Garters, Necklaces, &c.

In some cases of a very severe character, and of long standing, the power as applied by the Galvanic Rings is not sufficient to correct the progress of disease and ultimately restore health. The improved modification in the Galvanic Belts, Bracelets, &c., entirely remedies this objection; any degree of power that is required can easily be obtained, and no complaint which the mysterious agent of Galvanism can effect will fail to be permanently relieved. These articles are adapted to the waists, arms, wrists, limbs, ancles, or any part of the body, with perfect convenience. The Galvanic Necklaces are used with greater benefit in cases of Bronchitis or affections of the throat generally, also in cases of Nervous Deafness; and prove to contain Wild Cherry, except that bearing the signature of Dr. H. Swayne, on the outside wrapper of the bottle as they are quite likely destitute of the article from which they borrow a name.
